

Attachment 1 - Point-in-Time Review of Existing Intergovernmental Requests (Dec 2018-2020)

Note: This data represents a point-in-time preliminary analysis conducted by the City Manager's Office to establish a baseline inventory of intergovernmental requests made from the beginning of the term (December 4, 2018) to the end of 2020.

Definitions:

Category/Theme – Alignment with the themes from the Corporate Strategic Plan.

Origin of Request – Where each request was initiated, including staff reports, members' motions and Council directives.

Level of Government – Specifies if the request was made to the federal government, provincial government, or both (joint).

Decision Status: All intergovernmental requests made by Council have been communicated to other governments. This column provides a point-in time, high-level status reflecting progress to date on outcomes, based on this baseline review.

- In progress: Progress is ongoing

- Achieved: Request has been addressed

- Not achieved: Request has not been addressed, including within the timelines requested by City Council

Meeting Date	Year	Item	Report Title	Ask(s) /Decision(s)	Category/Theme	Origin of Request	Level of Government	Decision Status
16-Dec-20	2020	EX19.10	Update Report to City Council on Recovery and Building a Renewed Toronto	8. City Council request financial support from the Province of Ontario to fully-recover transition costs the City may incur as a result of the Province's anticipated adoption and implementation of measures under the Resource Recovery and Circular Economy Act, 2016, that will implement a new Extended Producer Responsibility model for Ontario, including but not limited to increased service contract costs, specialized professional services support, additional communications, promotion and education support.	Financial Sustainability	Staff Report	Provincial	In Progress
16-Dec-20	2020	EX19.21	2021 Rate Supported Budgets - Solid Waste Management Services and Recommended 2021 Solid Waste Rates and Fees	3. City Council request the Province of Ontario to work in partnership with Toronto Public Health to authorize paramedics or other emergency medical service providers to deliver COVID-19 testing.	People and Neighbourhoods	Advisory Committee	Provincial	Achieved
16-Dec-20	2020	EX19.21	2021 Rate Supported Budgets - Solid Waste Management Services and Recommended 2021 Solid Waste Rates and Fees	4. City Council request the Province of Ontario to accelerate and expand the availability of mobile medical programs to include access to COVID-19 testing and the delivery of the influenza vaccine to populations disproportionately affected by COVID-19 including women, racialized and low-income populations, and people living with disabilities.	People and Neighbourhoods	Advisory Committee	Provincial	In Progress
16-Dec-20	2020	HL24.1	TO Supports: COVID-19 Equity Action Plan	5. City Council urge the Province of Ontario to immediately extend, for at least the next six months, eligibility for the Ontario Works Emergency Assistance benefit to include all working-age adults who have tested positive for COVID-19 or reside in a household where someone has tested positive and have been advised by an employer, medical practitioner, nurse practitioner, public health official, or other government official to self-isolate and who do not otherwise qualify for either Ontario Works or Federal benefits.	People and Neighbourhoods	Staff Report	Provincial	In Progress
16-Dec-20	2020	HL24.2	Response to COVID-19 - Update	1. City Council request the Provincial Government to provide resources and funding to support the community engagement plan being prepared by Toronto Public Health and Social Development, Finance and Administration to support community groups and other stakeholders to build knowledge and support for the COVID-19 immunization plan.	People and Neighbourhoods	Staff Report	Provincial	In Progress
16-Dec-20	2020	HL24.2	Response to COVID-19 - Update	2. City Council request the Ontario Ministry of Health to provide resources and funding to adequately prepare for Toronto's COVID-19 immunization plan, including support for required technology, staffing, and logistics.	People and Neighbourhoods	Staff Report	Provincial	In Progress
16-Dec-20	2020	HL24.2	Response to COVID-19 - Update	3. City Council request the Ontario Ministry of Health to ensure that the COVID-19 Vaccine Information System is created in consultation with Toronto Public Health and is a comprehensive and practical system that is simple to use.	People and Neighbourhoods	Staff Report	Provincial	In Progress
16-Dec-20	2020	HL24.6	Student Nutrition Program Support for Remote Learning	2. City Council request the Province of Ontario to make available sufficient funds to cover the extraordinary pandemic-related costs faced by student nutrition programs supporting in-school and remote learners, including increased food costs, requirements for safe program delivery, and limited access to volunteer help.	People and Neighbourhoods	Letter from Councillor to Committee	Provincial	In Progress

Attachment 1 - Point-in-Time Review of Existing Intergovernmental Requests (Dec 2018-2020)

Meeting Date	Year	Item	Report Title	Ask(s) /Decision(s)	Category/Theme	Origin of Request	Level of Government	Decision Status
16-Dec-20	2020	MM27.5	Coordinating Procurement to Find Value-for-Money Opportunities - by Councillor Michael Ford, seconded by Councillor Stephen Holyday	1. City Council request the City Manager, the Chief Financial Officer and Treasurer, and the Chief Procurement Officer to enter into discussions with the Province of Ontario to explore the feasibility of coordinating procurement processes and to report back with the results of those conversations, including potential cost savings, to the General Government and Licensing Committee in 2021.	A Well Run City	Member Motion	Provincial	In Progress
16-Dec-20	2020	MM27.9	Investigating Expiry Dates for Building Permits - by Councillor Paul Ainslie, seconded by Councillor Brad Bradford	1. City Council request the Chief Building Official and Executive Director, Toronto Building, in consultation with the Executive Director, Municipal Licensing and Standards, to communicate with the Province of Ontario to review implementing expiry dates on building permits across the City of Toronto and to report back to the Planning and Housing Committee in the second quarter of 2021.	Other	Member Motion	Provincial	In Progress
16-Dec-20	2020	MM27.38	Supporting the Residents of 6250 Bathurst Street - by Councillor James Pasternak, seconded by Councillor Mike Colle	1. City Council authorize the Mayor and the Chief Financial Officer and Treasurer to enter into and execute any agreements, including any amendments and extension of such agreements, with the Province of Ontario for funding under the Phase 2 - Safe Restart Agreement program and any other programs to provide COVID-19 related relief funding to the City on terms and conditions satisfactory to the City Manager, and in a form satisfactory to the City Solicitor.	Financial Sustainability	Member Motion	Provincial	Achieved
16-Dec-20	2020	GL19.3	Updates to Toronto Municipal Code, Chapter 545, Licensing - Payday Loan Establishments	4. City Council request the Government of Ontario to: a. strengthen its enforcement of online payday lending, including unlicensed online payday lenders; b. introduce regulations for high-cost installment loans to better protect consumers from high-cost loans that fall outside the regulation of the Payday Loans Act, 2008; and c. strengthen its regulation of payday lending advertising by proclaiming Subsection 77.16.1 of the Payday Loans Act, 2008 into effect, enabling the provincial government to make regulations to further govern and enforce advertising or signage in any medium with respect to a payday loan or a payday loan agreement, including the content, location and size of advertising or signage, and the ability to create regulations that prohibit licensees from making certain advertising or signage.	People and Neighbourhoods	Staff Report	Provincial	In Progress
25-Nov-20	2020	EX18.11	Preserving Ranked Ballot Elections	1. City Council request the Government of Ontario to respect local decision-making with regards to local elections and withdraw its amendment to the Municipal Elections Act as it relates to ranked ballot elections.	Other	Motion at Council	Provincial	Not Achieved
25-Nov-20	2020	HL23.1	Response to COVID-19: Persevering Through Resurgence	5. City Council call on the Provincial Government to urgently take all necessary steps, in coordination with the Government of Canada where appropriate, to ensure that supplies of the influenza vaccine are readily available, especially for vulnerable and priority populations.	People and Neighbourhoods	Motion at Committee	Provincial	In Progress
25-Nov-20	2020	HL23.1	Response to COVID-19: Persevering Through Resurgence	6. City Council call on the Provincial Government to provide adequate paid sick days and income supports for those who need to isolate but cannot afford to do and for workers and businesses affected by public health restrictions.	People and Neighbourhoods	Motion at Committee	Provincial	In Progress
25-Nov-20	2020	HL23.1	Response to COVID-19: Persevering Through Resurgence	7. City Council request the Provincial Government to reinstate the moratorium on residential and commercial evictions applicable at a minimum for the lockdown period initiated on November 23, 2020 and lasting until the lockdown	People and Neighbourhoods	Motion at Council	Provincial	In Progress
25-Nov-20	2020	HL23.1	Response to COVID-19: Persevering Through Resurgence	8. City Council request the Provincial Government to establish a coordinated and seamless COVID-19 pandemic response for the Greater Toronto Area to clearly deal with issues like lockdowns, colour coding designations for COVID-19 restrictions, and all Public Health Measures Table initiatives affecting the more than 6 million people in the Greater Toronto Area.	People and Neighbourhoods	Motion at Council	Provincial	In Progress
25-Nov-20	2020	HL23.1	Response to COVID-19: Persevering Through Resurgence	9. City Council urge the Ontario Ministry of Health to undertake a comprehensive assessment of the impact of the pandemic on mental health and well-being to inform the need for additional supports or programs required to mitigate the associated harms.	People and Neighbourhoods	Staff Report	Provincial	In Progress
25-Nov-20	2020	HL23.1	Response to COVID-19: Persevering Through Resurgence	10. City Council urge the Ontario Ministry of Health to ensure that flu vaccine promotion and distribution is targeted across Toronto, with a particular focus on those at higher risk such as racialized and low-income populations.	People and Neighbourhoods	Staff Report	Provincial	In Progress

Attachment 1 - Point-in-Time Review of Existing Intergovernmental Requests (Dec 2018-2020)

