

JENNIFER
MCKELVIE

City Councillor
Scarborough-Rouge
Park
Ward 25

May 5, 2022

To the Toronto Francophone Affairs Advisory Committee,

In 2020, the TTC adopted [a motion](#) to report on the installation cost of bilingual signage in every existing subway station undergoing renovation and the cost of making all new wayfinding signage bilingual.

I invited TTC representatives to present the findings of their report during our Committee's meeting on June 3, 2022.

Thank you,

Jennifer McKelvie
Chair, Toronto Francophone Affairs Advisory Committee
