 The Architect is not liable for any loss or distortion of information resulting from subsequent reproduction of the original drawing.

GENERAL NOTES:

1. Drawing is to be used by the Client Contractor and all other parties involved in the construction of the building and shall not be used for any other purpose.
2. This Architectural Drawing is to be read in conjunction with all other Architectural Drawings including the Floor Plans and all other related Mechanical and Electrical Drawings. In case of discrepancy between the Architectural Drawings, the Mechanical and Electrical Drawings shall prevail.
3. Equipment specified in Mechanical/Electrical/Plumbing Drawings shall be installed in accordance with the applicable codes and standards as indicated in the Architectural Drawing. Location shall be as indicated on the Mechanical/Electrical/Plumbing Drawings and shall be subject to change and approval of the Client Contractor and the Architect.
4. Dimensions indicated on this drawing are the base of finished surface unless otherwise noted.
5. The Architect is not responsible for supervision of construction and assumes no responsibility for errors, methods and techniques of construction.
6. Field dimensions are to be used for construction unless specifically noted for each purpose.