Meeting Date	Year	Item	Report Title	Ask(s) /Decision(s)	Category/Theme	Origin of Request	Level of Government	Decision Status
25-Nov-20	2020	HL23.1	Response to COVID-19: Persevering Through Resurgence	11. City Council request the Provincial Government to clarify, under the COVID-19 Response Framework: Keeping Ontario Safe and Open: a. when indoor leisure skating is permitted; and b. capacity limits specifically pertaining to indoor ice rinks.	People and Neighbourhoods	Motion at Council	Provincial	In Progress
25-Nov-20	2020	EC17.12	Response to Proposed Regulations under the Child Care and Early Years Act, 2014	2. City Council forward the City of Toronto's response in Part 1 above to the Premier of Ontario, the Ontario Minister of Education, the Federal Minister of Families, Children and Social Development, and all Toronto Members of Provincial Parliament and Members of Parliament.	People and Neighbourhoods	Staff Report	Provincial	Achieved
25-Nov-20	2020	EC17.12	Response to Proposed Regulations under the Child Care and Early Years Act, 2014	3. City Council request the Province of Ontario to consider new investments to increase compensation for the early years workforce and improve recruitment and retention, recognizing the essential service that these workers have provided during the COVID-19 pandemic and in supporting economic recovery.	People and Neighbourhoods	Motion at Committee	Provincial	In Progress
25-Nov-20	2020	EC17.12	Response to Proposed Regulations under the Child Care and Early Years Act, 2014	4. City Council forward Toronto's Licensed Child Care Growth Strategy for Children Under 4, 2017-2026, the City's plan requiring tri-government investment to increase capacity, improve affordability and support a thriving workforce, to the Province of Ontario to inform a Provincial Child Care Plan and the planning for a National Child Care System.	People and Neighbourhoods	Motion at Committee	Provincial	In Progress
25-Nov-20	2020	EC17.12	Response to Proposed Regulations under the Child Care and Early Years Act, 2014	6. City Council request the City Manager to communicate the City of Toronto's position that the Ontario Government's proposed regulatory changes are contrary to the principle of quality in the Federal Framework Agreement on Early Learning and Child Care and to join the intergovernmental discussions on child care as an official partner, with the goal of achieving a new trilateral agreement which aligns with the planning for a National Child Care System.	People and Neighbourhoods	Motion at Committee	Provincial	In Progress
25-Nov-20	2020	IE17.5	2020 Basement Flooding Protection Program Update	4. City Council request the Chief Financial Officer and Treasurer, the Deputy City Manager, Infrastructure and Development Services, and the General Manager, Toronto Water, in consultation with the City Solicitor, to request the Ontario Ministry of Finance to amend insurance regulations to preclude the denial of insurance coverage by insurance providers in the event that homeowners are able to establish that flooding incidents they experienced occurred through no fault of their own and that they have taken all reasonable efforts to prevent future flooding.	Climate Change	Motion at Council	Provincial	In Progress
25-Nov-20	2020	EY19.3	315 and 327 Royal York Road - Zoning By-law Amendment Application - Status Report	6. City Council advise the Minister of Municipal Affairs and Housing that given the progress made to date on the review of this application and the draft Context Plan, the City is not supportive of a Minister's Zoning Order for the subject lands that would curtail the completion of an appropriate municipal review and community input, as well as the proposed collaborative process to resolve the outstanding issues as set out in the report (October 16, 2020) from the Director, Community Planning, Etobicoke York District.	Other	Motion at Council	Provincial	In Progress
25-Nov-20	2020	MM26.8	Opposition to the Government of Ontario's changes to Conservation Authorities - by Councillor Mike Layton, seconded by Councillor Paula Fletcher	1. City Council request the Government of Ontario to remove proposed amendments to the Conservation Authorities Act and the Planning Act in Bill 229 relating to planning, permitting and enforcement, and to include strengthened provisions related to enforcement, in order to support a balanced approach to development, enable Conservation Authorities to mitigate natural hazards and protect natural heritage, and to prevent any downloading of enforcement costs to municipalities.	Climate Change	Member Motion	Provincial	In Progress
25-Nov-20	2020	MM26.8	Opposition to the Government of Ontario's changes to Conservation Authorities - by Councillor Mike Layton, seconded by Councillor Paula Fletcher	2. City Council request the Government of Ontario to reverse its decision to eliminate citizen experts from the board of Conservation Authorities.	Climate Change	Member Motion	Provincial	Achieved
25-Nov-20	2020	MM26.8	Opposition to the Government of Ontario's changes to Conservation Authorities - by Councillor Mike Layton, seconded by Councillor Paula Fletcher	3. City Council request that this decision be forwarded to the Premier, the Minister of Environment, Conservation and Parks, the Minister of Natural Resources and Forestry, the Minister of Municipal Affairs and Housing, the Minister of Finance, the Standing Committee on Finance and Economic Affairs, all City of Toronto MPPs, all Conservation Authorities serving the City of Toronto jurisdiction, and the Association of Municipalities of Ontario.	Climate Change	Member Motion	Provincial	In Progress

Attachment 1 - Point-in-Time Review of Existing Intergovernmental Requests (Dec 2018-2020)

Meeting Date	Year	Item	Report Title	Ask(s) /Decision(s)	Category/Theme	Origin of Request	Level of Government	Decision Status
27-Oct-20	2020	EX17.1	Towards Recovery and Building a Renewed Toronto	4. City Council request the Minister of Finance to amend the Assessment Act to create a main street retail class to support the health and prosperity of small businesses on retail main streets in Toronto and across the Province.	Financial Sustainability	Motion at Council	Provincial	Achieved
27-Oct-20	2020	EX17.1	Towards Recovery and Building a Renewed Toronto	6. City Council request the Provincial Government to review the Commercial Tenancies Act based on lessons learned under the COVID-19 pandemic, to support main street businesses and minimize vacancies on Toronto's main streets.	Financial Sustainability	Motion at Council	Provincial	In Progress
27-Oct-20	2020	EX17.7	Winter Patio Permissions	1. City Council request the Province of Ontario and the Alcohol and Gaming Commission of Ontario to develop new measures to extend the outdoor service of alcohol by re-evaluating the requirement that a licensed patio must be adjacent to the business to which the licence to sell liquor applies.	People and Neighbourhoods	Letter from Mayor to Committee	Provincial	Achieved
27-Oct-20	2020	HL22.1	Response to COVID-19: Update on Resurgence	2. City Council call on the Government of Ontario to increase the availability and accessibility of pop-up COVID-19 testing in neighbourhoods disproportionately affected by the pandemic.	People and Neighbourhoods	Motion at Committee	Provincial	In Progress
27-Oct-20	2020	HL22.1	Response to COVID-19: Update on Resurgence	3. City Council call on the Government of Ontario to: a. restore Pandemic Pay for frontline workers, which expired in early August 2020, recognizing the ongoing second wave resurgence of COVID-19 cases in Ontario and the continuing risk and sacrifice of frontline workers during the pandemic; b. collaborate with partners, including municipalities, to streamline the administrative requirements and delivery of Pandemic Pay to frontline workers in a timely manner; and c. explore options to recognize public health workers, many of whom are not eligible for Pandemic Pay, to receive some form of compensation for significant additional hours that will be required on an ongoing basis to respond to the pandemic throughout the winter months.	People and Neighbourhoods	Motion at Committee	Provincial	In Progress
27-Oct-20	2020	HL22.1	Response to COVID-19: Update on Resurgence	4. City Council urge the Ontario Ministry of Health to ensure that the new provincial software, Case and Contact Management, meets all of the needs of Toronto Public Health, as determined by the Medical Officer of Health, and facilitates cluster identification to target interventions and restrictions.	People and Neighbourhoods	Staff Report	Provincial	In Progress
27-Oct-20	2020	HL22.1	Response to COVID-19: Update on Resurgence	5. City Council urge the Ontario Ministry of Health to conduct case control studies using the data collected by public health units across the province to inform decision-making through the pandemic going forward.	A Well Run City	Staff Report	Provincial	In Progress
27-Oct-20	2020	EC16.1	Interim Shelter Recovery and Infrastructure Implementation Plan	4. City Council request the Provincial Government to ensure that appropriate primary health care, harm reduction, overdose prevention, and mental health services are available to support individuals who are homeless during the pandemic and beyond and to provide the resources required to implement the shelter health services framework developed in partnership with the City of Toronto in 2018 in order to provide a coordinated and consistent approach to health services across the shelter system.	People and Neighbourhoods	Staff Report	Provincial	In Progress
27-Oct-20	2020	EC16.1	Interim Shelter Recovery and Infrastructure Implementation Plan	5. City Council request the Provincial Government to provide ongoing and sustainable funding for the mental health case management and harm reduction supports needed to support individuals experiencing homelessness with complex needs, which the City of Toronto is providing on an interim basis at some temporary response shelter locations to meet immediate needs.	Housing	Motion at Committee	Provincial	In Progress
27-Oct-20	2020	EC16.1	Interim Shelter Recovery and Infrastructure Implementation Plan	6. City Council request the Provincial Government to end the practice of discharging individuals directly from provincial health and corrections facilities into homelessness and ensure that all individuals have a housing plan in place upon release and to work with municipalities to coordinate discharge plans to address housing and community safety in advance of release.	Housing	Staff Report	Provincial	In Progress
27-Oct-20	2020	EC16.1	Interim Shelter Recovery and Infrastructure Implementation Plan	7. City Council urge the Ontario Ministry of Health and the relevant Local Health Integration Networks to provide the necessary resources and supports for proactive, regular, and accessible mobile COVID-19 testing in shelter and respite settings.	People and Neighbourhoods	Motion at Committee	Provincial	In Progress

Attachment 1 - Point-in-Time Review of Existing Intergovernmental Requests (Dec 2018-2020)

