

Appendix 2 - Project Summaries and Recommended Activities for Each Project Recommended for Funding

RECOMMENDED ACTIVITIES FOR 2022 ONE-YEAR PROJECTS

1. That funding in the amount of **\$92,860** be provided to **Amadeusz** to carry out the following services:

Funding Stream: Child and Youth Resiliency
Project Number: 00004113-22
Project Name: MindSets

Through this project, **Amadeusz** will:

- Employ one (1) Project Coordinator for 1,875 hours
- Engage one (1) Health and Wellness Specialist to create individual physical and mental health plans with 30 youth in remand
- Create individual physical and mental health plans for 30 youth that identifies health issues, outlines strategies and activities to promote positive change in their health-related behaviours during and post incarceration
- Support 30 youth in completing physical and mental health series (video and paper-based) specific for the incarcerated population to increase positive health related behaviour changes and coping skills
- Support 23 youth to complete one (1) high school course work and obtain their course credit
- Support seven (7) youth to complete their mental health and addictions health courses and obtain their credit from a post post-secondary institution

-
2. That funding in the amount of **\$55,547** be provided to **Christie Ossington Neighbourhood Centre** to carry out the following services:

Funding Stream: Child and Youth Resiliency
Project Number: 00004203-22
Project Name: Healthy Family Connections

Through this project, **Christie Ossington Neighbourhood Centre** will:

- Employ one (1) Project Supervisor for 800 hours
- Employ one (1) Project Manager for 250 hours
- Employ one (1) Director Operations for 75 hours
- Employ three (3) Peer leaders for 350 hours each

- Hire an external facilitator to conduct four Let's Talk Sex, Drugs and Harm Reduction workshops with 40 parents to enhance parents' communication skills around sexual health and substance use with their children
- Provide 48 weekly workshops for female-identified youth aged 10-13 to improve youth's knowledge about sexual health and substance use
- Provide 48 weekly workshops for female identified youth aged 14-17 to increase knowledge of sexual health and substance use
- Hold 6 Youth Advisory Committee meetings to enhance youth engagement in service delivery
- Conduct 240 weekly one-on-one informal support sessions for female identified children/youth to build their confidence and improve their decision making skills on sexual health and substance use
- Provide 12 monthly structured family sessions for 20 families to enhance parent-child bonding.

3. That funding in the amount of **\$84,750** be provided to **Fife House Foundation Inc.** to carry out the following services:

Funding Stream: Harm Reduction

Project Number: 00004214-22

Project Name: Huntley Community Managed Alcohol Program (CMAP) Pilot Project

Through this project, **Fife House Foundation Inc** will:

- Employ one (1) Project Coordinator for 1,680 hours
- Employ one (1) Program Manager, Huntley Transitional Housing Program for 192 hours
- Employ, train and support three (3) Peer Workers for 960 hours each
- Develop an evaluation model and evaluation tools to assess the success of the non-residential community managed alcohol program
- Conduct weekly outreach and recruit 8-12 participants to reduce consumption of non-beverage alcohol and maintain housing
- Operate a Community Managed Alcohol Program daily from 8:00 am to 8:00 pm at the Huntley Transitional Housing Program

4. That funding in the amount of **\$90,600** be provided to **Fife House Foundation Inc.** to carry out the following services:

Funding Stream: HIV Prevention through Sexual Transmission

Project Number: 00004241-22

Project Name: Toronto Linkage to Care – Complex Systems Outreach and Engagement Pilot Project for Black, Indigenous, and Persons of Colour At-Risk of Living with HIV

Through this project, **Fife House Foundation Inc** will:

- Employ one (1) Project Coordinator for 1,750 hours
- Employ one (1) Case Manager for 1,000 hours
- Employ, train and support three (3) Peer Engagement Workers for 400 hours each to provide culturally-responsive case management, harm reduction, HIV testing, treatment and sexual health services
- Conduct monthly outreach to network and partner agencies to recruit 25 participants for the Culturally-Responsive Intensive Case Management (CR-ICM) pilot project
- Create 25 individual culturally-responsive, client-directed care plans to enhance access and use of medical and psycho-social support services
- Conduct quarterly care plan review meetings with case manager, peer support workers, and clients to improve engagement in HIV care and treatment as prevention services
- Conduct monthly collaborative case conferences with partner agencies to enhance ongoing client care engagement

5. That funding in the amount of **\$55,165** be provided to **For You Telecare Family Service (FUTFS)** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 00004229-22

