Dear Ms. Meharry:

Re: Compliance Audit Application, Nick Mantas, July 21, 2021

I will be representing Councillor Mantas at the Compliance Audit Committee Hearing next week.

I note that the Application materials provided by Mr. Lin contain a clear reference to the home address of my client, a sitting City of Toronto Councillor, at page 26 (paragraph 6) of the document. I do understand that the starting point for such information is that it is public, and that an Application can be made for the redaction of such information, which would then be placed on the agenda for the Committee to consider.

I am advised by Ms. Regan that the Application is to be posted on the Committee's webpage at some time tomorrow, July 14, 2021. I would respectfully request that, prior to that happening, the Committee consider my request that the personal address of Mr. Mantas be redacted from the document, before it is posted.

Thank you very much for your kind attention to this matter.

Yours very truly,

Blaney McMurtry LLP