Meeting Date	Year	Item	Report Title	Ask(s) /Decision(s)	Category/Theme	Origin of Request	Level of Government	Decision Status
27-Oct-20	2020	EC16.7	Current Impacts of the COVID-19 Pandemic on Live Music Venues in Toronto	3. City Council request the Government of Ontario to: a. provide long-term financial support for live music venues and music companies working in live music; b. apply fair and more flexible reopening guidelines established for other businesses and venues to live music venues, while ensuring all necessary and rigorous health protocols are accounted for and in place; c. convene a meeting to discuss insurance concerns from live music venues; and d. institute an immediate ban on evictions for music businesses.	People and Neighbourhoods	Advisory Committee	Provincial	In Progress
27-Oct-20	2020	IE16.1	Freight and Goods Movement Strategy	5. City Council request the Ontario Ministry of Transportation to review and revise the Ministry's definition of a motor assisted bicycle to allow heavier, throttle operated electric motors having greater power output to operate on public highways and to work with the City of Toronto and other municipalities to ensure that the definition supports more efficient and sustainable urban delivery option.	Mobility	Staff Report	Provincial	In Progress
27-Oct-20	2020	IE16.1	Freight and Goods Movement Strategy	6. City Council request the Ontario Ministry of Municipal Affairs and Housing to introduce the necessary legislative and regulatory changes to make off-peak delivery a permanent program.	A Well Run City	Staff Report	Provincial	In Progress
27-Oct-20	2020	MM25.18	Delivering for Toronto Restaurants: Requesting a Cap on Food Delivery Service Fees - by Councillor Michael Ford, seconded by Mayor John Tory	1. City Council request the Province of Ontario to implement a temporary cap on commissions for food service delivery companies	People and Neighbourhoods	Member Motion	Provincial	Achieved
27-Oct-20	2020	MM25.26	Restaurants and Insurance - by Councillor Paula Fletcher, seconded by Councillor Joe Cressy	1. City Council request the Province of Ontario to immediately put forward legislation which would stop insurance companies from terminating existing policies to restaurant owners and the hospitality sector.	People and Neighbourhoods	Member Motion	Provincial	In Progress
27-Oct-20	2020	MM25.26	Restaurants and Insurance - by Councillor Paula Fletcher, seconded by Councillor Joe Cressy	2. City Council request the Province of Ontario to immediately put forward legislation that pauses the rate of increase on existing commercial insurance policies for restaurant owners and the hospitality sector until the pandemic is over.	People and Neighbourhoods	Member Motion	Provincial	In Progress
27-Oct-20	2020	MM25.30	Protecting Public Interest and Requesting Accountability from Minister's Zoning Orders - by Councillor Kristyn Wong-Tam, seconded by Councillor Joe Cressy	1. City Council express its displeasure with the actions taken by the Province through the Ministry of Municipal Affairs and Housing with regards to the issuing of O. Reg. 594/20, O. Reg. 595/20 and O. Reg. 596/20 without consultation with local residents, City Planning or with City Council, and send a copy of this Motion to the Ministry of Municipal Affairs and Housing.	Other	Member Motion	Provincial	In Progress
27-Oct-20	2020	MM25.30	Protecting Public Interest and Requesting Accountability from Minister's Zoning Orders - by Councillor Kristyn Wong-Tam, seconded by Councillor Joe Cressy	3. City Council request the Minister of Municipal Affairs and Housing to confirm an alternative process for the City to collect or be compensated for existing negotiated and future community benefits that may have been impacted due to O. Reg. 594/20, O. Reg. 595/20 and O. Reg. 596/20.	Other	Member Motion	Provincial	In Progress
27-Oct-20	2020	MM25.32	Implementation of the Federal Rapid Housing Initiative - by Mayor John Tory, seconded by Councillor Ana Bailão	23. City Council request that the Province of Ontario provide ongoing operating funding, including funding for housing benefits and mental health and addiction services, to ensure the units created under the Rapid Housing Initiative results in new supportive housing opportunities for vulnerable and marginalized individuals, including people experiencing homelessness.	People and Neighbourhoods	Staff Report	Provincial	In Progress
30-Sep-20	2020	HL20.1	HL20.1 Response to COVID-19: Reopening and Preparation for a Potential Resurgence	4. City Council urge the Federal Government to implement a data system that will quickly transmit information about arriving international travellers to local authorities to support better compliance with the Quarantine Act.	People and Neighbourhoods	Motion at Committee	Federal	Achieved
30-Sep-20	2020	HL20.1	HL20.1 Response to COVID-19: Reopening and Preparation for a Potential Resurgence	5. City Council urge the Federal Government to expedite, in collaboration with the Province of Ontario and local public health units, the rapid implementation of new testing technologies, such as at-home and saliva-based tests, for the proactive surveillance of COVID-19.	People and Neighbourhoods	Motion at Committee	Joint	In Progress
30-Sep-20	2020	EX16.9	Operating Variance Report for the Six Months Ended June 30, 2020	2. City Council request the Province of Ontario to provide on-going operating funding to the Toronto Transit Commission on an urgent and on-going basis.	Financial Sustainability	Motion at Council	Provincial	In Progress

Attachment 1 - Point-in-Time Review of Existing Intergovernmental Requests (Dec 2018-2020)

Meeting Date	Year	Item	Report Title	Ask(s) /Decision(s)	Category/Theme	Origin of Request	Level of Government	Decision Status
30-Sep-20	2020	EX16. 22	2020 Heads and Beds Levy on Institutions	2. City Council forward the Item to the Premier of Ontario and the Ontario Minister of Finance and request the Province to increase the \$75.00 levy annually by the rate of inflation.	Financial Sustainability	Motion at Committee	Provincial	In Progress
30-Sep-20	2020	EX16.23	2020 Levy on Railway Roadways and Rights-of-Way and on Power Utility Transmission and Distribution Corridors	3. City Council request the Province of Ontario to explore the impact of national railways converting to a tonnage-based levy system, as opposed to the current rate per acreage system in the Province of Ontario, to determine any benefits to municipalities.	Mobility	Motion at Committee	Provincial	In Progress
30-Sep-20	2020	HL20.1	HL20.1 Response to COVID-19: Reopening and Preparation for a Potential Resurgence	6. City Council urge the Province of Ontario to take all necessary steps to improve the turnaround time for laboratory tests and achieve the timely reporting of positive results to individuals and local public health units.	People and Neighbourhoods	Motion at Committee	Provincial	In Progress
30-Sep-20	2020	HL20.1	HL20.1 Response to COVID-19: Reopening and Preparation for a Potential Resurgence	7. City Council urge the Ontario Ministry of Health to increase testing capacity and develop an enhanced testing strategy aimed at suspected cases, contacts, and high-risk/high-need situations, including workplaces, schools, and neighbourhoods.	People and Neighbourhoods	Motion at Committee	Provincial	In Progress
30-Sep-20	2020	HL20.1	HL20.1 Response to COVID-19: Reopening and Preparation for a Potential Resurgence	8. City Council urge the Ontario Ministry of Health to expedite, in collaboration with the Federal Government and local public health units, the rapid implementation of new testing technologies, such as at-home and saliva-based tests, for the proactive surveillance of COVID-19.	People and Neighbourhoods	Motion at Committee	Provincial	In Progress
30-Sep-20	2020	HL20.1	HL20.1 Response to COVID-19: Reopening and Preparation for a Potential Resurgence	9. City Council urge the Ontario Ministry of Long-Term Care to fund on-site, dedicated infection prevention and control expertise at each long-term care facility and invest in training for existing practitioners to contribute to system-wide improvements related to infection prevention and control.	People and Neighbourhoods	Motion at Committee	Provincial	In Progress
30-Sep-20	2020	IE15.4	Transition of Toronto's Blue Box Program to Extended Producer Responsibility	2. City Council request the Mayor to provide the Ontario Minister of the Environment, Conservation and Parks with a copy of this Council resolution and to indicate in such letter that the City of Toronto prefers to transition its recycling program on July 1, 2023.	Climate Change	Staff Report	Provincial	In Progress
30-Sep-20	2020	IE15.4	Transition of Toronto's Blue Box Program to Extended Producer Responsibility	3. City Council request the Province of Ontario to share the draft regulation(s) that will enable a full extended producer responsibility recycling program with City of Toronto staff at least 5 business days in advance of broader public consultations, taking into consideration Toronto's unique features including, without limitations, the highest number of multi-residential buildings, the dense urban centre, and the largest Blue Box Program in Ontario, so that that City can, among other things, effectively mitigate potential adverse impacts to Toronto residents and the City's waste operations as soon as possible.	Climate Change	Motion at Committee	Provincial	In Progress
30-Sep-20	2020	IE15.4	Transition of Toronto's Blue Box Program to Extended Producer Responsibility	4. City Council direct the City Manager, Mayor and General Manager of Solid Waste Management, to communicate to the Minister of the Environment, Conservation and Parks City Council's position that: a. any changes to Toronto's blue box program and Extended Producer Responsibility regulations, have clear and measurable goals, targets, outcomes and penalties that ensure producers are accountable for reduction targets and are consistent with the provincial interests stated in the Resource Recovery and Circular Economy Act, 2016, the purposes stated in the Waste Diversion Transition Act, 2016 and the principles of full extended producer responsibility; b. other policy tools and incentives to promote the use of more recycled content in products and packaging should be included, including incentives to reduce and redesign products and packaging; c. Extended Producer Responsibility regulations not allow for recycled content to offset recovery targets and that producers are required to report on sub categories of materials; and d. the eligible sources include all multi-unit residential dwellings in Ontario during transition, commercial and municipal buildings (including parks and public spaces, schools, and municipally-operated facilities, such as community centres and arenas) and include packaging and packaging like products recovered from the waste stream.	Climate Change	Motion at Committee	Provincial	In Progress
30-Sep-20	2020	IE15.4	Transition of Toronto's Blue Box Program to Extended Producer Responsibility	5. City Council request the City Manager, the Mayor and the General Manager, Solid Waste Management Services to communicate to the Minister of the Environment, Conservation and Parks to protect the deposit return system and explore expanding deposit return as a means of increasing recycling rates.	Climate Change	Motion at Committee	Provincial	In Progress

Attachment 1 - Point-in-Time Review of Existing Intergovernmental Requests (Dec 2018-2020)

Meeting Date	Year	Item	Report Title	Ask(s) /Decision(s)	Category/Theme	Origin of Request	Level of Government	Decision Status
30-Sep-20	2020	PH16.8	Addressing Housing and Homelessness Issues in Toronto through Intergovernmental Partnerships	6. City Council direct the General Manager, Shelter, Support and Housing Administration, to consult with the Ministry of Municipal Affairs and Housing and the Ministry of Finance on opportunities to improve the customer service experience for both applicants and recipients of all Provincially funded and administered housing allowance programs.	Housing	Motion at Committee	Provincial	In Progress
30-Sep-20	2020	PH16.10	Laneway Suites: Fire Access Requirements	2. City Council request the Chief Building Official and Executive Director, Toronto Building to request that the Ministry of Municipal Affairs and Housing amend the Ontario Building Code to provide clarity for designers and homeowners by providing a broader range of fire access options to comply with the Ontario Building Code requirements that apply to Laneway Suites.	Housing	Staff Report	Provincial	In Progress
30-Sep-20	2020	CC24.2	COVID-19 Financial Update	1. City Council formally request \$673 million in COVID-19 funding support from Phase 2 of the Provincial Safe Restart Program to offset the City's COVID-19 financial impacts to the City, following offsets generated by the City primarily through cost mitigation strategies.	Financial Sustainability	Staff Report	Provincial	In Progress
30-Sep-20	2020	CC24.2	COVID-19 Financial Update	7. City Council authorize the Mayor and the Chief Financial Officer and Treasurer to enter into and execute any agreements, including any amendments and extension of such agreements, with the Province of Ontario for funding under the Municipal Transit Enhanced Cleaning program on terms and conditions satisfactory to the City Manager, and in a form satisfactory to the City	Financial Sustainability	Staff Report	Provincial	Achieved
30-Sep-20	2020	MM24.25	Protecting Tenants from Above-Guideline Increases During the COVID-19 Pandemic - by Councillor Brad Bradford, seconded by Councillor Paula Fletcher	1. City Council request the Ontario Minister of Municipal Affairs and Housing to protect tenants from burdensome rent increases by restricting Above-Guideline Rent Increases as part of the 2021 rent freeze outlined in Bill 204, the Helping Tenants and Small Businesses Act, 2020.	Housing	Member Motion	Provincial	Not Achieved
30-Sep-20	2020	MM24.31	Lawrence Heights Emergency Safety and Security Response - by Councillor Mike Colle, seconded by Councillor Mark Grimes	2. City Council request the City Manager to reiterate the requests made by City Council that the Provincial Government return the funding for the building of the new Lawrence Heights Community Centre, which was removed in the 2019 Provincial Budget.	People and Neighbourhoods	Member Motion	Provincial	In Progress
30-Sep-20	2020	MM24.36	Supporting Black-Owned and Operated Businesses and Preserving the Cultural Heritage of Eglinton Avenue West's "Little Jamaica"- by Councillor Josh Matlow, seconded by Councillor Michael Thompson	1. City Council request the Province of Ontario to introduce rent control legislation for commercial units along Eglinton Avenue West to protect Black-owned and operated businesses from unfair or drastic increases to their rent.	Financial Sustainability	Member Motion	Provincial	In Progress
30-Sep-20	2020	MM24.36	Supporting Black-Owned and Operated Businesses and Preserving the Cultural Heritage of Eglinton Avenue West's "Little Jamaica"- by Councillor Josh Matlow, seconded by Councillor Michael Thompson	6. City Council request the Province of Ontario to require property owners in the subject area to provide Black-owned and operated businesses with a first right of refusal on retail spaces upon transfer of land.	Financial Sustainability	Member Motion	Provincial	In Progress
30-Sep-20	2020	MM24.36	Supporting Black-Owned and Operated Businesses and Preserving the Cultural Heritage of Eglinton Avenue West's "Little Jamaica"- by Councillor Josh Matlow, seconded by Councillor Michael Thompson	14. City Council direct the inter-divisional team and request Provincial Minister of Transportation, Caroline Mulroney to review and implement the recommendations made in BlackUrbanismTO's report titled, "A Black Business Conversation on Planning for the Future of Black Businesses and Residents on Eglinton Avenue West".	Financial Sustainability	Member Motion	Provincial	In Progress
30-Sep-20	2020	MM24.38	Drive-by Shootings - by Councillor Mike Colle, seconded by Councillor Frances Nunziata	2. City Council request the Provincial Government to take immediate steps to support the Toronto Police Service and all other City efforts in combatting the non-stop shootings in Toronto, including the immediate impounding of vehicles and suspending of licences of drivers where Police have found unlawful handguns.	People and Neighbourhoods	Member Motion	Provincial	In Progress

