RE: All-Way Stop at the Intersection of Holmstead Avenue and Glenburn Avenue

To the Chair and Members of Toronto and East York Community Council:

Background:

Residents have reached out to my office with concerns about road safety at the intersection of Holmstead Avenue and Glenburn Avenue. They have reported drivers speeding as they turn north off St Clair to avoid congestion on Victoria Park. My office polled the homes near this intersection, and over 80% of residents supported changing the existing 2-way stop into an all-way stop as a method of traffic calming for the neighbourhood. To keep making our community safer for all, I recommend installing an all-way stop at this intersection.

Recommendations:

1. Toronto and East York Community Council authorize all-way stop controls at the intersection of Holmstead Avenue and Glenburn Avenue

Respectfully,

Brad Bradford

Toronto City Councillor
Beaches-East York | Ward 19
