Subject: Support for acquisition of 1337 Queen St
Date: Saturday, July 2, 2022 9:01:08 AM

Dear Gord Perks,

I think the project proposed at 1337 queen is a great project. We need more affordable housing! As a transitional housing provider for newly arrived refugee claimants, we see each day how difficult it is for our residents to find somewhere to live when they move out of our homes. I hope projects like this will help.

Many thanks,
