The personal information on this form is collected under the authority of the Municipal Elections Act, S.O. 1996, Chp. 32 Sched, ss. 88. This information is used for the purpose of applying for a compliance audit of a candidate's or registered third party advertiser's election campaign finances. Your information will be filed with the City Clerk and will be available online through the Toronto Meeting Management Information System (TMMIS) and for public inspection by any person at the City Clerk's Office at a time when the office is open. Questions about this collection can be directed to Project Manager, 89 Northline Rd., Toronto, ON M4B 3G1 or by phone at 416-338-1111.

The financial statement the candidate filed on March 11, 2021 (here referred as "the Statement") was incorrect and incomplete, and did not comply with the Municipal Elections Act., 1996 (here referred as "the Act").

1. The statement disclosed that the candidate only received contributions of goods (450 pieces of used sign wood stakes, valued at \$1350.00, \$3.00 each and 200 pieces of used sign H-stands valued at \$200, \$1.00 each) from herself. Although she recorded such contributions as expenses, the candidate did not include the said receipts when she filed the statement and participated in the contribution rebate program. (Attachments M1-M14: Financial Statement filed by the candidate.)
2. The candidate did not disclose the contributions of any used signs. The candidate was running for the office of School Trustee in 2018 Election and elected. Attachment M15 (Invoice #2305, dated 18/12/2020 from Print Resources Group) revealed that the candidate got sign stickers/labels printed for 1190 signs (420+200+570). It suggested that the candidate had these 1190 used signs, but the statement did not disclose expenses of these 1190 used signs.
3. Attachment M16 (Invoice # 2020703. Dated December, 9, 2020) showed that the candidate purchased 3000 lawn signs and 1200 elections signs. There were 3000 lawn

signs and 1390 election signs used in the campaign, requiring 3000 H-stands and at 2780 stakes to set up all these signs.

4. Attachment 17 indicated that the candidate rented 150 sign stakes and 250 sign H-stands from Toronto Danforth Federal NDP; Attachment M18 indicated that the candidate rented 100 sign stakes and 250 H-stands from University Rosedale Provincial NDP; Attachment 19 indicated that the candidate rented 500 H-stands from Beaches East York Federal NDP. These 250 stakes and 1000 H-stands were claimed to rentals ---- Did these DNP associations run renting services? Or were they providing ineligible contributions to the candidate campaign?
5. The candidate only disclosed the said expenses of 700 (450+250) stakes and 1200 (200+1000) H-stands. **The candidate did not disclose the expenses of 2080 (2780-700) sign stakes and 1800 (3000-1200) sign H-stands, valued at $\$3 \times 2080 + \$1 \times 1800 = \$8040$, according her own valuation, plus HST if newly purchased.**
6. The statement did not disclose that the candidate received contributions of endorsement services from Tasnim Maherall, Co-chair of Sir Samuel B Steele Jr Public School; Dr. Joseph Y.K. Wong, founder of the Yee Hung Foundation; All five Scarborough trustees. The candidate did not issue the receipts of the said contributions and record them as expenses. 2018 Candidates' guide for Onratio municipal council and school board elections (here referred as "the

guide") did exclude the things that are not contributions: the value of free political advertising, provided that such advertising is made available to all candidates and is in accordance with the Broadcasting Act (Canada) is not considered to a contribution. The said endorsements were made available only to the candidate.

7. The statement disclosed that only 17960 out of 74000 pieces of flyers were mailed to the households via Canada Post by Downsview Publishing and Distribution (Attachment M20-M21). The candidate did not disclose the receipt of Canada Post, therefore, how much discount the candidate campaign received through this mailing service of Downsview Publishing and Distribution remained unknown. The guide states: a corporation cannot make a contribution. If you are given a special discount on a good or service that you are purchasing for your campaign, you should record the expenses as if you were not given the discount (since the value of the discount is considered to be a contribution of the good or service to your campaign). Therefore, the discount and the service charges should be added to the expenses.
8. The candidate disclosed that she hired about 11 phone bankers, but did not disclose expenses of the campaign line installation (Attachments M22-M33).
9. The candidate disclosed the professional expenses of Bruno Marchese (Attachment M34-M37). The invoices indicated that Bruno managed all booking matters for the campaign,

3

including managing the bank account, receiving donations, paying for invoices, dealing with the city clerk and their EFFE system. Most of the services were for the campaign until the voting day. Accounting charge of \$215.07 was after the voting day.

10. The statement disclosed that the candidate received funds of \$71992.67(\$13677.66 + \$58315.01) from her supporters. As she did not disclose the details of these funds, how much of the funds were borrowed from her supporters' credit card companies. These funds were loans, rather than contributions. Whether these loans had been paid back to the credit card companies during his campaign remains unknown. The statement disclosed that there were \$1948.85 merchant bank fees. The processing expenses of these loans were the campaign expenses, and so were the interest expenses of the loans. The guide only permits the candidate to get a loan from a bank or other recognized institutions in Ontario, and it must be paid directly into the candidate's campaign account. The candidate may not receive a loan from family members, let alone the supporters.

11. The statement disclosed that the candidate received \$13677.66, the total contribution from each contribution of \$100 or less. The candidate disclosed that there were only \$56.36 bank charges incurred until voting day. The candidate received more than 300 counts of contributions. That suggested that most of the contributions were

processed by the merchant bank who deposited big amounts of the funds into the candidate's campaign account.

12. The statement did not disclose the bank statements of his campaign account, therefore, whether the candidate deposited every contribution into his campaign account or paid every expense from his campaign account including any of the bank charges, remained unknown.

