**RE: Speed hump installation on Lee Avenue from Kingston Road to Glen Ames**

To the Chair and Members of Toronto and East York Community Council:

**Background:**

Residents have reached out to my office with concerns about speeding along their street and requested that traffic calming measures (speed humps) be installed on the street as a method of addressing these concerns. My office polled the homes on the street and found over 95% of the residents were in support of making this change.

I am requesting that speed humps be installed on Lee Avenue from Kingston Road to Glen Ames.

**Recommendations:**

1. Toronto and East York Community Council waive the polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming (speed humps) on Lee Avenue from Kingston Road to Glen Ames; and
1. Direct the City Solicitor to prepare a by-law to alter sections of the roadway on Lee Avenue from Kingston Road to Glen Ames, for traffic calming purposes, generally as shown on the copy of Drawing No. 421G3859, dated July 2021, from the Acting Director, Transportation Services, Toronto and East York District.

**Brad Bradford**

Toronto City Councillor  
Beaches-East York | Ward 19
