Gerry Graves by Toronto City Council***

**Moved by:           Councillor Kristyn Wong-Tam**

**Seconded by:       Councillor Mike Layton**

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Gerry Graves on February 16, 2021.

Gerry was a lifelong entrepreneur and founded two companies, Re:Action Marketing Services in 1977 and Re:Print Copy and Printing in 1978 located in the neighbourhood of Cabbagetown. Beyond his passion for entrepreneurship, Gerry strongly believed in helping people and supported his community and served on the boards of the local Business Improvement Area and the Cabbagetown Youth Centre and many other organizations and causes.

Gerry was known to his family, friends and community as a kind, sincere and generous man. The tragedy of losing someone we love and care for is undoubtedly one of life's most difficult and devastating moments. Gerry will always be remembered and cherished by his loved ones and many have shared loving memories and condolences through Legacy's Online Obituary. Please continue to share as these memories will keep Gerry eternally in our hearts.

The City Clerk is requested to convey, on behalf of City Council, our sincerest sympathy to Gerry's partner and family members who have lost a remarkable loved one.
