Dear Ms. Toft,

I am submitting comments for distribution for the City of Toronto Council Meeting on February 2, 2021 regarding the notice of motion, item MM28.14 *The More Time Lost. The More Lives Lost: A Call to Reform Ontario's COVID-19 Response in Long-Term Care Homes and Approach to Care*, which is being put forward by Councillor Josh Matlow, seconded by Councillor Mike Layton.

I represent the Regional Geriatric Program of Toronto (RGP) as a member of the Toronto Seniors Strategy Accountability Table. The RGP supports a large network of specialized geriatric service providers, builds capacity for senior friendly care, and drives health system change. The RGP supports this motion. Reform in the Long Term Care sector is urgently needed to preserve life and the quality of it for older adults who reside in long term care homes in Ontario. We agree with the actions in the motion as necessary steps to achieving this goal.

Thank you for your consideration.

Sincerely,  
Wendy Zeh
