Subject: Electric Vehicle On-Street Charging (IE27.7)
Date: Monday, January 31, 2022 10:14:04 AM
Attachments: [PastedGraphic-1.tiff](#)

Dear City Council,

I am writing regarding IE 27.7. With electric vehicles becoming more prevalent the City of Toronto needs to rapidly expand access to EV charging for residents who don't have access to off-street parking.

I support expanding Toronto's On-Street EV Charging Infrastructure more aggressively to ensure that we have more locations in more areas.

Please support any motion that expands this program to meet the rising need of residents.
