Dear Chair and Members,

RE: Speed Hump Installation on Roseneath Gardens

BACKGROUND:

In July 2020, residents reached out to my office with an urgent concern about speeding along their street and requested via an online survey that traffic calming measures (speed humps) be installed as a method of addressing these concerns. Of those that responded, 76% of residents were in support of making this change.

I am requesting that speed humps be installed on Roseneath Gardens from Earlsdale Avenue to Glenhurst Avenue.

RECOMMENDATIONS:

1. Toronto and East York Community Council waive the polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming (speed humps) on Roseneath Gardens from Earlsdale Avenue to Glenhurst Avenue; and
2. Direct the City Solicitor to prepare a by-law to alter sections of the roadway on Roseneath Gardens, for traffic calming purposes, generally as shown on the copy of Drawing No. 421G-3908, dated August 2021, from the Acting Director, Traffic Management, Transportation Services, Toronto and East York District.
3. Toronto and East York Community Council designate a 30 km/h speed limit on Roseneath Gardens between Glenhurst Avenue and Earlsdale Avenue.

Thank you for your consideration.

Sincerely,

Ana Bailão
Deputy Mayor
Councillor, Ward 9 – Davenport
