Dear Chair and Members,

RE: Realignment of Permit Parking Area "13G" to exclude the development addresses of 908 St. Clair Avenue West and 166 Alberta Avenue

BACKGROUND:

The exclusion of the development located at 908 St. Clair Avenue West and 166 Alberta Avenue from the 13G permit parking area is a means to ensure that current permit holders have sufficient parking space. The issuance of parking permits to residents of these developments would negatively impact on the already limited supply of parking spaces.

I am requesting approval from Toronto and East York Community Council to prohibit the General Manager, Transportation Services, from accepting applications from residents of, visitors to, and tradespersons at the subject development property. Residents have reported that it is difficult to find a parking space close to home. The area cannot absorb the potential influx from another development.

RECOMMENDATIONS:

1. Request the General Manager, Transportation Services, to review and report back to Toronto and East York Community Council on the realignment of Permit Parking Area "13G" to exclude the development located at 908 St. Clair Avenue West and 166 Alberta Avenue.

Thank you for your consideration.

Sincerely,

Ana Bailão
Deputy Mayor
Councillor, Ward 9 – Davenport
