Subject: Parking Amendments – Glasgow Avenue

Dear Scarborough Community Council Chair and Members,

BACKGROUND:

Glasgow Avenue is a residential street that runs between Raleigh Ave. and Kilmarnock Ave. There is an auto collision body repair business on the corner of Raleigh and Glasgow. Over the years, the residents have been repeatedly inconvenienced with the business's disregard for the current no parking bylaw directly in front, as well as its practise of blocking residents' driveways, towing and leaving unlicensed cars parked illegally on the street, and generally blocking traffic, day and night. Direct communication with the business has not helped. Parking Enforcement has responded to countless complaints and ticketed accordingly, but the situation remains the same. Both Parking Enforcement and Transportation Services suggest that implementation of a Parking By-law amendment will be helpful. Therefore, on behalf of the residents of Glasgow Ave. and by submission of this new business item, I am requesting the following.

RECOMMENDATION:

It is recommended that:

1. Scarborough Community Council prohibit standing at all times on both sides of Glasgow Avenue, between Raleigh Avenue and a point 52 metres further west.

Sincerely,

Gary Crawford
Councillor, Ward 20
Scarborough Southwest