30-Sep-20	2020	HL20.1	HL20.1 Response to COVID-19: Reopening and Preparation for a Potential Resurgence	2. City Council request the City Manager to work with the Federal and Provincial Governments to ensure the enforcement of existing quarantine rules for visitors to, and residents of, Toronto.	People and Neighbourhoods	Motion at Committee	Joint	In Progress
30-Sep-20	2020	HL20.1	HL20.1 Response to COVID-19: Reopening and Preparation for a Potential Resurgence	3. City Council request the Federal and Provincial Governments to strictly enforce travel restrictions with regard to COVID-19, including the mandatory 14-day quarantine for visitors and travel by "essential" workers.	People and Neighbourhoods	Motion at Committee	Joint	In Progress
30-Sep-20	2020	PH16.8	Addressing Housing and Homelessness Issues in Toronto through	2. City Council urgently request that the Federal and Provincial governments support the City's 24-month plan in Attachment 3 to the report (September 8, 2020) from the Executive Director, Housing Secretariat and the General Manager, Shelter, Support and Housing Administration to deliver 3,000 affordable rental and supportive homes comprised of: a. 1,000 permanent modular homes; b. 1,000 new homes through acquisitions, renovations and "shovel ready" projects; and c. 1,000 additional new portable (and flexible) Canada-Ontario Housing Benefits (COHB) to help households secure housing available for rent in Toronto and across the region.	Housing	Staff Report	Joint	In Progress
30-Sep-20	2020	PH16.8	Addressing Housing and Homelessness Issues in Toronto through	3. City Council request the Provincial and Federal Governments to urgently allocate funding for additional mental health care, and a continuum of substance use treatment and overdose prevention supports delivered by health and community partners, as part of an integrated enhanced service model to meet the increasingly complex needs of individuals that are currently experiencing homelessness to help transition them into permanent housing.	Housing	Staff Report	Joint	In Progress
30-Sep-20	2020	CC24.2	COVID-19 Financial Update	2. City Council direct the City Manager to report to City Council in Fall 2020 on any additional commitments of financial support received from the Federal and Provincial Governments to the City; to continue to explore opportunities to achieve greater 2020 budget efficiencies or offsets; and to provide recommendation on any further mitigation options needed to address any remaining 2020 COVID-19 financial impacts.	Financial Sustainability	Staff Report	Joint	Achieved
30-Sep-20	2020	CC24.2	COVID-19 Financial Update	4. City Council direct the City Manager and the Chief Financial Officer and Treasurer to engage with the Federal and Provincial Governments to obtain funding commitments to fully address remaining COVID-19 related financial impacts anticipated in 2021 to avoid reductions to transit service, service levels across all City operations and programs.	Financial Sustainability	Staff Report	Joint	Achieved
28-Jul-20	2020	HL18.1	Toronto Public Health's Response to COVID-19: Context, Status Update, and Next Steps	3. City Council authorize the Medical Officer of Health to enter into a Funding Agreement with the appropriate department(s) of the Government of Canada for the receipt and expenditure of funding to establish a voluntary isolation/quarantine site and to undertake appropriate measures as required to ensure full and effective use of available federal funds, on such terms and conditions as are satisfactory to the Medical Officer of Health and in a form approved by the City Solicitor.	People and Neighbourhoods	Staff Report	Federal	Achieved
28-Jul-20	2020	HL18.1	Toronto Public Health's Response to COVID-19: Context, Status Update, and Next Steps	4. City Council approve the receipt of the funds from the Government of Canada for the establishment of a voluntary isolation/quarantine site in accordance with the terms and conditions of the Funding Agreement.	People and Neighbourhoods	Staff Report	Federal	Achieved
28-Jul-20	2020	HL18.1	Toronto Public Health's Response to COVID-19: Context, Status Update, and Next Steps	2. City Council: a. urge the Ontario Ministry of Health and the relevant Local Health Integration Networks to provide the necessary resources and supports for proactive mobile COVID-19 testing in neighbourhoods where data shows a high incidence of COVID-19, including northwest Toronto, and for demographic groups suspected of being at higher risk due to the social determinants of health, including occupation; and b. request the Chair, Board of Health, to communicate the position in Part 2.a. above to the Ontario Ministry of Health and the relevant Local Health Integration Networks, on behalf of City Council and the Board of Health. 29-Jun-20	2020	IE13.4	Metrolinx Eglinton Crosstown Light Rail Transit - Time Extension of Long-term Road Closures	14. City Council direct the City Manager to request the Province of Ontario and Metrolinx/Crosslinx to do the following before any future extensions or approvals are granted to Metrolinx/Crosslinx for road closures for the construction of the Eglinton Crosstown Project, with the exception of those that are delegated to the General Manager, Transportation Services: a. respond to the requests made by City Council at its meeting on February 26, 2020 regarding the delay of the Eglinton Crosstown Project, requesting a report on the feasibility of phasing in the opening of the Eglinton Crosstown by separating out the portion of the Eglinton Crosstown from Mount Dennis Station to the Cedervale Station (Eglinton West), so that at minimum one section of the Eglinton Crosstown line is operational at an earlier date than sometime "well into 2022"; b. conduct an immediate construction equipment clean-up to remove as much as possible of the heavy equipment trailers from public sidewalks and road allowances, so that small businesses will no longer have their storefronts blocked and obstructed; and c. disclose the latest completion date estimates of the Eglinton Crosstown Project.	Mobility	Staff Report	Provincial	In Progress
29-Jun-20	2020	IE12.5	Textile Waste Diversion and Reduction Initiatives	3. City Council direct the General Manager, Solid Waste Management Services, to make a written request to the Province to consider requiring all businesses and online retailers to post reuse, recycling and disposal options at the point of purchase to ensure harmonized and consistent messaging for the management of textiles in Ontario.	Climate Change	Staff Report	Provincial	In Progress
29-Jun-20	2020	CC22.2	Changes to Policing in Toronto	9. City Council request the Toronto Police Service Board to consider a motion supporting City Council's request in Part 8 above and to communicate its position to the Province.	People and Neighbourhoods	Letter from Mayor to Council	Provincial	In Progress
29-Jun-20	2020	CC22.2	Changes to Policing in Toronto	19. City Council request the Province to immediately review and overhaul the Equipment and Use of Force Regulation, R.R.O. 1990, Reg. 926, so as to: a. emphasize de-escalation; and b. incorporate further modifications based on alternative models and best practices in peer jurisdictions, which address the use of deadly force.	People and Neighbourhoods	Letter from Mayor to Council	Provincial	In Progress
29-Jun-20	2020	CC22.2	Changes to Policing in Toronto	20. City Council request the Province of Ontario to amend the Police Services Act and the Community Safety and Policing Act, 2019 (which received Royal Assent but has not yet come into force) to significantly expand the instances in which suspension without pay and revocation of a police officer's appointment as a police officer is available where serious misconduct is alleged or ultimately established; these amendments should, at a minimum, implement the relevant elements of the Police Services Act, 2018 that addressed suspension without pay and the relevant elements of the Policing Oversight Act, 2018 that created the ability to revoke a police officer's appointment as a police officer in Ontario.	People and Neighbourhoods	Letter from Mayor to Council	Provincial	In Progress
29-Jun-20	2020	CC22.2	Changes to Policing in Toronto	21. City Council request the Province of Ontario to amend the Police Services Act and the Community Safety and Policing Act, 2019 (which received Royal Assent but has not yet come into force) to require that complaints made about a police officer's public conduct that alleges serious misconduct be investigated by the Province's independent police complaints agency (currently, the Office of the Independent Police Review Director) and not any police service's professional standards unit.	People and Neighbourhoods	Letter from Mayor to Council	Provincial	In Progress
29-Jun-20	2020	CC22.2	Changes to Policing in Toronto	22. City Council request the Government of Ontario to eliminate any and all appeal powers for the Toronto Police Services Board as set out in the Police Services Act, 1990 for the Ontario Civilian Police Commission to overturn Toronto City Council decisions pertaining to Police Budget matters including requests for reduction, abolition, creation or amalgamation of police services.	People and Neighbourhoods	Letter from Mayor to Council	Provincial	In Progress

Attachment 1 - Point-in-Time Review of Existing Intergovernmental Requests (Dec 2018-2020)

