### **COMMENTS**

---

The report [EX29.1](#) 2022 Launch of Community Crisis Support Service Pilots and Policing Reform Updates included information under the Traffic Management and Parking Enforcement heading on page 15 that does not accurately reflect the Auditor General's work.

The following paragraph is an accurate summary of the Auditor General's work in relation to Traffic Management and Parking Enforcement and should be substituted in place of the content in the Report:

- As part of [EX21.2](#) City Council requested an update on non-police engagement on traffic management and parking enforcement. The Auditor General's Office has an audit of parking enforcement on her Audit Work Plan of Toronto Police Services, and Transportation Services will await the findings of the Auditor General's report to inform any subsequent recommendations with respect to traffic management and parking enforcement.

The Auditor General's Office has been consulted in the preparation of this Supplementary Report.
