

Attachment 1 – Excerpt of Technical Details on the *Environmental Assessment Act (EAA)* Amendments Affecting Future Residual Waste Disposal Considerations

Section 6.0.1. Subsection 3 indicates that amendment applies to landfills:

(3) This section applies in respect of a proponent who wishes to proceed with an undertaking to establish a waste disposal site that,

(a) is a landfilling site;

Section 6.0.1. Subsection 4 limits the "local municipality" only to those:

- (a) in which the landfilling site would be situated; and
- (b) in which there is, as of the day on which the proponent gives public notice of the proposed terms of reference under *subsection 6 (3.1)*, a parcel of land,
 - i. on which **residential uses**, other than residential uses that are ancillary to other uses, are authorized by the official plan of the municipality,
 - ii. that is **within an area of settlement**, and
 - iii. that is located within a 3.5 kilometre distance, or such other distance as may be prescribed, perpendicular at each point from the property boundary of the property on which the proposed landfilling site would be situated.

Section 6.0.1. Subsection 5 indicates what the owner or person in control (the "proponent") must provide to MECP to satisfy the "municipal support" requirement:

(a) a copy of a municipal council resolution for each local municipality in respect of which municipal support is required under *subsection (4)*, indicating the municipality supports the undertaking to establish a waste disposal site that is a landfilling site;

(b) a well-marked and legible map showing the location of the landfilling site, the boundaries of each local municipality mentioned in clause (a) and markings to illustrate the characteristics of a municipality under *clause (4) (b)*; and

(c) a description of the process used to identify the local municipalities whose support for the undertaking is required under *subsection (4). 2020, c. 18, Sched. 6, s. 10.*
