COMMENTS

Transportation Services was notified by Enterprise CarShare that they no longer required the one car-share vehicle parking area (CVPA) assigned to them on Harrison Garden Boulevard.

Currently, there are two spots adjacent to each other for CVPA on Harrison Garden Boulevard. One spot is assigned to Zipcar and the other to Enterprise CarShare. Signs have been posted accordingly. However, this has been misrepresented in the Municipal Code Chapter 950 which indicates that both CVPA parking spots have been assigned to Zipcar.

Given that Enterprise CarShare no longer requires the CVPA assigned to them and have requested the removal, Transportation Services staff contacted Zipcar to verify if they had a requirement for an additional spot surrendered by Enterprise CarShare. Zipcar declined the offer. Therefore, staff are recommending the removal of one CVPA assigned to Enterprise CarShare and are proposing a parking prohibition from 7:00 a.m. to 10:00 a.m., Monday to Friday, to be consistent with the parking regulation south of the existing CVPA on the west side of Harrison Garden Boulevard.

A map of the area and proposed parking amendments are included in Attachment 1.

The Ward Councillor has been advised of the recommendations of this staff report.
