Re: Ex34.11 Quayside Business and Implementation Plan

Dear Mayor Tory and members of the Executive Committee,

We write in support of adoption of this item. The East Waterfront Community Association (EWCA) includes the East Bayfront, with our area of coverage starting from East of Yonge Street to Cherry Street and from Lake Shore Boulevard East down to the Waters Edge Promenade.

Our community area is currently undergoing massive revitalization and redevelopment and the Quayside project is located directly in our catchment area. Our Development Committee have therefore been actively involved and closely monitoring development of this site over the last two years.

This site is in urgent need of revitalization and we fully support the report outlining the 'road map' for approvals related to Waterfront Toronto's Quayside project and the recommendations detailed by The Deputy City Manager, Infrastructure and Development Services

As a key stakeholder on the East Bayfront, we also very much appreciate the strong partnership and transparent consultations to-date with Waterfront Toronto on the Quayside project. EWCA very much looks forward to continuing to work with Waterfront Toronto on the next phase of this project, as this is important for our expanding community.

EWCA thank you for the opportunity to provide our input on this agenda item.

Yours sincerely,

David Chan
