Re: Re-Opening Item TE25.26: Amendments to traffic operations for Construction Staging Area – 1998-2000 Bathurst Street

Dear Chair & Community Council Members,

It was brought to my attention during a Community Construction Liaison Committee meeting for the Peveril Hill North area that an error in the recommendation to item TE25.26 had occurred at last month's Community Council meeting. Subsequent to the meeting, my office reviewed the error with Transportation Services staff and they advised of the need to re-open the previous item and adjust the recommendations. Staff have been consulted and have provided the corrected wording.

Recommendations:

It is recommended that the Toronto and East York Community Council:

1. Re-open item TE25.26: Construction Staging Area – 1998-2000 Bathurst Street.
2. Amend item TE25.26 by replacing the roadway "Peverill Hill North" in Part 2 with the roadway "the lane first west of Bathurst Street", so that limits of the two-way operations on Dewbourne Avenue shall now be as follows:

"Approve implementation of two-way traffic operations on Dewbourne Avenue, between Bathurst Street and the lane first west of Bathurst Street."

Sincerely,

Councillor Josh Matlow
