Toronto and East York Community Council
Toronto City Hall
100 Queen Street West
Toronto, Ontario
M5H 2N2

Dear Chair and Members,

RE: Speed Hump Installation on Silverthorn Avenue

BACKGROUND:

In October 2020, residents reached out to my office with an urgent concern about speeding along their street and requested via an online survey that traffic calming measures (speed humps) be installed as a method of addressing these concerns. Residents that responded were in unanimous support of making this change.

I am requesting that speed humps be installed on Silverthorn Avenue from Rogers Road to Rowntree Avenue.

RECOMMENDATIONS:

1. Toronto and East York Community Council waive the polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming (speed humps) on Silverthorn Avenue from Rogers Road to Rowntree Avenue; and
2. Direct the City Solicitor to prepare a by-law to alter sections of the roadway on Silverthorn Avenue, for traffic calming purposes, generally as shown on the copy of Drawing No. 421G-3952, dated September 2021, from the Acting Director, Traffic Management, Transportation Services, Toronto and East York District.

Thank you for your consideration.

Sincerely,

Ana Bailão
Deputy Mayor
Councillor, Ward 9 – Davenport
