RE: Speed hump installation on Roblin Avenue from Plains Road to Cosburn Avenue

To the Chair and Members of Toronto and East York Community Council:

Background:

Residents have reached out to my office with concerns about speeding along their street and requested that traffic calming measures (speed humps) be installed on the street as a method of addressing these concerns. My office polled the homes on the street and found over 80% of the residents were in support of making this change.

I am requesting that speed humps be installed on Roblin Avenue from Plains Road to Cosburn Avenue.

Recommendations:

1. Toronto and East York Community Council waive the polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming (speed humps) on Roblin Avenue from Plains Road to Cosburn Avenue; and
2. Direct the City Solicitor to prepare a by-law to alter sections of the roadway on Roblin Avenue from Plains Road to Cosburn Avenue, for traffic calming purposes, generally as shown on the copy of Drawing No. 421G3851, dated March 2021, from the Acting Director, Transportation Services, Toronto and East York District.

Brad Bradford

Toronto City Councillor
Beaches-East York | Ward 19
