SUMMARY

In accordance with the Relationship Framework approved by City Council for the Toronto Licensing Tribunal, the Chair's 2020 Annual Report is being communicated to the General Government and Licensing Committee for information.

The Toronto Licensing Tribunal (the Tribunal) is an independent quasi-judicial body comprised of seven citizens chosen by City Council for a four-year term. The Tribunal receives administrative support from the City of Toronto's Court Services Division. The Tribunal makes decisions about business licensing matters that are brought forward by Municipal Licensing and Standards (MLS), or at the request of a licensee or applicant, in accordance with the City of Toronto Municipal Code Chapter 545, Licensing, and Chapter 546, Licensing of Vehicles-for-Hire.

In 2020, the Toronto Licensing Tribunal scheduled 156 appearances before a hearing panel. There were 52 hearing dates, which included ten In Person hearing dates, 40 Electronic Hearing dates and two written hearing dates. In addition, there were 5 pre-hearing dates; these resulted in 31 meetings between an applicant and MLS.

As indicated in the Toronto Municipal Code and the Relationship Framework for the Toronto Licensing Tribunal, the Annual Report contains recommendations of the Chair for improvements or changes to the Toronto Licensing Tribunal policies and procedures. There are two recommendations for 2020, which are similar to the ones made in the 2019 Annual Report.

COMMENTS

The Toronto Licensing Tribunal is an independent quasi-judicial body consisting of seven citizens chosen by Toronto City Council for a four-year term. The Tribunal receives administrative support from the City's Court Services Division. Hearings are open to the public, scheduled every Thursday, unless otherwise noted. The Tribunal conducts itself in accordance with the *Statutory Powers Procedure Act* and its members are bound by the *Municipal Conflict of Interest Act*.

The Tribunal has the authority to:

- Approve or refuse an application for a licence;
- Approve or refuse the renewal of a licence;
- Place conditions on a licence; or
- Suspend or revoke a licence.

MLS licenses stationary businesses such as restaurants, public garages, and commercial parking lots, as well as mobile businesses such as vehicles-for-hire, tow truck drivers and owners, and driving instructors.

MLS may refer a licence to the Tribunal for a hearing if the licensing by-law or any other law has been breached, as well as refuse to issue or renew a business licence because the licensee has exceeded the business licensing thresholds as a result of *Criminal Code*, *Highway Traffic Act*, or by-law convictions. Applicants who are denied a licence by MLS may request a hearing before the Tribunal by completing a Request for Hearing application.

Decisions of the Tribunal may be the subject of an Application for Judicial Review through the Ontario Divisional Court. The Tribunal will issue written Reasons for Decision for each contested case before the Tribunal, which are posted online.

The 2020 Annual Report for the period of January 1, 2020 to December 31, 2020 from Mary Lee, Chair of the Toronto Licensing Tribunal, is contained in Attachment 1.
