RE: Permit Parking on Rosevear Avenue

To the Chair and Members of Toronto and East York Community Council:

Background:

Residents have reached out to my office to request the on street parking designation on Rosevear Avenue be amended so that parking is only available on the north side of the street. Rosevear Avenue is a local road with a speed limit of 30km/h. Currently on the north side there is no parking, except by permit, 12:01am - 7am daily in January, February, March, April, June, August, October, and December. On the south side there is no parking, except by permit, 11pm - 5am daily in May, July, September, and November. Three hour maximum parking is in effect at all other times. By amending the parking designation so that permit parking is permitted on the north side of the street only, Traffic Operations have found this would result in seven additional parking spaces being made available to residents throughout the year. There would be twenty street parking spaces available to residents in total. My office polled the homes on the street and found over 80% of the residents were in support of making this change.

Recommendations:

1. Toronto and East York Community Council amend the existing parking prohibition in effect at all times in January, February, March, April, June, August, October and December, on the south side of Rosevear Avenue, between Dawes Road and Avonlea Boulevard, to be effective for the whole year.
2. Toronto and East York Community Council rescind the existing parking prohibition in effect at all times in May, July, September and November, on the north side of Rosevear Avenue, between Dawes Road and Avonlea Boulevard.
3. Toronto and East York Community Council rescind the existing permit parking in effect from 12:01 a.m. to 7:00 a.m., daily, in May, July, September and November, on the odd side of Rosevear Avenue, between Dawes Road and Avonlea Boulevard.
4. Toronto and East York Community Council amend the existing permit parking in effect from 12:01 a.m. to 7:00 a.m., daily, in January, February, March, April, June, August, October and December, on the even side of Rosevear Avenue, between Dawes Road and Avonlea Boulevard, to be in effect for the whole year.
