

Response to COVID-19 - March 2022 Update to City Council

Date: March 2, 2022

To: City Council

From: City Manager

Wards: All

SUMMARY

City of Toronto staff are reviewing Toronto's situation with respect to COVID-19 activity, particularly the local epidemiological context. A supplementary report with the most up-to-date data and findings of this review will be provided for the March 9, 2022 City Council meeting.

RECOMMENDATIONS

The City Manager recommends that:

1. City Council receive this report for information.

FINANCIAL IMPACT

There is no financial impact resulting from the adoption of the recommendation in this report.

DECISION HISTORY

At its meeting on December 15, 16, and 17, 2021, Toronto City Council adopted, with amendments, Item HL32.1, Response to COVID-19 - December 2021 Update, which provided an update on the response to the COVID-19 pandemic.
