

Good Morning

My Name is Miguel , I am an Indigenous Man from Peru. I am an Activist , since 2010 and yes I have mental illness..Today is Bell Talk day.. Mental Health Matters and remember the other problem that needs solution.. to the gun violence in our city .. Poverty , Poverty, Poverty is one of the roots of Violence in the City

I have submitted my written deputation to the clerk to post because I won't be able to cover in 5 minutes my thoughts and comments this morning because I am in sad for the news. I hear yesterday... .. I am sending my prayers to the Indigenous Community of Toronto.

Yesterday I read with horror the report coming from the investigation team 93 graves found at Williams Lake First Nation in British Columbia research has shown that children at the school experienced murder, systemic torture, starvation, rape, and sexual assault. That even unwanted babies were burned in the incinerator

Horror that children were burned in Boiler Room at the Residential Schools????? , this is sad news that will trigger our community deeper and deeper a lesson to Canadians

An Elder told us during a Sacred Fire Ceremony at Dufferin Grove, that the Genocide methods used by the Residential Schools systems paid by the Government of Canada, Enforced by the #RCMP and managed by Church like the Catholic , Anglican etc. were a model for the Germans to implement in their Extermination Camps and the South Africans learned how to implement Apartheid.

So you see this story has never been told to regular Canadians

Mr Mayor Yes We Can have Civilians experts to deal with Mental health crisis ..is a good step to "FUND OUR COMMUNITIES and DEFUND THE POLICE" my Indigenous community has to heal , and it won't be an easy road I am glad that organizations are posting numbers to support Indigenous people the tragedy gets worse remember I told you Mr Mayor about The Sacred Fire at Trinity Bellwoods Park on June 22, 2021 , the sacred fire ceremony in progress to honor the 215 children's grave found at the time in Kamloops BC 100 police officers raided our sacred fire, your officers raided the camp, put out the fire, and kick out of Indigenous land. By a COLONIZER Army that is the Police for Indigenous People since 1492 - Land Back ! Oh Don't worry your Reception Office will receive Communication from the Legal Team to take responsibility for the violent park evictions, we ask you Mr Mayor to DROP the CHARGES

because Good Torontonians came out to support People living in the Encampment and you wasted \$2.2 Million Dollars to evict by extreme Police Brutality by the #TorontoPolice instead of investing in Building Social Housing with Support.

Mr Mayor, during The Last 2 Days I have been listening in Toronto Residents speaking at the Public Presentation of the 2022 Toronto Budget

Most Deputants nail it right on. We need to defund the Police , transfer 50% of the TPS Budget and allocated to support the poor Community.

Toronto's first-ever mental health crisis response teams — without police — to launch in March and is full funded .. hold down.. I thought we want to keep the Police Budget at zero... ins't that true Mr Mayor..

Why don't you take the money you have received from Doug Ford \$180 million since 2018 plus the \$78 million lately ..

Every Thursdays from 5:00 pm a group of Torontonians protest OUTSIDE the Police Headquarters we demand the elimination of the HORSE UNIT to fund Mental Health Programs in the City of Toronto imagine \$5.5 Million dollars to the program to be implemented in March..

Mr Mayor don't ask us to pay for this program \$10,982.572 no, thank you ...learn to live within your limits

Mr Mayor , I am shocked that for the Mental health plan presented to the Executive Committee today you want more money you want the public to pay.. , I disagree with the funding plan, is not serving the interest of Toronto Taxpayers. All you have to do is "TRANSFER" money around instead of giving the Police \$25 million more put that money in to the project you all discussing today. and respect Toronto taxpayers. Keep your promise to keep the Police Budget down not up

We support that calls made to 911 that meet the criteria for a non-police crisis response will be diverted to 211, a helpline for community and social services, rather than the public calling that number directly.

And lastly if you are running for a third term Mr Mayor I want you to know that every Sunday at 4:00 pm a group of Indigenous Women and Man, with their White, Asian, Black allies stand in the intersection of Dundas and Yonge Street.

I am the regular Indigenous Activist attending City Hall , Queens Park and Ottawa since 2010 , I run for City Council in former Ward 28, and have been a regular in Rallies and Marches supporting Justice Movements , The Grassroots Community speaking as an Ally from Peru representing the Quechua / Aymara People wants you Mr Mayor to know that Indigenous

People are against the renaming of Dundas Square to "Rob Ford Square" instead in the spirit of truth and reconciliation that you Mr Mayor, I urge you to use your Mayoral Powers RENAME the square to an Indigenous name a call for Justice :

LAND BACK SQUARE

You are invited to come to visit us and talk to us, if you are in support of Indigenous People.. remember Mr Mayor 40 & of the HOMELESS POPULATION that live in the streets, encampments and over crowd Shelters are INDIGENOUS PEOPLE... Shamefull Mr Mayor that the owners of this land have to pay rent? ... we are peaceful, we have Police Cruisers blocking the intersections so no harm is done to the Women, Children, Man and our allies and friends.. We are thankful for that progressive approach. as a regular activist I appreciate that very much that your officers block the roads when we take it each SUNDAY at 4:00 pm in support of Wet'Suwet"En People and for the renaming of the square and car free zone on Sundays..

*Remember Land Back Square is the demand put to you today in public we need your reply You know where to find me Mr Mayor just ask Chief Jim Rammer... **or drop by this Sunday bring TOBACCO to handle to the Elder and the circle .. Please and thank you***

Meegwetch – Gracias

Miguel

**REMEMBER 7310 Children's
Graves Found, it's 2022 and no
one single Catholic Priest or Nun
have been arrested for crimes
against Indigenous children eh?**
