

Re-opening Item EY14.8: All-Way Stop Control – Thurodale Avenue and Duckworth Street

Summary

At its meeting held on March 12, 2020 Etobicoke York Community Council adopted the recommendations in Item EY14.8 made by staff at Transportation Services to not authorize an all-way stop control at the intersection of Thurodale Avenue and Duckworth Street.

Subsequently, residents in the area of Thurodale Avenue and Duckworth Street collected a signed petition with signatures from seventeen households in the immediate area to show support in the implementation of the all-way stop at this location. Residents voiced concerns with speeding in the area and safety concerns for pedestrians and feel that an all-way stop would help address these concerns.

Recommendations

It is recommended that Etobicoke York Community Council:

1. Re-open item EY14.8, titled “All-Way Stop Control – Thurodale Avenue and Duckworth Street”.
2. Delete Part 1 of the Etobicoke Community Council decision on Item EY14.8 and adopt the following :

"1. Authorize the installation of All-Way Stop Control at the intersection of Thurodale Avenue and Duckworth Street."
