Dear Chair and Council Members,

**Re: Parking Amendments - Sherbourne Street (405 Sherbourne Street - Housing Now Development)**

The following on-street parking amendments on this section of Sherbourne Street are associated with staff recommendations to remove an existing taxi-stand lay-by in front of 405 Sherbourne Street as detailed in the staff report: Housing Now – 405 Sherbourne Street – Zoning Amendment – Final Report, dated June 14, 2021, that is being considered by Planning and Housing Committee on June 28, 2021.

**RECOMMENDATIONS:**

It is recommended that:

1. City Council rescind the existing stopping prohibition in effect at all times on the east side of Sherbourne Street, between a point 134.9 metres north of Dundas Street East and a point 130 metres north of Carlton Street.
2. City Council rescind the existing stopping prohibition in effect at all times on the east side of Sherbourne Street, between a point 141 metres north of Carlton Street and a point 24.5 metres north of Isabella Street.
3. City Council prohibit stopping at all times on the east side of Sherbourne Street, between a point 134.9 metres north of Dundas Street East and a point 24.5 metres north of Isabella Street.
4. City Council rescind the designated taxi stand for two taxis in effect at all times on the east side of Sherbourne Street, between a point 130 metres north of Carlton Street and a point 141 metres north of Carlton Street.
5. Staff postpone introducing the necessary Bills to City Council for the enactment of recommendations 1-4 above until the proposed City-initiated Zoning By-law Amendment for 405 Sherbourne Street is in force and effect.

Respectfully submitted,
