Toronto and East York Community Council  
City Hall, Committee Room 1  
100 Queen St W  
Toronto ON M5H 2N2

Dear Chair and Members,

## **Re: Traffic Regulations - Housey Street**

CityPlace is a neighbourhood that continues to see growth in its community and with new developments. Part of that growth must include the necessary road safety measures. Over the past number of years, I have worked closely with CityPlace residents to identify street safety concerns and have worked to implement the necessary improvements.

Housey Street is an east/west street located between Bathurst Street and Dan Leckie Way in the CityPlace neighbourhood. Currently, there is no westbound traffic control at the intersection of Bathurst Street and Housey Street and no all-way stop at the intersection of Housey Street and Queens Wharf Road.

Additionally, there are no parking regulations on Housey Street.

Transportation Services staff have advised on the installation of the necessary traffic control and parking regulations to Housey Street.

## RECOMMENDATION:

1. The Toronto and East York Community Council authorize an all-way stop control at the intersection of Queens Wharf Road and Housey Street.
2. The Toronto and East York Community Council authorize a stop control for westbound traffic on Housey Street at Bathurst Street.
3. Toronto and East York Community Council prohibit stopping at all times on the south side of Housey Street, between Bathurst Street and Dan Leckie Way.
4. Toronto and East York Community Council authorize the installation of "Pay-and-Display" parking machines to operate from 8:00 a.m. to 9:00 p.m., Monday to Saturday and 1:00 p.m. to 9:00 p.m., Sunday for a maximum period of three hours, at the rate of \$3.00 per hour, on the north side of Housey Street between Bathurst Street and Dan Leckie Way.

Sincerely,

Joe Cressy
