Dear Mayor Tory and City Councillors,

RE: Agenda Item: MM31.27 – The Future of Yonge & Eglinton's Canada Square

The Oriole Park Association is a Toronto Ratepayer Association located in City Ward 12 as represented by Councillor Josh Matlow. Our geographic area is triangular shaped and bounded by Yonge Street to the East; Eglinton Avenue West to the North; and Chaplin Crescent / The Beltline to the South. This is the area in which the existing Canada Square development is located.

We wish to confirm our community support to the referenced motion being presented by Councillor Matlow and seconded by Councillor Kristyn Wong-Tam.

Over the past few years, the Yonge /Eglinton area has experienced a transitional change from mid density mixed development to intense

high density residential development.

Unfortunately, the infrastructure has not kept pace resulting with more pressure on transit, education, water, and sewers as well as a lack of public space and cultural amenities to accommodate the new and existing residents.

We feel strongly that the proposed establishment of a Working Group in conjunction with an Inter- Divisional Team will provide a comprehensive analysis of the redevelopment of this important midtown site.

The Oriole Park Association asks for your support to achieve a preeminent and vibrant redevelopment.

Thank you.

David McMahon , President