Project Name: Empowerment and Resilient Skills (EARS) Project

Through this project, **For You Telecare Family Service (FUTFS)** will:

- Employ one (1) Project Coordinator for 1,250 hours
- Employ one (1) Project Supervisor for 250 hours
- Recruit, train and support eight (8) Peer Leaders to build mentoring skills
- Host one (1) community information session to recruit participants
- Hold ten (10) video production sessions and vision board workshops for 20 youth to develop social resistance skills and improve their Emotional Intelligence (EI)
- Hold four (4) workshops for 20 parents to improve parent-child communication relationships
- Host one (1) Forum Day forum for 100 community members, parents and youth to change youth misconceptions of social norms of youth substance use and promote positive health-related behaviors
- Host one (1) Presentation Day showcasing youth achievements to 50 participants to showcase achievement

-
6. That funding in the amount of **\$53,707** be provided to **Ralph Thornton Community Centre** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 00004216-22

Project Name: Building Leadership

Through this project, **Ralph Thornton Community Centre** will:

- Employ and train one (1) summer Youth Peer Worker, for 280 hours
- Employ one (1) Youth Worker-School Year for 280 hours
- Conduct 50 hours of classroom training for 12 youth aged 13-14 to increase their leadership (problem-solving, verbal expression, teamwork) skills
- Provide 20 hours/week of field mentorship, coaching and supervision placements at three community centres for youth who completed leadership training to practice and improve their leadership (problem-solving, verbal expression, teamwork) skills.
- Conduct weekly workshops in the summer for 12 youth who completed their in-class training to increase leadership skills
- Conduct on-going summer biweekly leadership group meetings organized by Applegrove and Ralph Thornton Community Centres for 13-17 year-old youth in the neighborhoods to develop leadership skills (problem-solving, verbal expression, teamwork) through designing community events/projects
- Hold one community event by 13-17 year-old youth to showcase their leadership (problem-solving, verbal expression, teamwork) and self-confidence skills and benefit their community

-
7. That funding in the amount of **\$51,048** be provided to **Unison Health and Community Services** to carry out the following services:

Funding Stream: Harm Reduction

Project Number: 00004155-22

Project Name: Satellite Responses to Opioid Crisis in High-Risk Buildings

Through this project, **Unison Health and Community Services** will:

- Employ three (3) Harm Reduction Workers for 150 hours each to support and supervise Satellite Peer Workers
- Recruit, train and support three (3) Satellite Peer Workers for 800 hour each, to provide overdose response training; distribute naloxone; distribute safer drug use kits and supplies; referrals to primary care, mental healthcare and grief supports
- Identify fifteen (15) key tenants at Satellite Sites and provide four (4) Naloxone and overdose reversal training sessions at each site to increase the

preparedness of the key tenants to respond to overdoses and enable them to teach other tenants overdose prevention skills

- Provide 100 training sessions to Satellite clients on Naloxone and overdose reversal by Satellite Peer workers to increase knowledge of overdose and risk reduction strategies
- Distribute 1,200 Naloxone kits and safer drug use supplies to increase knowledge of safer substance use, opioid overdose prevention, and Naloxone administration
- Conduct 6 HIV and Hepatitis C education sessions in conjunction with Hepatitis C testing clinics and referrals to HIV point of care testing to 75 participants to increase their knowledge of their Hepatitis C and HIV status
- Conduct 3 Harm Reduction 101 sessions to 80 participants increased knowledge of harm reduction practices and how to access services
- Create an Advisory Committee including all Satellite Peer Workers, Outreach Peer Workers and clients and host quarterly meetings to discuss trends, gaps and ways to improve services

RECOMMENDED ACTIVITIES FOR 2020-23 THREE-YEAR PROJECTS

1. That funding in the amount of \$99,001 (Year 1, 2020), \$100,077 (Year 2, 2021) and **\$101,113 (Year 3, 2022)** be provided to **Agincourt Community Services Association** to carry out the following services:

Funding Stream: HIV Prevention through Sexual Transmission

Project Number: 20-3-HIV-01

Project Name: Massage Parlour/Micro-Brothel Outreach

Through this project, **Agincourt Community Services Association** will:

