Summary

At its meeting held on December 4, 2020 Etobicoke York Community Council adopted the recommendations in Item EY20.2 and EY20.3 made by staff at Community Planning to schedule a community consultation meeting and expand notice, and to undertake the initial review of the applications at 250 The East Mall and 2 & 10 East Mall Crescent in tandem.

To enhance public involvement, the developer and City Planning will be exploring a variety consulting tools to consult and further engage with the public.

Recommendations

It is recommended that City Council:

1. "Direct City Planning staff to expand community engagement for the applications at 250 The East Mall and 2 & 10 East Mall Crescent, and to retain services for third-party virtual consulting tools, as appropriate, with costs borne by the applicant in consultation and agreement with City Planning."
