To Whom It May Concern

This letter is to acknowledge the success of the Music on Patio Pilot program in the Gerrard India Bazaar BIA. Spearheaded by Councillor Paula Fletcher, this pilot was an exceptional way of activating BIA and making patios and the area more inviting to customers. Efforts and resources dedicated towards the pilot were completely justified. Gerrard India Bazaar BIA member businesses and its patrons were extremely happy with the success of the program as it animated the bazaar and helped us reinforce confidence in the community.

We would love to see the program come back this year in 2022.

Tasneem Bandukwala, Manager, Gerrard India Bazaar BIA
