Dear Chair and Members,

RE: No Stopping on St. Clarens Avenue between St. Clair Avenue West and Joseph Deleo Lane

BACKGROUND:

My office recently received a request to have the parking regulations on St. Clarens Avenue between St. Clair Avenue West and Joseph Deleo Lane amended to "No Stopping." The proposal would improve sightlines and safety at the laneway in addition to the intersection as well as provide clear access to the fire hydrant on this stretch of road.

Having consulted with Traffic Operations staff, I am requesting that parking on St. Clarens Avenue between St. Clair Avenue West and Joseph Deleo Lane be amended as follows.

RECOMMENDATIONS:

1. Toronto and East York Community Council rescind the existing parking prohibition in effect at all times on the east side of St. Clarens Avenue, between St. Clair Avenue West and a point 28 metres south.
2. Toronto and East York Community Council amend the existing parking prohibition in effect from the 16th day to the last day of each month, from Apr. 1 to Nov. 30, inclusive on the east side of St. Clarens Avenue, between a point 28 metres south of St. Clair Avenue West and Davenport Road (west intersection) to be in effect from Joseph Deleo Lane and Davenport Road (west intersection).
3. Toronto and East York Community Council amend the existing permit parking prohibition in effect from 12:01 a.m. to 7:00 a.m., at all times, except no parking the 16th day to the last day of each month, Apr. 1 to Nov. 30, inclusive, and no parking anytime from St. Clair Avenue West to a point 28 metres further south, on the odd (east) side of St. Clarens Avenue, from Davenport Road to St. Clair Avenue West to be in effect, except no parking anytime from St. Clair Avenue West to Joseph Deleo Lane.
4. Toronto and East York Community Council prohibit stopping at all times on the east side of St. Clarens Avenue, between St. Clair Avenue West and Joseph Deleo Lane.
