

***Expression of Condolence for
Adalbert Sausik by Toronto City Council***

Moved by: Councillor Michael Thompson

Seconded by: Mayor John Tory

The Mayor and Members of Toronto City Council are saddened to learn of the passing of Adalbert Sausik at Markham Stouffville Hospital on Thursday, July 8, 2021 at the age of 99 years.

Mr. Sausik was the founder of Toronto's Rapid Refrigeration which he co-owned and operated with his son Al for over 50 years. Mr. Sausik was highly respected in the refrigeration industry, widely known for committing to deals with a handshake and delivering on his promises with quality and excellence. Over the years, Rapid grew to employ dozens of loyal and valued staff that produced refrigeration equipment for many Toronto grocery and restaurant businesses.

While Mr. Sausik's work was his passion, he was first and foremost a family man who eagerly supported community initiatives, events and activities.

The City Clerk is asked to convey, on behalf of Members of Toronto City Council, our deepest sympathy to Mr. Sausik's family on his passing, and our enduring gratitude for his contributions to the community.