- Employ an Outreach Coordinator for 1,750 hours annually for 3 years;
- Employ 2 Peer Workers for 950 hours annually for 3 years;
- Provide access to 2 peer training sessions per month each year to increase the knowledge and skills of project peers;
- Conduct 288 outreach sessions annually to massage parlours and micro-brothels reaching 400 women annually to increase access to safer sex supplies, and accompaniments to sexual health testing;
- Conduct social media outreach 4 hours per week each year, reaching 220 sex workers annually to provide health education, access to safer sex supplies, and accompaniments to sexual health services;
- Conduct cold call outreach to micro-brothels and independent sex workers for 2 hours each week reaching 120 sex workers annually to increase their access to safer sex information, supplies and access to sexual health testing;
- Provide accompaniment to 300 sex workers per year to sexual health clinic appointments to increase HIV and sexually-transmitted infections (STI) testing, safer sex knowledge, and increase safer sex practices;
- Post 100 sexual health promotion content on an online blog reaching 60 sex workers annually, to increase safer sex knowledge, requests for supplies, and requests for sexual health clinic accompaniments; and
- Conduct 12 peer facilitated group sessions annually reaching 180 sex workers to increase safer sex knowledge, requests for supplies, requests for sexual health clinic accompaniments, and interest in joining the team as a peer volunteer.

-
2. That funding in the amount of \$93,802 (Year 1, 2020), \$ 94,819 (Year 2, 2021) and **\$95,882 (Year 3, 2022)** be provided to **Agincourt Community Services Associations** to carry out the following services:

Funding Stream: HIV Prevention through Sexual Transmission

Project Number: 20-3-HIV-02

Project Name: Male Clients Outreach and Education Project

Through this project, **Agincourt Community Services Associations** will:

- Employ an Outreach Coordinator for 125 hours annually for 3 years;
- Employ an Outreach Assistant for 1,750 hours annually for 3 years;
- To train and employ 2 Peers for 950 hours each annually for 3 years;
- Conduct 72 peer trainings (2 training sessions/month) to increase knowledge and skills of 1-2 peer workers per month;
- Conduct 468 face-to-face outreach for 4 hours/week at massage parlours and micro-brothels reaching 900 male sex buyers in total;
- Print 1,800 culturally and linguistically-specific STI/HIV prevention brochures;
- Post sexual health and safer sex information on social media blog reaching 180 male sex buyers in total;
- Accompany 90 male sex buyers to sexual health related clinic appointments to increase access to sexual health testing and resources;
- Conduct 14 hours/week of social media outreach activities using web-based platforms and social media apps to reach 108 male sex buyers in total; and
- Conduct 432 outreach sessions 3 hours/week to Asian business venues to distribute project brochures reaching 24 male sex buyers to increase linkages to project services and supplies.

3. That funding in the amount of \$63,116 (Year 1, 2020), \$ 64,757 (Year 2, 2021) and **\$66,451 (Year 3, 2022)** be provided to **AIDS Committee of Toronto (ACT)** to carry out the following services:

Funding Stream: HIV Prevention through Sexual Transmission

Project Number: 20-3-HIV-03

Project Name: Totally outRIGHT - Gay Leadership Programming

Through this project, **AIDS Committee of Toronto (ACT)** will:

- Employ a Project Coordinator for 960 hours annually for 3 years;
- Employ 2 Peer Facilitators for 160 hours annually for 3 years;
- Employ a Manager of Monitoring & Evaluation for 80 hours annually for 3 years;
- Train and employ 2 Peer Recruiters for 126 hours annually for 3 years;
- Develop, update and implement a comprehensive outreach, recruitment and intake strategy for enrolling young gay, bi, and queer men (GBQMSM) 18 – 24 years of age, into the Totally outRIGHT program;
- Deliver 2 four-day Totally outRIGHT series annually to 36 participants to increase knowledge and confidence about HIV, STIs, sexual health strategies, risk reduction strategies and to increase sense of belonging between participants and the HIV community;

- Develop a Community Advisory Committee (made up of 8–10 graduates of the Totally outRIGHT program) to convene 2 meeting sessions per year to give participants opportunities to develop leadership and program development skills and opportunities to foster a sense of belonging among the group;
- Support 4 program graduates per year to become faculty with the Totally outRIGHT program, including having them lead a learning module and participate in a series of planning meetings to build their confidence in public speaking and presentation skills as related to HIV prevention; and
- Provide 4 employment opportunities for graduates of the Totally outRIGHT program as either Peer Recruiters or Peer Facilitators (to develop their confidence, capacity building and leadership skills and experience for working in the HIV and sexual health sector).

