Dear Scarborough Community Council,

I am writing this letter today in support of the community's request for a 3-way stop (with signs) installed at the East and West corners of McGrath Court and Tilley Drive in Scarborough (M1C 3B5). As the Member of Provincial Parliament for Scarborough-Rouge Park I have no objections.

Residents have reached out to me since I entered office and have advised me of current road safety issues at this location that affects our community and the residents, predominantly children. These installations will certainly improve pedestrian and motorist safety at this location.

Thank you for your consideration.

Sincerely,
