

Motorcoach Parking and Loading Zone Amendments - Various Locations (Non-Delegated)

Date: November 3, 2021

To: Toronto and East York Community Council

From: Acting Director, Traffic Management, Transportation Services

Wards: Ward 10, Spadina - Fort York; Ward 11, University - Rosedale; and Ward 13, Toronto Centre

SUMMARY

As the Toronto Transit Commission (TTC) operates a transit service on the streets contained in this report, City Council approval of this report is required.

Transportation Services undertook a review of all motorcoach parking and loading zones to ensure consistency between the by-lawed regulations and the signage posted in the field. Based on that review, changes are proposed to amend or rescind the by-law entries at a number of locations to ensure they are uniform with the signage posted in the field.

A companion report, "Motorcoach Parking and Loading Zone Amendments - Various Locations (Delegated)" outlines the required delegated parking amendments for locations without TTC Service.

RECOMMENDATIONS

The Acting Director, Traffic Management, Transportation Services recommends that:

1. City Council authorize the amendments of the motorcoach parking zones at various locations as described in Attachment 1 of this report.
2. City Council authorize the amendments of the motorcoach loading zone at various locations as described in Attachment 2 of this report.
3. City Council authorize the amendments to parking regulations as described in Attachment 3

4. City Council amend § 950-400B.1(1)(a) of City of Toronto Municipal Code Chapter 950, Traffic and Parking, by deleting the entry for: University Avenue, west side, between a point 39 metres south of College Street and a point 10 metres further north.

FINANCIAL IMPACT
