

## **Port Lands OPM OLT Appeals (Phase 2) - Request for Direction Report**

**Date:** December 7, 2021

**To:** City Council

**From:** City Solicitor

**Wards:** Ward 14

### **REASON FOR CONFIDENTIAL INFORMATION**

---

This report concerns litigation that affects the City of Toronto. This report contains advice or communications that are subject to solicitor-client privilege.

### **SUMMARY**

---

The Port Lands Official Plan Modification (the "Port Lands OPM" or "OPM") was first endorsed by City Council in December of 2017. Several appellants of the Central Waterfront Secondary Plan ("OPA 257" or "CWSP"), including public agencies, existing industries, and private owners with development aspirations, raised issues with the Port Lands OPM. Given the large number of parties and issues, the hearing of the Port Lands issues was planned to be phased. The first phase dealt with Land Use and Transportation matters, and was resolved through negotiation and settlement discussions, resulting in Decisions and Orders of the Local Planning Appeal Tribunal in March and May of 2021, commending the City and the parties and approving the OPM in part.

The remaining issues to be litigated include matters related to: Urban Design Standards & Heritage; Sustainability and Biodiversity; Infrastructure (Community and Hard Servicing) & Implementation; and Hydro-specific Issues. A six-week hearing is scheduled for May and June, 2022 to deal with any outstanding issues (the Port Lands OPM Hearing (Phase 2)).

The purpose of this report is to seek instructions in respect of the Port Lands OPM Hearing (Phase 2). City Planning has been involved in the preparation of this report.

## DECISION HISTORY

---

On December 5, 6, 7 and 8, 2017, City Council considered Item PG24.6, which, amongst other matters pertaining to the Port Lands Planning Initiatives, directed the City Solicitor to request the Ontario Municipal Board (now Ontario Land Tribunal, "OLT" or "Tribunal") to modify the former City of Toronto Official Plan and CWSP substantially in accordance with the Port Lands OPM, and to implement the Port Lands OPM at the on-going CWSP appeals proceedings before the OLT as appropriate.

Throughout 2019, 2020 and 2021, the parties to the Port Lands OPM Hearing worked together to structure the Port Lands OPM hearing in phases, and to resolve the Phase 1 hearing issues. City Council considered a number of reports from the City Solicitor and endorsed a number of proposed policy modifications that resolved the Phase 1 issues and resulted in the issuance of a partial approval of the OPM, as set out in written Decisions and Orders of the Tribunal issued on March 8 and May 18, 2021 in Tribunal Case No: PL030514.
