

Occupational Health and Safety Report - 2nd Quarter 2021

Date: September 14, 2021

To: The Board of Governors of Exhibition Place

From: Don Boyle, Chief Executive Officer

Wards: All

SUMMARY

This report provides information on the status of the Exhibition Place health and safety system, specifically on activities, priorities and performance during the second quarter of 2021.

There were 0 lost time injuries and a 100% decrease in medical aid injuries in Q2 2021 relative to Q2 2020.

Workplace Safety and Insurance Board (WSIB) invoiced costs for Q2 2021 were approximately 28% higher to those in Q2 2020. This is attributable to an increase in Long Term Disability costs.

RECOMMENDATIONS

The Chief Executive Officer recommends that:

1. The Board receive this report for information.

FINANCIAL IMPACT

There are no financial impacts to this report.

DECISION HISTORY

The Exhibition Place 2017 - 2019 Strategic Plan had a Safety and Security Goal to promote safe work practices for all staff, and as a Strategy to support this Goal we will implement effective programs and procedures to achieve “zero” lost time injuries.

COMMENTS

Pursuant to the Occupational Health & Safety Act, section 25(1) and 26(1), the Board as the employer is responsible for taking every precaution reasonable for the safety of the workers. Also, as a local board of a municipality, the Board is a Schedule II employer for the purposes of workers compensation.

Injury and Accident Statistics

Number of Lost Time Injuries, Medical Aid Injuries, and Recurrences

Information on reported YTD Q2 2021 WSIB incidents (work-related injuries/illnesses) by service area is attached in Appendix A. Information is also provided for the years 2017 to 2020. This information includes:

- Number of lost time injuries: injuries/illnesses in which lost time was approved by the WSIB or is awaiting WSIB adjudication, as the employee has lost time from work as a result of a reported workplace injury;
- Number of recurrences: injuries/illnesses that were approved by the WSIB or are awaiting WSIB adjudication, as the employee has lost time as a result of a previously reported workplace injury/illness. No new incident has taken place; and
- Number of medical aids: injuries/illnesses in which health care only was approved by the WSIB or is awaiting WSIB adjudication, as the employee has either sought medical aid but not lost time from work as a result of a reported workplace injury or lost time has not been approved by the WSIB.

There were 0 lost time injuries in Q2 2021, which was the same as Q2 2020.

Recurrences

There were 0 recurrences in Q2 2021, which was the same as 2020.

Lost Time Injury (LTI) Frequency

LTI frequency represents the number of LTI events (lost time approved by the WSIB or pending WSIB adjudication decision) per 200,000 hours worked (100 employee-years). The trend in the Exhibition Place's LTI frequency during Q2 2021 relative to the frequency during the years 2017 to 2020 is provided in Figure 1 below. The Exhibition Place's Q2 2021 LTI frequency is 0.0, which was the same as 2020 (YTD). Frequency rates for service areas are reported in Appendix B.

Figure 1 - Lost Time Injury Frequency from 2017 to Second Quarter 2021

Injury Severity Rate

The injury severity rate is a standardized statistic that enables comparison, year-over-year, of the number of days lost relative to hours worked. Figure 2 below shows Exhibition Place's severity rate during Q2 2021 relative to the severity for the years 2017 to 2020. Exhibition Place's Q2 2021 injury severity rate is 0.00 which was the same as 2020 (YTD).

Figure 2 - Injury Severity from 2017 to Second Quarter 2021

The severity number represents the number of days lost per 100 employees in the year. Improvements are a reflection of reduced injury severity and effectiveness of return-to-work efforts.

Injury and Accident Costs

Overall costs incurred during 2021 (YTD Q2) are reported in Table 1 below.

Table 1 - WSIB Costs for period from 2017 to 2021 (YTD Q2)

2017	2018	2019	2020	2021
\$145,531.91	\$138,037.88	\$123,973.27	\$129,721.91	\$57,053.96

WSIB invoiced costs for Q2 2021 were approximately 28% higher than those in Q2 2020.

WSIB invoiced costs by service area for Q2 2021 are summarized in Figure 3.

Figure 3 - Q2 2021 WSIB Costs by Service Area

Critical Injuries

Occupational health and safety legislation stipulates requirements for reporting fatalities and critical injuries to the Ministry of Labour (MOL). A critical injury is an injury of a serious nature that:

- places life in jeopardy,
- produces unconsciousness,
- results in substantial loss of blood,
- involves the fracture of a leg or arm but not a finger or toe,
- involves the amputation of a leg, arm, hand or foot but not a finger or toe,
- consists of burns to a major portion of the body, or
- causes the loss of sight in an eye.

There were no work-related critical injuries reported to the MOL during Q2 of 2021.

MOL Orders/Visits without Orders

The MOL issued no orders to Exhibition Place during Second Quarter 2021.

MOL visits that do not result in orders are also tracked. Reports on the issues addressed during these visits and any recommendations or comments received are reviewed by the Joint Occupational Health & Safety Committee (JHSC). It is intended that this information will inform the JHSC regarding the MOL's priorities and expected employer responses to these priority issues.

There were no MOL visits to Exhibition Place facilities during Q2 2021.

Key Exhibition Place Health and Safety Initiatives

Some key health and safety initiatives for 2021 will include:

- Continuation of E-learning modules for GHS/WHMIS 2015 and other health & safety training
- COVID-19 Safety Training and Enhanced Sanitization/Disinfection Procedures
- Arc Flash/Electrical Safety Training
- Confined Space Training
- Continuation of Safety Awareness Training Program
- Online SDS Database System

Continuous Improvement - Progress towards Zero Lost Time Injuries

There has been a decrease in lost time injuries resulting in fewer days lost due to workplace incidents from 2017 to 2021. This demonstrates the success of the continuous improvement joint efforts of employees, union representatives, supervisors and managers. Table 2 provides a summary of key performance indicators comparing 2017 to Q2 2020.

Table 2 - Continuous Improvement Progress of all Indicators 2017 to Q2 2021

Performance Indicator	2017	Q2 2021 (YTD)	% Change
Lost Time Injuries (LTIs)	0	0	100%
Medical Aids	16	0	100%
Frequency	0	0.00	100%
Severity	0	0.00	100%
WSIB Costs	\$145,556.91	\$57,053.96	60%