Meeting Date	Year	Item	Report Title	Ask(s) /Decision(s)	Category/Theme	Origin of Request	Level of Government	Decision Status
29-Jun-20	2020	CC22.2	Changes to Policing in Toronto	23. City Council request the Province of Ontario to amend the Police Services Act to allow the City of Toronto to have direct oversight over the Toronto Police Services Budget and exempt Toronto City Council from the provisions of subsection 39(4) of the Act by removing the word “not” from the provisions of the subsection, as it pertains to the City of Toronto, as follows: In establishing an overall budget for the board, the Toronto City council does not have the authority to approve or disapprove specific items in the estimates.	People and Neighbourhoods	Letter from Mayor to Council	Provincial	In Progress
29-Jun-20	2020	CC22.2	Changes to Policing in Toronto	In establishing an overall budget for the board, the Toronto City council does not have the authority to approve or disapprove specific items in the estimates.	People and Neighbourhoods	Letter from Mayor to Council	Provincial	In Progress
29-Jun-20	2020	CC22.2	Changes to Policing in Toronto	26. City Council request, in the strongest possible terms, that the Province immediately reinstate the Police Services Act reforms recommended by Justice Tulloch, particularly those reforms focused on enhancing the independence and notifications requirements of the Special Investigations Unit (Recommendation 5.7).	People and Neighbourhoods	Letter from Mayor to Council	Provincial	In Progress
29-Jun-20	2020	CC22.3	Report to City Council on COVID-19 Actions and Council Directions	4. City Council request the Province to enact a complementary mask regulation applicable within the City of Toronto, including on all public transit systems.	Mobility	Staff Report	Provincial	Achieved
29-Jun-20	2020	MM22.3	GO Transit/Union Pearson Express-Toronto Transit Commission Discounted Fare Initiative - by Councillor Paul Ainslie, seconded by Councillor Jennifer McKelvie	1. City Council request the Province of Ontario to continue the GO/Union Pearson Express-Toronto Transit Commission Discounted Fare Initiative agreement with the City of Toronto based on the terms reached and outlined in Item 2017.EX28.6, Advancing Fare Integration, adopted by City Council at its meeting on November 7, 8 and 9, 2017.	Mobility	Member Motion	Provincial	In Progress
29-Jun-20	2020	MM22.20	Support for Toronto Tenants During the COVID-19 Pandemic - by Councillor Josh Matlow, seconded by Councillor Shelley Carroll	1. City Council request the Government of Ontario to provide offset payments to Landlords to forgive rent for tenants that have qualified for federal income supports during the COVID-19 pandemic.	Housing	Member Motion	Provincial	In Progress
29-Jun-20	2020	MM22.38	Changes to City of Toronto Act Regulations Concerning Construction Noise By-laws - by Councillor Josh Matlow, seconded by Councillor Mike Colle	1. City Council request the Government of Ontario to repeal Limitation 2 to Ontario Regulation 130/20 of the City of Toronto Act, returning the power to regulate construction noise to the City of Toronto.	Other	Member Motion	Provincial	In Progress
29-Jun-20	2020	MM22.39	Request for the Province to Rescind the Provincial Regulation Overriding Toronto's Construction Noise By-Law - by Councillor Kristyn Wong-Tam, seconded by Councillor Joe	1. City Council request the Province of Ontario to immediately rescind Ontario Regulation 130/20.	Other	Member Motion	Provincial	In Progress
29-Jun-20	2020	SC15.7	Request for Traffic Study - Coronation Drive Area	1. City Council request the City Manager write to the Minister of Environment, Conservation and Parks requesting the Province to require 2683517 Ontario Inc. complete a traffic study as part of its Environmental Compliance Approval applications and request the Province to consider the results as part of the approvals process; and further request that the review of this traffic study be completed in co-ordination with City of Toronto Transportation Services staff.	Mobility	Letter from Councillor to Community Council	Provincial	In Progress

Attachment 1 - Point-in-Time Review of Existing Intergovernmental Requests (Dec 2018-2020)

Meeting Date	Year	Item	Report Title	Ask(s) /Decision(s)	Category/Theme	Origin of Request	Level of Government	Decision Status
29-Jun-20	2020	EX14.15	Toronto Police Service - Establishing Places of Worship Security Task Force	1. City Council direct the Director, Office of Emergency Management to work with Provincial and Federal counterparts to develop and implement preventative and strategic response plans for potential threats and actual attacks on places of worship such that local places of worship can be partners in the preventative approach; such strategy should include but not be restricted to: a. consulting with various police forces and public security services for knowledge transfer and best practices for preventing attacks and saving lives during an attack on a place of worship; b. engaging faith groups and/or their representative organizations for scenario building and safety implementation strategies; c. creating working training modules and implementation strategies so that willing and participating religious institutions can implement best practices to keep their buildings secure and congregants safe; and d. updating and modernizing any existing emergency management policies that might be helpful in this strategy.	People and Neighbourhoods	Motion at Committee	Joint	In Progress
29-Jun-20	2020	MM22.17	Ending Homelessness During a Pandemic: Calling for Immediate Action From the Provincial and Federal Governments - by Councillor Kristyn Wong-Tam, seconded by Councillor Mike Layton	1. City Council call upon the Provincial and Federal Governments to immediately establish an intergovernmental table to create emergency responses to the housing and homelessness crisis in Toronto exacerbated by the global health pandemic.	Housing	Member Motion	Joint	Not Achieved
29-Jun-20	2020	MM22.17	Ending Homelessness During a Pandemic: Calling for Immediate Action From the Provincial and Federal Governments - by Councillor Kristyn Wong-Tam, seconded by Councillor Mike Layton	2. City Council call upon the Provincial and Federal Governments to immediately take action to provide the funding and policy/program tools required to augment services for homeless individuals and seek the support of community partners, including the Canadian Red Cross, in managing the harm inflicted by the housing and homelessness crisis, including supply of adequate water and sanitation supports at encampment sites until adequate new indoor accommodations are secured.	Housing	Member Motion	Joint	In Progress
28-May-20	2020	CC21.3	Creating New Affordable Housing Opportunities through Phase Two of the Housing Now Initiative	28. City Council authorize the Deputy City Manager, Community and Social Services to request the Federal Government, through the Canada Mortgage and Housing Corporation, to: a. approve a portfolio approach to the funding and financing of the Phase Two Sites identified in Appendix 1 to the report (May 25, 2020) from the Deputy City Manager, Community and Social Services and the Deputy City Manager, Corporate Services; and b. consider the City's previous requests for the Federal Government to dedicate surplus lands in Toronto to be utilized for increasing the supply of affordable and purpose-built rental housing.	Housing	Staff Report	Federal	In Progress
28-May-20	2020	HL16.2	COVID-19 Update	5. City Council request the Government of Ontario to require the collection and public reporting of health and community service data, including COVID-19 tests disaggregated by race and occupation, in collaboration with affected communities and health professionals.	People and Neighbourhoods	Motion at Committee	Provincial	In Progress
28-May-20	2020	HL16.2	COVID-19 Update	6. City Council request the Government of Ontario to proactively share data disaggregated by race, occupation, and congregate settings to the public and public health units during the COVID-19 recovery phase.	People and Neighbourhoods	Motion at Committee	Provincial	In Progress
28-May-20	2020	HL16.2	COVID-19 Update	7. City Council request the Government of Ontario to review the staffing and funding models for the long-term care sector, including issues of poor and precarious working conditions, to permanently improve the standards of care and reduce the risk of infectious disease outbreaks.	People and Neighbourhoods	Motion at Committee	Provincial	In Progress
28-May-20	2020	HL16.2	COVID-19 Update	8. City Council request the Government of Ontario to permanently ensure that sufficient paid sick leave is available to all workers who must quarantine or self-isolate, without the requirement for a doctor's note.	People and Neighbourhoods	Motion at Committee	Provincial	Not Achieved
28-May-20	2020	HL16.2	COVID-19 Update	9. City Council request the Government of Ontario to take immediate steps to address the medical professional and technical issues identified in the Observation Report of the Canadian Armed Forces.	People and Neighbourhoods	Motion at Council	Provincial	In Progress

Attachment 1 - Point-in-Time Review of Existing Intergovernmental Requests (Dec 2018-2020)

Meeting Date	Year	Item	Report Title	Ask(s) /Decision(s)	Category/Theme	Origin of Request	Level of Government	Decision Status
28-May-20	2020	HL16.2	COVID-19 Update	10. City Council request the Government of Ontario to immediately establish a full public inquiry led by independent experts with representation from staff, families of survivors and current residents to: a. identify the failings of the long-term care system in Ontario; b. determine the reasons for those failings; and c. make specific recommendations as to the steps that must be taken to ensure that the seniors in our long-term care homes receive the quality of care that they deserve.	People and Neighbourhoods	Motion at Council	Provincial	In Progress
28-May-20	2020	CC21.3	Creating New Affordable Housing Opportunities through Phase Two of the Housing Now Initiative	29. City Council authorize the Deputy City Manager, Community and Social Services to request the Ontario Government to support the creation of supportive housing opportunities as part of the Housing Now Initiative by providing assistance to individuals with housing and support needs through the provision of operating, and to identify surplus lands within Toronto be utilized to create new mixed-income communities, with new affordable rental homes, including supportive housing opportunities.	Housing	Staff Report	Provincial	In Progress
28-May-20	2020	CC21.1	City of Toronto Service Restart and Recovery Update	8. City Council direct the City Manager to request the Province, in light of the COVID-19 pandemic, to put a pause on new Cannabis shop licence applications filed after March 15, 2020 when the COVID-19 Pandemic was declared, until City of Toronto residents are able to have input and be properly consulted during the 15 day public notice period, as promised by the legislation.	People and Neighbourhoods	Motion at Council	Provincial	Not Achieved
28-May-20	2020	CC21.1	City of Toronto Service Restart and Recovery Update	1. City Council direct that any negotiations with the Provincial and Federal governments on financial assistance should not only be a one-time payment to deal with 2020 financial problems, but should also include consideration of revenue tools and/or direct financial assistance for future years for transit, housing, child care, and public health, among other priority areas.	People and Neighbourhoods	Motion at Council	Joint	In Progress
28-May-20	2020	CC21.20	Cycling Network Plan Installations: Bloor West Bikeway Extension & ActiveTO Projects	18. City Council request the Deputy City Manager, Infrastructure and Development Services to investigate opportunities to: a. request funding for the Ravine Strategy and Meadoway Project from the Provincial and Federal Governments;	Climate Change	Motion at Council	Joint	In Progress
30-Apr-20	2020	CC20.5	Authority to Implement the New Canada-Ontario Housing Benefit Program	1. City Council authorize the General Manager, Shelter, Support and Housing Administration to enter into a Transfer Payment Agreement, or any other related service agreement(s) with any Ministry of the Government of Ontario, to facilitate the delivery of the Canada-Ontario Housing Benefit and, subject to the appropriate budget approvals, and any amendments to agreements allowing the extension of the term of the program beyond 2022, on terms and conditions satisfactory to the General Manager, Shelter, Support and Housing Administration, and in a form approved by the City Solicitor.	Housing	Staff Report	Provincial	Achieved
30-Apr-20	2020	CC20.2	City of Toronto Response and the Ongoing Management of Emergency City Business during the COVID-19 Pandemic	6. City Council request the Province of Ontario to immediately institute a temporary moratorium on any commercial rent default evictions as a moratorium is only currently contemplated for participants in the Ontario-Canada Emergency Commercial Rent Assistance Program, which may leave many tenants unable to access relief as landlords can choose to not participate in the program.	Housing	Motion at Council	Provincial	In Progress
30-Apr-20	2020	CC20.2	City of Toronto Response and the Ongoing Management of Emergency City Business during the COVID-19 Pandemic	10. City Council request the Province of Ontario to continue to support Toronto's COVID-19 homelessness and supportive housing response by providing proactive testing in all shelters and respites, additional Personal Protection Equipment for frontline shelter staff, the establishment of a regional Greater Toronto Area plan for isolation and recovery spaces for those in the shelter and supportive housing system, and to provide additional funding for the provision of permanent supportive and affordable housing opportunities.	Housing	Motion at Council	Provincial	In Progress
30-Apr-20	2020	CC20.6	Implementing the Toronto Modular Housing Initiative as an Urgent Response to the COVID-19 Pandemic	10. City Council authorize the Deputy City Manager, Community and Social Services to urgently request the Ontario Government to make available operating funding to support the City's modular supportive housing initiative and authorize the Executive Director, Housing Secretariat and the General Manager, Shelter, Support and Housing Administration to negotiate and enter into any agreements necessary to secure such funding.	Housing	Staff Report	Provincial	In Progress

