**Re: Agenda Item TE24.11 King-Parliament Secondary Plan Review – Final Report, Secondary Plan and Zoning By-law Amendments**

Dear Members of Toronto East York Community Council:

The St. Lawrence Neighbourhood Association (SLNA) represents the interests of 30,000+ people who live in the neighbourhood. The St. Lawrence Neighbourhood Association is a not-for-profit organization incorporated in 1982. Please be advised that the St. Lawrence Neighbourhood Association is supporting the recommendations as set out in Item TE24.11. Since December 2018 we have had various members serve on committees related to the Secondary Plan including the Heritage Focus Group, Open House, and Built Form Workshop. We also had presentations at our SLNA Development Committee, SLNA Board of Directors, and SLNA Monthly Community meeting. We also had many of our members attend the Pop-Up located on Jarvis Street which was another beneficial opportunity for the community to speak to the Community Planners.

We have reviewed the March 30, 2021 report and attachments and wholly support. We are also supportive of a Culture Master Plan exercise for King-Parliament area and adjacent areas, and recommendations on public investment in and support for arts and culture facilities in the district through potential redevelopment, as well as a strategy for the Jarvis Street and Front Street Cultural Corridors identified in the Downtown Plan.

We also formally request that we be provided with notice of any meetings of Council, Committees of Council, Community Council or Public Meetings/Community Consultation Meetings where reports related to the King-Parliament Secondary Plan is considered. We also respectfully request that we be forwarded copies of any future reports and/or proposed by-laws affecting this Secondary Plan. Finally, we would respectfully request that the writer be notified of the City's passage of any by-law affecting the Secondary Plan lands.

Thank you.

Sincerely,
