

**To:** Chair and Members of Etobicoke York Community Council

**From:** *Councillor A. Perruzza*

**Date:** October 12, 2021

**Subject:** Speed Limit Reductions on Muir Avenue, Larchmere Avenue and Rowntree Mill Road

---

Dear Members of Etobicoke York Community Council,

Speed limits of all local roads West of Islington Ave, East of the Humber River, North of Finch Ave West and South of Steeles Ave W were reduced to 30 km/h as part of Vision Zero aside from three small sections. In order to ensure consistency in the area we would like to reduce the speeds on these 3 roads.

I recommend:

1. That City Council reduce the speed limit from 40 km/h to 30 km/h on Muir Avenue (ET) between Islington Avenue and Larchmere Avenue.
2. That City Council reduce the speed limit from 40 km/h to 30 km/h on Larchmere Avenue between Muir Avenue and Rowntree Mill Road.
3. That City Council reduce the speed limit from 40 km/h to 30 km/h on Rowntree Mill Road between Islington Avenue and Larchmere Avenue.

Sincerely,

Councillor Anthony Perruzza  
Ward 7, Humber River-Black Creek
