**RE: MM35.4 Completing The Missing Link and Building the East Toronto
Railpath - by Councillor Mike Layton, seconded by Councillor Joe Cressy**

Dear Mayor Tory and Councillors,

We would like to express our strong support for the Members Motion to implement the project to convert the disused CPR rail line and bridge to a provide a new natural park trail connecting Leaside and Governors Bridge to the Don Valley trail. This will result in a significant expansion of nature walks in Midtown Toronto ravines, of vital importance as a park resource especially for apartment dwellers in midtown Toronto.

We hope all of you will support this important initiative.

Yours truly,

John Bossons, Co-chair

Tim Ross, Co-chair
