Re: Temporary Adjustments to Traffic and Parking Regulations for 2021 Winter Village (Non delegated)

Dear Chair and Members,

The annual Distillery Winter Village (formerly known as the Distillery Christmas Market) draws hundreds of thousands of visitors to the Distillery District each year. This year the event runs from November 18- December 31st 2021. The high volume of vehicular and pedestrian traffic generated during the Winter Village can create unsafe roads for all users and has significant impact on the local residents.

The following temporary parking regulations will help maintain efficient and safer traffic conditions.

Recommendations;

City Council authorize the temporary traffic and parking regulations on streets in the vicinity of Distillery District that are impacted during the Distillery Winter Village, identified in Appendix "A". The temporary parking regulations will override all existing regulations from December 16, 2021 to December 31, 2021, inclusive.
