Re: PB meeting on June 16, 2021, item 25.1 Inclusion on the City of Toronto's Heritage Register - 55 St. Edmunds Dr.

Dear Mme Chair and Members

I strongly support inclusion of 55 St. Edmunds Drive on the City of Toronto's Heritage Register. As the co-author of the Historical Walking Tour of Lawrence Park(rev.2007),I am very familiar with this house and have led many walking tours in the area featuring it. Designed by W. Bredin Galbraith,this iconic Lawrence Park house from the mid-1920s is in a prominent location at the northeast corner St.Edmunds Drive and Lympstone Avenue, one of the two gateway streets to Lawrence Park from Yonge St. 55 St. Edmunds Drive is also within the boundaries of Lawrence Park West, an area which was authorized by City Council in 2016 for study as a potential Heritage Conservation District,
