Dear Chair and Members of Toronto and East York Community Council,

Re: Realignment of Permit Parking Area "5A"

The exclusion of the development located at 500 Dupont Street from the 5A permit parking area is a means to ensure that current permit holders have sufficient parking space. The issuance of parking permits to residents of this development would negatively impact on the already limited supply of on-street parking spaces in the area.

Councillor Layton is requesting approval from Toronto and East York Community Council to prohibit the General Manager, Transportation Services, from accepting applications from residents of, visitors to, and tradespersons at the subject development property. Residents have reported that it is difficult to find a parking space close to home. The request is to ensure the balance of parking within area 5A from the potential influx from another development in the neighbourhood.

Recommendations:

1. Request the General Manager, Transportation Services, to review and report back to Toronto and East York Community Council on the realignment of Permit Parking Area "5A" to exclude the development located at 500 Dupont Street.

Thank you,

Councillor Mike Layton
Ward 11, University-Rosedale
