DECISION HISTORY

In accordance with Chapter 195, of the Toronto Municipal Code, Section 195-8.3A sets out the conditions when the Bid Award Panel is authorized to exercise the power of a Standing Committee to make an Award of a Contract that exceeds \$20,000,000 excluding all taxes. COMMENTS

Five contracts were awarded by the Bid Award Panel that exceeded \$20 million under the extended authority of the Bid Award Panel during 2021 as shown in Table 1 below. As required by the Purchasing By-law, the contracts were awarded to either the lowest bidder meeting specifications or the highest scoring proponent. Further, each of them were budgeted for in the appropriate capital or operating budget and received financial approval from Financial Planning. Finally, all of the contracts noted below closed and the evaluation was completed at a point where they could not report to the appropriate Standing Committee, which necessitated the use of the delegated authority for Bid Award Panel.