Attachment 1 - Point-in-Time Review of Existing Intergovernmental Requests (Dec 2018-2020)

Meeting Date	Year	Item	Report Title	Ask(s) /Decision(s)	Category/Theme	Origin of Request	Level of Government	Decision Status
30-Apr-20	2020	CC20.2	City of Toronto Response and the Ongoing Management of Emergency City Business during the COVID-19 Pandemic	3. City Council request the Federal and Provincial governments to immediately provide operational support to the Toronto Transit Commission to maintain service levels during the COVID-19 pandemic and as ridership is restored so that service and staffing can continue to meet demand and comply with any Public Health guidelines for transit systems that may be recommended.	Mobility	Motion at Council	Joint	Achieved
30-Apr-20	2020	CC20.2	City of Toronto Response and the Ongoing Management of Emergency City Business during the COVID-19 Pandemic	5. City Council request the Province of Ontario and the Federal Government to amend the newly announced Ontario-Canada Emergency Commercial Rent Assistance Program to help Toronto's small business and not-for-profit communities remain viable in the wake of the COVID-19; specific amendments to the program should include: a. broadening eligibility criteria to include tenant businesses and not-for-profits that have experienced significant revenue losses that are greater than 50 percent (instead of the announced 70 percent) and who still who meet the criteria of less than \$50,000 per month in rent; b. broadening eligibility criteria to include landlord structures common to the not-for-profit sector, such as head leasees operating community hubs in public sector properties, to ensure that not-for-profit organizations and tiered landlord structures are eligible for the program; c. encouraging landlords and tenants to work co-operatively with regard to May rent until the program is operational in mid-May; and d. ensuring the stackability of programs targeted at small business and not-for-profits.	People and Neighbourhoods	Motion at Council	Joint	In Progress
26-Feb-20	2020	PH13.4	Firgrove-Grassways Revitalization - Initial Development Proposal	5. City Council direct the City Manager to forward this Item to the Federal Minister of Families, Children and Social Development and to the Minister Responsible for Canada Mortgage and Housing Corporation, to request program and financial support for the implementation of the Firgrove-Grassways revitalization project.	Housing	Staff Report	Federal	In Progress
26-Feb-20	2020	PH13.5	Plan to Create Supportive Housing Opportunities	2. City Council urge the Provincial Government to take immediate action to address the discrepancy in availability of emergency shelter services across the Greater Toronto Area region that results in many people from underserved municipalities creating additional pressures on Toronto's emergency shelter system, including: a. requiring municipal governments receiving Community Homelessness Prevention Initiative funding to build new shelters that provide sufficient capacity to accommodate their local homeless populations; and b. creating an additional demand-based funding stream for shelter services that is responsive to sudden increases in demand for services in local communities.	Housing	Motion at Council	Provincial	In Progress
26-Feb-20	2020	PH13.5	Plan to Create Supportive Housing Opportunities	3. City Council request the Provincial Government to convene a regional table of municipal service managers in the Greater Toronto Area with the objective of: a. developing a regional strategy to address homelessness to improve service outcomes for clients, given the frequency that people move across municipal boundaries in the Greater Toronto area; b. ensuring adequate emergency shelter service levels are available in each community so that people who experience homelessness are able to access services in their local communities and maintain connections to their existing support networks; c. improving information sharing about available services and establishing appropriate referral processes, given the pressures on Toronto's shelter system; d. identifying pathways to connect people with services in their home communities, where appropriate, in order to facilitate family re-unification and community connections; and e. developing coordinated service responses to homelessness that ensures people are able to access services that best meet their needs and are re-connected to housing and supports as quickly as	Housing	Motion at Council	Provincial	In Progress

Attachment 1 - Point-in-Time Review of Existing Intergovernmental Requests (Dec 2018-2020)

Meeting Date	Year	Item	Report Title	Ask(s) /Decision(s)	Category/Theme	Origin of Request	Level of Government	Decision Status
19-Feb-20	2020	EX13.1	2020 Property Tax Rates and Related Matters	13. City Council request the Chief Financial Officer and Treasurer to request the Province of Ontario to review the "ranges of fairness" for tax ratios and regulations that tax ratios for commercial, industrial and multi-residential properties can only stay the same or be reduced but cannot be increased.	Financial Sustainability	Motion at Council	Provincial	In Progress
29-Jan-20	2020	IE11.3	Federal Funding for Tree Planting in the City of Toronto	1. City Council request the Federal Government to provide \$4,000,000 in annual funding to Urban Forestry to assist the City in achieving its 40 percent tree canopy target through a combination of: a. enhancing planting of the existing canopy; b. increasing planting on public lands; c. increasing planting on private lands; d. intensifying invasive species, plant, and pest mitigation efforts; e. reinforcing measures outlined in the Toronto Ravine Strategy to improve ravine water, soil, and plant conditions; and f. reaching out to local school boards and all schools in Toronto to engage in school/City-supported tree planting initiatives.	Climate Change	Motion at Committee	Federal	In Progress
29-Jan-20	2020	IE11.3	Federal Funding for Tree Planting in the City of Toronto	2. City Council request the Federal Government to provide additional funding for 10 million new trees to be planted in Toronto in the next three years.	Climate Change	Motion at Committee	Federal	In Progress
29-Jan-20	2020	EX12.1	Ravine Strategy Implementation	14. City Council direct that updates on the Ravine Strategy Implementation include, but not be restricted to: c. ways to engage the City's private ravine land owners to adopt stewardship initiatives for their properties and leverage existing provincial programs if feasible.	Climate Change	Motion at Council	Provincial	In Progress
29-Jan-20	2020	EX12.3	Toronto-Ontario Transit Partnership - Status Update	1. City Council advise the Province of Ontario of its expectation that inclusionary zoning be applied in Major Transit Station Areas, as articulated in Bill 108, and is prioritized in the review of Transit Oriented Development proposals in order to ensure that we are building as many permanently and deeply affordable housing units along major transit lines as possible in Toronto.	Mobility	Motion at Committee	Provincial	In Progress
29-Jan-20	2020	EX12.3	Toronto-Ontario Transit Partnership - Status Update	2. City Council request the Province of Ontario to require a full, formal Transit Project Assessment Process, as detailed in the current Ontario Regulation 231/08, Transit Projects and Metrolinx Undertakings (Transit Projects Regulation) and the Environmental Assessment Act, for the Ontario Line.	Mobility	Motion at Council	Provincial	Not Achieved
29-Jan-20	2020	EX12.3	Toronto-Ontario Transit Partnership - Status Update	3. City Council request the Province of Ontario, if it makes changes to environmental assessment legislation for the delivery of transit projects, to retain the best practices and community consultation principles that are foundational to the Transit Project Assessment Process.	Mobility	Motion at Council	Provincial	In Progress
29-Jan-20	2020	EX12.3	Toronto-Ontario Transit Partnership - Status Update	5. City Council direct the City Manager to include in the negotiation of Toronto-Ontario Transit Partnership agreements with the Province, a provision for Provincial funding and/or programs to mitigate the impacts of construction on small and medium-sized enterprises, including options for compensation for lost business.	Mobility	Motion at Council	Provincial	In Progress
29-Jan-20	2020	EX12.3	Toronto-Ontario Transit Partnership - Status Update	6. City Council request the City Manager to negotiate with the Province of Ontario to accelerate the three-stop Scarborough Subway.	Mobility	Motion at Council	Provincial	In Progress
29-Jan-20	2020	EX12.3	Toronto-Ontario Transit Partnership - Status Update	7. City Council direct the Deputy City Manager, Infrastructure and Development Services, in the formulation of any agreements between the City and the Province related to the approval process for Transit Oriented Development, to ensure that the following principles are included: a. the City's land use authority and responsibility for planning approvals are respected; b. Transit Oriented Development project sites are appropriately scoped as properties above or in close proximity to transit stations with development directly related to the transit stations; and c. Transit Oriented Development proposals take into account potential adverse precedents and implications for other development sites.	Mobility	Motion at Council	Provincial	In Progress

17-Dec-19	2019	PH11.5	HousingTO 2020-2030 Action Plan	9. City Council request the Provincial Government take the following actions to mitigate the rising number of homeless persons in Toronto: a. identify Provincially-owned space which could be made available for emergency homeless shelter this winter and, should City staff request these sites on a short-term basis, immediately provide them for this use; b. require municipal governments receiving Community Homelessness Prevention Initiative (CHPI) funding to build new shelters that provide sufficient capacity to accommodate their local homeless populations; c. immediately expand funding to create new supportive housing units in the City of Toronto to transition people experiencing homelessness from shelters to permanent housing; d. create a specific funding stream for shelter services in Toronto that is responsive to sudden increases in demand for services, and in recognition that many people from underserved municipalities are accessing Toronto's emergency shelter system; and e. provide equal rent scales for Ontario Works/Ontario Disability Support Program recipients regardless of what type of housing they reside in	Housing	Motion at Council	Provincial	In Progress
17-Dec-19	2019	PH11.5	HousingTO 2020-2030 Action Plan	10. City Council request the City Manager to forward the HousingTO 2020-2030 Action Plan to the Federal Minister of Families, Children and Social Development and Minister Responsible for Canada Mortgage and Housing Corporation, including a list of recommended actions in Attachment 3 to the report (November 26, 2019) from the Deputy City Manager, Community and Social Services and estimated costs to: a. inform current and future housing policies, programs and initiatives; and b. request continuation of existing programs to 2030 as well as new and enhanced investments in Toronto in the amount of \$6.4 billion in federal investments from 2020-2030 to address the housing crisis impacting the health, socio- economic and environmental well-being of residents in the City, the region and the country as a whole.	Housing	Staff Report	Federal	In Progress
17-Dec-19	2019	PH11.5	HousingTO 2020-2030 Action Plan	11. City Council request the Federal Government take the following actions to mitigate the rising number of homeless persons in Toronto: a. identify Federally-owned spaces which could be made available for emergency homeless shelter this winter and, should City staff request these sites on a short term basis, immediately provide them for this use; b. develop a federally administered system to house refugee/asylum claimants who arrive in Toronto without adequate housing; c. create a predictable funding regime to ensure the city is quickly reimbursed for its expenditures for providing temporary housing for refugee/asylum claimants; and d. immediately expand funding to create new supportive housing units in the City of Toronto to transition people experiencing homelessness from shelters to permanent housing.	Housing	Staff Report	Federal	In Progress
17-Dec-19	2019	PH11.5	HousingTO 2020-2030 Action Plan	12. City Council request the Government of Canada to immediately fund and accelerate development of an Emergency Housing Allowance Fund to prevent additional people from falling into homelessness and to quickly move people out of shelters into permanent housing.	Housing	Motion at Council	Federal	Not Achieved
17-Dec-19	2019	PH11.5	HousingTO 2020-2030 Action Plan	16. City Council request the Federal and Provincial Governments, as part of their 2020 Budgets, to commit to capital and operating funding to support the creation of 1,800 new units of supportive housing annually, in order to reduce homelessness in Toronto.	Housing	Motion at Council	Provincial	In Progress

