

FRANCES NUNZIATA

COUNCIL SPEAKER YORK SOUTH—WESTON WARD 5

June 27th, 2022

To: Chair and Members of Etobicoke York Community Council

Re: Installation of all-way stop control at the intersection of Boyd Avenue and Merrill Avenue

SUMMARY:

Merrill Avenue is a two lane road classified as a local road. The speed limit is 30 km/hr and sidewalks are not provided on either sides of the street. Heavy vehicles are prohibited at all times and there is no TTC bus service provided on this street.

Boyd Avenue is a two lane road classified as a local road. The speed limit is 30 km/h with sidewalks provided on both sides of the street. Heavy vehicles are prohibited at all times and there is no TTC bus service provided on this street.

These two streets intersect to form a 'T-type' intersection with right-of-way controlled by stop sign for eastbound traffic on Boyd Avenue. Merrill Park is located on the east side of the intersection of Merrill Avenue and Boyd Avenue

My office received a request for the Installation of all-way stop at the intersection of Boyd Avenue and Merrill Avenue. This motion seeks to approve the installation.

RECOMMENDATION:

Etobicoke York Community Council:

1. Authorize all-way compulsory stop control at the intersection of Boyd Avenue and Merrill Avenue,

Sincerely,

Frances Nunziata
Toronto City Councillor
Ward 5, York South—Weston
