Overnight Snow Clearing on Commercial Properties - Accessibility Feedback

Committee Decision

The Toronto Accessibility Advisory Committee:

1. Communicates its support to the Infrastructure and Environment Committee for staff's preliminary recommendation against prohibiting overnight snow clearing of commercial properties within 100 metres of residential areas.

Decision Advice and Other Information

The Senior Policy and Research Officer, Municipal Licensing and Standards gave a presentation on Overnight Snow Clearing on Commercial Properties - Accessibility Feedback.

Summary

Jessica Stanley, Senior Policy and Research Officer, Municipal Licensing and Standards will provide a presentation on a directive from the Infrastructure and Environment Committee to explore the feasibility of prohibiting overnight snow clearing within commercial properties that are located 100 metres or less from residential areas. The presentation outlines relevant regulations and key issues for permitting overnight snow clearing, presents staff's preliminary recommendation and seeks Toronto Accessibility Advisory Committee's input on accessibility for the staff report process.