Attachment 1 - Point-in-Time Review of Existing Intergovernmental Requests (Dec 2018-2020)

Meeting Date	Year	Item	Report Title	Ask(s) /Decision(s)	Category/Theme	Origin of Request	Level of Government	Decision Status
17-Dec-19	2019	PH11.5	HousingTO 2020-2030 Action Plan	17. City Council request the City Manager to engage other levels of government in order to establish an Intergovernmental Working Group with a mandate to secure increased investment and support from the other levels of government to expedite the City's initiatives to address housing challenges and homelessness in Toronto.	Housing	Motion at Council	Joint	Not Achieved
17-Dec-19	2019	PH11.5	HousingTO 2020-2030 Action Plan	18. City Council request Provincial and Federal representatives to meet with City staff and appropriate stakeholders before January 15, 2020 to develop an immediate six-month action plan and strategy framework that expedites the City's initiatives to address housing challenges and homelessness in Toronto including: a. identifying the unaddressed low-income housing support gaps, including those of mental health and addictions, economic insecurity, long-term health issues and any challenge that may contribute to homelessness in Toronto; b. identifying and recommending programs, supports, and services that can be provided on an expedited basis by the appropriate levels of government respective to their jurisdictions but in collaboration with each other to prevent homelessness upstream and provide the current population with accessible options for dignified, stable, secure and supportive housing; and c. reporting on rapid re-housing and other coordinated approaches to quickly move people out of shelters and into permanent housing whenever possible and track performance indicators to demonstrate the effectiveness of this response and incorporate what is learned into next steps.	Housing	Motion at Council	Joint	Not Achieved
17-Dec-19	2019	TE11.5	1141 Bloor Street West, 980 Dufferin Street, and 90 Croatia Street - Official Plan Amendment and Zoning Amendment Application - Request for Directions Report	27. City Council authorize the Executive Director, Housing Secretariat to submit on behalf of the City request(s) to the Federal and/or Provincial Governments for any appropriate affordable housing program funding that may be or become available for Building F.	Housing	Staff Report	Joint	In Progress
26-Nov-19	2019	HL11.1	Community Violence in Toronto - A Public Health Approach	1. City Council urge the Federal Government to: a. prohibit the availability, sale, possession, and use of handguns, assault rifles, semi-automatic military assault weapons, and parts that are used to build firearms in Canada; and b. adequately fund its Initiative to Take Action Against Gun and Gang Violence and consult with the Federation of Canadian Municipalities' Big City Mayors' Caucus to ensure that there is support for community-level prevention and enforcement efforts.	People and Neighbourhoods	Staff Report	Federal	In Progress
26-Nov-19	2019	HL11.1	Community Violence in Toronto - A Public Health Approach	4. City Council request City Divisions and encourage the Provincial and Federal Governments to use the social determinants of health in applications for projects funded through granting programs/strategies, including the federal National Crime Prevention Strategy.	People and Neighbourhoods	Staff Report	Joint	In Progress
26-Nov-19	2019	MM12.3	Creating a Dedicated Fund to Enhance Municipal Asset Management Planning - by Councillor Paul Ainslie, seconded by Councillor Shelley Carroll	1. City Council direct the City Manager to write to the Ontario Minister of Finance, in support of the Ontario Good Roads Association, to request the Government of Ontario to create a dedicated entitlement-based fund, such fund to provide municipalities with the capital they need to enhance their asset management plans and ensure that Ontario's municipalities are creating plans that promote asset management planning while also creating the knowledge and insights the Government of Ontario needs to ensure its investments are optimized.	Mobility	Member Motion	Provincial	Not Achieved
26-Nov-19	2019	MM12.3	Creating a Dedicated Fund to Enhance Municipal Asset Management Planning - by Councillor Paul Ainslie, seconded by Councillor Shelley Carroll	2. City Council direct the City Manager to request the Government of Ontario to engage a working group of stakeholders, including municipal representation, to assist in the design and testing of a dedicated entitlement-based fund.	Mobility	Member Motion	Provincial	Not Achieved

26-Nov-19	2019	MM12.26	Mandatory Safety Test for All Province of Ontario Truck Drivers - by Councillor Paul Ainslie, seconded by Councillor Josh Matlow	2. City Council request the Province of Ontario to review the current licencing requirements to ensure that all Ontario Commercial Truck Operators undergo periodic safety training.	Mobility	Member Motion	Provincial	In Progress
26-Nov-19	2019	MM12.29	Bill 138 - Preliminary City Comments - by Councillor Ana Bailão, seconded by Councillor Paula Fletcher	3. City Council request the Province to include legislative authority to register agreements on title to the land to which it applies for in-kind contributions, allowing the municipality to enforce the provision of the agreement against the owner, and any and all subsequent owners of the lands.	Financial Sustainability	Staff Report	Provincial	Not Achieved
26-Nov-19	2019	MM12.29	Bill 138 - Preliminary City Comments - by Councillor Ana Bailão, seconded by Councillor Paula Fletcher	4. City Council request the Province to include legislative authority to register priority lien agreements against the land to which it applies for Development Charges deferrals, allowing the municipality to enforce the provision of the agreement against the owner, and any and all subsequent owners of the land, including the requirement for adequate security.	Financial Sustainability	Staff Report	Provincial	Not Achieved
26-Nov-19	2019	MM12.29	Bill 138 - Preliminary City Comments - by Councillor Ana Bailão, seconded by Councillor Paula Fletcher	5. City Council request the Province to reinstate a municipality's authority to apply the Inclusionary Zoning provisions of the Planning Act more broadly than in Protected Major Transit Station and Minister ordered Development Permit System areas.	Financial Sustainability	Staff Report	Provincial	Not Achieved
26-Nov-19	2019	MM12.29	Bill 138 - Preliminary City Comments - by Councillor Ana Bailão, seconded by Councillor Paula Fletcher	6. City Council request the Province to remove the provision for appeal rights of the municipality's Community Benefits Charge by-law and use the forthcoming Community Benefits Charge Regulation to provide transparency on the components and maximum value of the charge and required consultation.	Financial Sustainability	Staff Report	Provincial	Not Achieved
26-Nov-19	2019	MM12.29	Bill 138 - Preliminary City Comments - by Councillor Ana Bailão, seconded by Councillor Paula Fletcher	7. City Council request the Province to remedy the fundamental structural issues of using a land value tool to address cost recovery based services for the 'soft' Development Charges and Section 37 portions of the Community Benefits Charge by-law and to retain separate provisions for parkland dedication under the Planning Act, in order to ensure revenue neutrality for municipalities.	Financial Sustainability	Staff Report	Provincial	Not Achieved
26-Nov-19	2019	MM12.29	Bill 138 - Preliminary City Comments - by Councillor Ana Bailão, seconded by Councillor Paula Fletcher	9. City Council request the Province to provide for the minimum of two years from the date of the proclamation of the new Community Benefits provisions in the Planning Act for municipalities to bring a Community Benefits Charge by-law into force.	Financial Sustainability	Staff Report	Provincial	Not Achieved
26-Nov-19	2019	MM12.33	Protecting Tenants from unfair rent increases in new builds - by Councillor Frances Nunziata, seconded by Councillor Brad Bradford	1. City Council request the Province of Ontario to reinstate rules limiting rent increases, as prescribed in Sec. 120 (1) of the Ontario Residential Tenancies Act, 2006, for all new rental units occupied for residential purposes.	Housing	Member Motion	Provincial	In Progress
26-Nov-19	2019	MM12.21	Ending Homelessness - Building New Supportive Housing Now - by Councillor Joe Cressy, seconded by Councillor Kristyn Wong-Tam	2. City Council call on the Provincial and Federal Governments to each commit to providing funding to meet the Council-approved target of building 18,000 new units of supportive housing over the next 10 years, 1,800 per year, to assist in addressing the City of Toronto's growing homelessness crisis.	Housing	Motion at Council	Joint	In Progress
26-Nov-19	2019	MM12.21	Ending Homelessness - Building New Supportive Housing Now - by Councillor Joe Cressy, seconded by Councillor Kristyn Wong-Tam	3. City Council call on the Provincial Government to commit to providing new operating funding for 18,000 new units of supportive housing over the next 10 years, 1,800 per year, to assist in addressing the City of Toronto's growing homelessness crisis.	Housing	Motion at Council	Provincial	In Progress

Attachment 1 - Point-in-Time Review of Existing Intergovernmental Requests (Dec 2018-2020)

