Gough Avenue Speed Humps

Dear Chair Gord Perks and Members,

Gough Avenue is a one-way northbound residential street near Pape Avenue and Danforth Avenue. Residents of Gough Avenue contacted my office expressing serious concern for safety on their street having witnessed many collisions and vehicles exceeding the speed limit. Local residents are interested in having speed humps installed on Gough Avenue between Danforth Avenue and Canning Avenue.

Recommendation:

1. Toronto and East York Community Council request Transportation Services investigate traffic calming measures, such as speed humps, for Gough Avenue and report back by the June 24, 2021 Toronto and East York Community Council Meeting.

Sincerely,

Paula Fletcher
