REPORT FOR ACTION

Realignment of Permit Parking Area 5D to Exclude the Development Located at 374-388 Dupont Street

Date: August 9, 2021
To: Toronto and East York Community Council
From: Director, Permits and Enforcement, Transportation Services
Wards: Ward 11 - University-Rosedale

SUMMARY

As the Toronto Transit Commission (TTC) operates a transit service on Dupont Street, City Council approval of this report is required.

The purpose of this report is to respond to Toronto and East York Community Council's direction to review and report back on the realignment of Permit Parking Area 5D to exclude the development located at 374-388 Dupont Street.

Staff have determined the realignment of the Permit Parking Area 5D is feasible and has no objections to excluding the development located at 374-388 Dupont Street. If City Council excludes this address from the subject Permit Parking Area, residents and visitors of this address will be prohibited from participating in the on-street permit parking program.

RECOMMENDATIONS

The Director, Permits and Enforcement, Transportation Services recommends that:

1. Toronto City Council approve the amendment to Schedule B of the City of Toronto Municipal Code, Chapter 925, Permit Parking, to incorporate a revised map of Permit Parking Area "5D", as shown in Attachment 1 of the report dated August 23, 2021 from the Director, Permits and Enforcement, Transportation Services.

FINANCIAL IMPACT

There is no financial impact associated with this report.

DECISION HISTORY
At its meeting of May 19, 2021, Toronto and East York Community Council adopted item TE25.45, and in so doing, requested Transportation Services to examine and report back regarding the realignment of Permit Parking Area 5D to exclude the development address of 374-388 Dupont Street.

COMMENS

Transportation Services received a request from the Ward Councillor on behalf of local residents to realign Permit Parking Area 5D, to exclude the development located at 374-388 Dupont Street.

Permit Parking Area 5D is bounded by the Canadian Pacific Railway tracks to the north, Bathurst Street to the west, Bloor Street West to the south and St. George Street and Davenport Road to the east. Area 5D has 814 on-street parking spaces. To date, 779 permits have been issued. This area does not have a history of being waitlisted, meaning the demand for overnight on-street parking permits has never exceeded the supply of parking spaces.

A map of Permit Parking Area 5D is included in Attachment 1.

The exclusion of the development located at 374-388 Dupont Street is a means to ensure that current permit holders have sufficient parking space. The issuance of parking permits to residents, guests, tradespeople and caregivers of this development would negatively impact on the already limited parking supply in the neighbourhood.

A Public Notice was placed on the City’s website requesting those objecting to the exclusion of 374-388 Dupont Street from permit parking in Permit Parking Area 5D forward their objections in writing to the City Clerk, so they may be scheduled as deputations at the Toronto and East York Community Council meeting.
Transportation Services has no objections to the exclusion of 374-388 Dupont Street from Permit Parking Area 5D.

The Ward Councillor has been advised of the recommendation in this report.