Meeting Date	Year	Item	Report Title	Ask(s) /Decision(s)	Category/Theme	Origin of Request	Level of Government	Decision Status
26-Nov-19	2019	MM12.32	Request to Health Canada to Improve the Process for Issuing Personal Medical Cannabis Licences - by Councillor Michael Thompson, seconded by Councillor Michael Ford	1. City Council request Health Canada to amend regulations under the Cannabis Act to: a. ensure that all cannabis production facilities adhere to municipal zoning regulations prior to the issuance of a registration certificate; b. ensure that personal medical cannabis production does not occur commercially, including considering setting limits on the maximum number of plants per premise for personal use medical cannabis production; and c. ensure medical documents submitted to Health Canada for the purposes of growing medical cannabis are valid, including a mechanism to identify and validate documents that prescribe a particularly large amount of cannabis for medical purposes.	People and Neighbourhoods	Member Motion	Federal	In Progress
26-Nov-19	2019	MM12.10	Building Net Zero Buildings Now - by Councillor Mike Layton, seconded by Councillor Jennifer McKelvie	3. City Council, as estimates of cost become available, request the Federal Government to provide ongoing funding to support the transition to net zero buildings, as part of a funding ask to support Toronto's commitment to be net zero.	Climate Change	Member Motion	Federal	In Progress
29-Oct-19	2019	EX9.1	Toronto-Ontario Transit Update	5. Subject to entering into the Preliminary Agreement, and in anticipation of the realization of the City's project expectations including project benefits as described in the report (October 15, 2019) from the City Manager, City Council endorse the re-allocation of the federal funding under the Investing in Canada Infrastructure Program Public Transit Infrastructure Fund Phase 2 in accordance with the following, and direct the City Manager to advise the Government of Canada and the Province of Ontario accordingly: a. up to \$0.660 billion for the Province's proposed three-stop Line 2 East Extension as described in the 2019 Ontario Budget; and b. up to \$3.151 billion for the Province's proposed Ontario Line as described in the 2019 Ontario Budget and Initial Business Case.	Mobility	Staff Report	Joint	Achieved
29-Oct-19	2019	EX9.1	Toronto-Ontario Transit Update	9. City Council direct the City Manager to work with the Province of Ontario to identify all opportunities to accelerate the delivery of the expansion projects and to include an update on the measures taken in the City Manager's semi-annual update to City Council regarding the status of the provincial transit expansion program.	Mobility	Motion at Council	Provincial	In Progress
29-Oct-19	2019	EX9.1	Toronto-Ontario Transit Update	11. 26-Feb-19	2019	PH2.4	Proposed Amendments to the Growth Plan for the Greater Golden Horseshoe, 2017 - Preliminary City Comments	2. City Council request the Province to revise Proposed Amendment 1 of the Growth Plan, 2017, policies and mapping to recognize and include additional Provincially Significant Employment Zones in the City of Toronto, including the City's major office parks.	People and Neighbourhoods	Staff Report	Provincial	Not Achieved
26-Feb-19	2019	PH2.4	Proposed Amendments to the Growth Plan for the Greater Golden Horseshoe, 2017 - Preliminary City Comments	3. City Council request the Province to include additional Employment Areas within the City of Toronto as Provincially Significant Employment Zones as identified in Attachments 1 through 6 to the supplementary report (February 25, 2019) from the Chief Planner and Executive Director, City Planning.	People and Neighbourhoods	Motion at Council	Provincial	Not Achieved
26-Feb-19	2019	PH2.4	Proposed Amendments to the Growth Plan for the Greater Golden Horseshoe, 2017 - Preliminary City Comments	4. City Council request the Province to enact a Regulation to permit the use of conditional zoning, pursuant to Section 113 of the City of Toronto Act, 2006 that would enable the City to require and secure employment space to be provided prior to, or concurrent with any non-employment uses, including residential.	People and Neighbourhoods	Motion at Council	Provincial	Not Achieved
26-Feb-19	2019	PH2.4	Proposed Amendments to the Growth Plan for the Greater Golden Horseshoe, 2017 - Preliminary City Comments	5. City Council request the Province to revise Proposed Amendment 1 to the Growth Plan, 2017, to recognize the Ontario Food Terminal as a Provincially Significant Employment Zone, which plays a pivotal role in the provincial agri-food network.	People and Neighbourhoods	Staff Report	Provincial	Not Achieved
26-Feb-19	2019	PH2.4	Proposed Amendments to the Growth Plan for the Greater Golden Horseshoe, 2017 - Preliminary City Comments	6. City Council request the Province to revise Proposed Amendment 1 to the Growth Plan by using the previous definition of Office Parks in the Growth Plan, 2017, in order for Office Parks to continue to be designated as Employment Areas in the Official Plan.	People and Neighbourhoods	Staff Report	Provincial	Not Achieved
26-Feb-19	2019	PH2.4	Proposed Amendments to the Growth Plan for the Greater Golden Horseshoe, 2017 - Preliminary City Comments	7. City Council request the Province to revise Proposed Amendment 1 to the Growth Plan, 2017, to recognize all five of Toronto's Office Parks as Provincially Significant Employment Zones.	People and Neighbourhoods	Staff Report	Provincial	Not Achieved
26-Feb-19	2019	PH2.4	Proposed Amendments to the Growth Plan for the Greater Golden Horseshoe, 2017 - Preliminary City Comments	8. City Council request the Province to revise Proposed Amendment 1 to the Growth Plan, 2017, to: a. allow municipalities to require an applicant to retain space for employment uses, including hotels, where employment uses had previously existed, as part of their development application, where the municipality has in-effect official plan policies indicating where and under what redevelopment criteria (location, size, use, phasing of development) such an employment replacement policy would apply; and b. allow municipalities to also set minimum employment space thresholds for new development in mixed use areas where no employment uses previously existed.	People and Neighbourhoods	Staff Report	Provincial	Not Achieved
26-Feb-19	2019	PH2.4	Proposed Amendments to the Growth Plan for the Greater Golden Horseshoe, 2017 - Preliminary City Comments	9. City Council advise the Province of its support to remove Prime Employment Area references from the Growth Plan, 2017.	People and Neighbourhoods	Staff Report	Provincial	Not Achieved
26-Feb-19	2019	PH2.4	Proposed Amendments to the Growth Plan for the Greater Golden Horseshoe, 2017 - Preliminary City Comments	10. City Council advise the Province of its support to change the Growth Plan, 2017, to remove the mandatory requirement that each municipality develop an employment strategy and replace this requirement with amended policies that require municipalities to adopt official plan amendments prescribing a number of employment-related actions ensuring their protection.	People and Neighbourhoods	Staff Report	Provincial	Achieved
26-Feb-19	2019	PH2.4	Proposed Amendments to the Growth Plan for the Greater Golden Horseshoe, 2017 - Preliminary City Comments	11. City Council request the Province to revise Proposed Amendment 1 to the Growth Plan, 2017, to reinstate the Growth Plan definition of a Major Transit Station Area by removing the reference to a proposed 500- to 800-metre radius range and reinstating the 500-metre radius requirement.	People and Neighbourhoods	Staff Report	Provincial	Not Achieved
26-Feb-19	2019	PH2.4	Proposed Amendments to the Growth Plan for the Greater Golden Horseshoe, 2017 - Preliminary City Comments	12. City Council request the Province to revise Proposed Amendment 1 to the Growth Plan, 2017, wording for Policy 2.2.4.4.b. by deleting the word "high" from the proposed policy so that "high ridership" is not a qualifier for lower density target consideration. Meeting Date	Year	Item	Report Title	Ask(s) /Decision(s)	Category/Theme	Origin of Request	Level of Government	Decision Status
26-Feb-19	2019	PH2.4	Proposed Amendments to the Growth Plan for the Greater Golden Horseshoe, 2017 - Preliminary City Comments	13. City Council request the Province to include a new policy in the Growth Plan to clarify that where an overlap occurs between the City's designated Employment Areas and potential Major Transit Station Areas, the Growth Plan's Employment policies take precedence and the established minimum density targets for Employment Areas, required by proposed policy 2.2.5.13.a would prevail over any other established density target, including those for Major Transit Station Areas and others, in order to ensure the protection and preservation of the City of Toronto's finite employment land base.	People and Neighbourhoods	Staff Report	Provincial	Not Achieved
26-Feb-19	2019	PH2.4	Proposed Amendments to the Growth Plan for the Greater Golden Horseshoe, 2017 - Preliminary City Comments	14. City Council request the Province to revise Proposed Amendment 1 to the Growth Plan, 2017, to reinstate Growth Plan Policy 2.2.2.4.a., which makes reference to encouraging intensification to achieve the desired urban structure, instead of Policy 2.2.2.3.c. proposed in Amendment 1 to the Growth Plan, 2017.	People and Neighbourhoods	Staff Report	Provincial	Not Achieved
26-Feb-19	2019	PH2.4	Proposed Amendments to the Growth Plan for the Greater Golden Horseshoe, 2017 - Preliminary City Comments	15. City Council request the Province to revise Proposed Amendment 1 to the Growth Plan, 2017, to reinstate Growth Plan Policy 2.2.1.4.e., which ensures the development of a high quality compact built form, an attractive and vibrant public realm through site design and urban design standards.	People and Neighbourhoods	Staff Report	Provincial	Not Achieved
26-Feb-19	2019	PH2.4	Proposed Amendments to the Growth Plan for the Greater Golden Horseshoe, 2017 - Preliminary City Comments	16. City Council request the Province to modify O. Reg. 311/06 to add Official Plan Amendment 231 as a matter in process that was approved under the previous Growth Plan, 2006, as amended in 2013, but is currently under appeal at the Local Planning Appeal Tribunal.	People and Neighbourhoods	Staff Report	Provincial	Not Achieved
26-Feb-19	2019	PH2.4	Proposed Amendments to the Growth Plan for the Greater Golden Horseshoe, 2017 - Preliminary City Comments	17. City Council request the Province to modify O. Reg. 311/06 to add any decision made by Toronto City Council on the day before the enactment of the proposed Growth Plan Amendment, except those matters (Official Plan Amendment 231) identified in Part 16 above, as matters in process that are subject to the current Growth Plan 2017, but are currently under appeal at the Local Planning Appeal Tribunal.	People and Neighbourhoods	Staff Report	Provincial	Not Achieved
26-Feb-19	2019	PH2.6	Providing Certainty in the Planning Appeals Process: Clearing the Backlog at the Local Planning Appeal Tribunal	1. City Council request the Government of Ontario to increase funding for the Local Planning Appeal Tribunal in order for Tribunals Ontario to appoint a team of temporary (and possibly permanent) adjudicators, mediators and other staff necessary to alleviate the current backlog of hearings, and in particular hearings intended to adjudicate major policy matters and development applications that would result in the delivery of housing units to the City.	People and Neighbourhoods	Letter from Councillor to Committee	Provincial	In Progress
26-Feb-19	2019	PH2.6	Providing Certainty in the Planning Appeals Process: Clearing the Backlog at the Local Planning Appeal Tribunal	2. City Council advise the Ministry of Municipal Affairs and Housing that the City objects to the closure of the Local Planning Appeal Support Centre.	People and Neighbourhoods	Motion at Council	Provincial	Not Achieved
26-Feb-19	2019	PH2.6	Providing Certainty in the Planning Appeals Process: Clearing the Backlog at the Local Planning Appeal Tribunal	3. City Council request the Local Planning Appeal Tribunal to give priority to the City of Toronto's municipal comprehensive review policy hearings and to concluding the adjudication process with regard to the City's comprehensive Zoning By-law, in order to bring into force an enabling up-to-date municipal Official Plan Policy and implementation framework which will then assist Local Planning Appeal Tribunal adjudicators in their adjudication of site or area specific planning applications and would enable the City to advance additional area specific zoning frameworks to implement new official plan policies.	People and Neighbourhoods	Letter from Councillor to Committee	Provincial	Not Achieved