- provide an opinion as to the completeness and accuracy of the financial statement and whether it is free of material misstatement

 Report is attached

Personal information, if any, collected on this form is obtained under the authority of sections 88.25 and 95 of the *Municipal Elections Act, 1996*. Under section 88 of the *Municipal Elections Act, 1996* (and despite anything in the *Municipal Freedom of Information and Protection of Privacy Act*) documents and materials filed with or prepared by the clerk or any other election official under the *Municipal Election Act, 1996* are public records and, until their destruction, may be inspected by any person at the clerk's office at a time when the office is open. Campaign financial statements shall also be made available by the clerk in an electronic format free of charge upon request.

**INDEPENDENT AUDITORS' REPORT
PURSUANT TO SECTION 88.25 OF THE MUNICIPAL ELECTIONS ACT, 1996**

To: ULLI S. WATKISS, Clerk, City of Toronto

Qualified Opinion

We have audited the accompanying financial statement (Form 4) of Manna Wong, candidate, for the campaign period from from September 9, 2020 to March 1, 2021 relating to the election held on January 15, 2021, and Box C: Statement of Campaign Period Income and Expenses for the period and Box D: Calculation of Surplus or Deficit. The financial information has been prepared by Manna Wong, the candidate, based on the financial reporting provisions of Section 88.22 of the Municipal Elections Act, 1996.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statement presents fairly, in all material respects, the income and expenses of Manna Wong for the campaign period September 9, 2020 to March 1, 2021 in accordance with the financial reporting provisions of Section 88.22 of the Municipal Elections Act, 1996

Basis for qualified opinion

Due to the inherent nature of the transactions of electoral campaigns of this type, the completeness of the various categories of income and expenses is not susceptible to satisfactory audit verification. Accordingly, our verification of income and expenses was limited to the amounts recorded in the records of Manna Wong and we were not able to determine whether any adjustments might be necessary to income, expenses and surplus/deficit for the period September 9, 2020 to March 1, 2021 .

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statement section of our report. We are independent of Manna Wong in accordance with the ethical requirements that are relevant to our audit of financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Basis of Accounting

Without modifying our qualified opinion, we draw attention to the fact that the financial statement is prepared to assist the candidate to meet the requirements of the Municipal Elections Act, 1996, and as a result, the financial statement may not be suitable for another purpose.

Responsibilities of Management and Those Charged with Governance for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with financial reporting provisions of Section 88.22 of the Municipal Elections Act, 1996, and for such internal control as management determines is necessary to enable the preparation of the financial statement that is free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing Manna Wong's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial statement.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgement and maintain professional skepticism throughout the audit.

Mic
3/6

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Manna Wong's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Evaluate the overall presentation, structure and content of the financial statement, including the disclosures, and whether the financial statement represent the underlying transactions and events in a manner that achieves fair presentation.

I have known Manna for four years. She is a wonderful person inside and out. She will listen to all the concerns the community has and will take action where needed. So give your vote to Manna come election day!

Tasnim Maherali
School Council
Co-Chair of Sir Samuel B Steele Jr Public School

As your City Councillor, I will get things done:

- ✓ I will push for faster public transit, including for the Sheppard subway and more reliable bus service
- ✓ I will fight to ensure that development is done responsibly and puts community first
- ✓ I will finally break the logjam to get the Bridletowne Hub built
- ✓ I will push for the province to give the City a bigger role in deciding where marijuana shops are located in our neighbourhoods
- ✓ I will work to improve road safety, particularly around our local schools

為你的市議員，我承諾：

- ✓ 推動更快的公共交通，包括雪柏地鐵
- ✓ 打破僵局，建成Bridletown社區中心
- ✓ 向省府爭取加強社區控制大麻店的能力
- ✓ 改善道路安全保護兒童及老人家
- ✓ 加多圖書館和社區中心的服務

Manna's advocacy has helped to make our community better. Her work on the "Save the Grace" campaign helped to save Birchmount Hospital. Now, she is supporting concerned family members fighting for seniors at the Tendercare seniors' home.

我認識黃婉貞多年，她是我們華人的傑出女性。作為教育委員，她工作中兢兢業業，經常訪問家長，平易近人。她尤其對老年人尊敬，熱愛長者，積極幫助困難老人。如當選市議員，黃婉貞一定會照顧社區，為居民辦實事。請投黃婉貞一票！

馬慧傑，22區居民，亞聯總會老年協會會長

Dear neighbour,

I have served our community as Public School Trustee since 2014, and was re-elected in 2018.

Scarborough-Agincourt has been my home for the past 27 years. It is where I raised my four sons. Like many residents in Scarborough-Agincourt, I immigrated to Canada 40 years ago and understand that public services must be accessible to all.

As a devoted and hard-working community advocate since the 1980s, I have dedicated myself to the frontline work of improving public transit, housing, job security, and pensions.

Over 25 years of public service in our community I have helped thousands of individuals by cutting through red tape and helping to solve their problems.

I hope that I can count on your support so that I can continue fighting for our community at City Hall.

Sincerely,

Manna Wong

Manna Wong

Manna has helped thousands of people over her 25+ years of community service at different levels of government. She has the experience to get started on day 1 on the job.

During her time as School Trustee, Manna has helped to fix schools, reduce overcrowding and made roads safer through Vision Zero initiatives around schools.

Norma and Terri Lynn Platt
Longtime Agincourt residents

We think the world of Manna. She is someone who cares deeply about people and works hard in everything she does.

Manna Wong is the kind of fighter Scarborough needs at City Hall!