4. That funding in the amount of \$63,466 (Year 1, 2020), \$ 63,466 (Year 2, 2021) and **\$63,466 (Year 3, 2022)** be provided to **Alliance for South Asian AIDS Prevention** to carry out the following services:

Funding Stream: HIV Prevention through Sexual Transmission

Project Number: 20-3-HIV-04

Project Name: Indo Caribbean Women's Sexual Health Program

Through this project, **Alliance for South Asian AIDS Prevention** will:

- Employ an Indo Caribbean Women's Health Coordinator for 1,400 hours annually for 3 years;
- Train and employ an Indo Caribbean Youth Peer for 750 hours annually for 3 years;
- Recruit and train 10 volunteers annually to provide opportunities for service users to contribute to programming;
- Provide 10 education sessions to 50 women and 6 education sessions to 30 youth from the Indo Caribbean community annually to increase awareness of high-risk activities, strategies to reduce risk, and provide information on accessing testing and treatment;
- Conduct 10 outreach sessions reaching 60 Indo Caribbean women annually to increase access to safer sex supplies and information;
- Conduct 3 event outreach sessions reaching 120 Indo Caribbean women annually to increase knowledge of services available around testing, HIV/STBBI's;
- Host 30 cook out sessions reaching 60 Indo Caribbean women annually to provide HIV education, and increase community engagement and peer support;
- Conduct 20 one-on-one support sessions annually to provide support and linkages to testing; and

- Convene an Advisory Committee to guide the project.
-

5. That funding in the amount of \$67,045 (Year 1, 2020), \$ 67,045 (Year 2, 2021) and **\$67,045 (Year 3, 2022)** be provided to **Alliance for South Asian AIDS Prevention** to carry out the following services:

Funding Stream: HIV Prevention through Sexual Transmission

Project Number: 20-3-HIV-05

Project Name: MENA Sexual Health Coordinator

Through this project, **Alliance for South Asian AIDS Prevention** will:

- Employ a Men's Health Educator - Arabic Speaking for 1,400 hours annually for 3 years;
 - Employ a Men's Health Educator - Farsi Speaking for 1,400 hours annually for 3 years;
 - Conduct training twice annually for 5 Arabic and 5 Farsi volunteers to increase support and engagement of target population;
 - Conduct monthly bar outreach at Middle Eastern Nights and 2 community outreach events annually targeting 120 individuals to increase knowledge of HIV testing and programs;
 - Conduct 48 bathhouse outreach sessions to engage 60 individuals annually to increase access to safer sex supplies, knowledge of HIV testing services and risk reduction strategies;
 - Provide 4 workshops in Arabic and 4 workshops in Farsi for 10 individuals per session annually to increase knowledge of testing and health care services and increase safer sex practices;
 - Provide two monthly Cardamom Kitchen sessions for 30 Farsi-speaking and 30 Arabic-speaking individuals to reduce social isolation, increase safer sex practices and increase use of HIV testing services
 - Provide one-on-one support and counselling for 20 individuals annually to increase use of HIV testing services, treatment, and harm reduction services.
-

6. That funding in the amount of \$92,026 (Year 1, 2020), \$ 92,026 (Year 2, 2021) and **\$89,526 (Year 3, 2022)** be provided to **Asian Community AIDS Services** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 20-3-RES-01

Project Name: When You're Ready': Supporting Asian LGBTQ+ Youth

Through this project, **Asian Community AIDS Services** will:

- Employ a Project Coordinator for 1,875 hours annually for 3 years;
- Employ 3 Peer Workers for 300 hours each annually for 3 years;
- Provide 11 skills building leadership training sessions to 3 peers annually to increase knowledge of HIV and sexual health, problem solving and decision-making skills, feelings of connection to community, and I competency in practicing mindfulness;
- Host 4 closed support group series, lasting 8 weeks each, for 40 LGBTQ+ identified Asian Youth annually to increase knowledge of HIV prevention and harm reduction, problem solving and decision-making skills, feelings of connection to community, competency
- Hold 18 peer-led community drop-in sessions for 14 LGBTQ+ Asian youth annually to increase knowledge of HIV prevention and harm reduction and strategies to mitigate their own risk; and
- Host weekly peer-led online engagement sessions reaching 40 participants each year for 3 years.

-
7. That funding in the amount of \$67,793 (Year 1, 2020), \$ 66,233 (Year 2, 2021) and **\$67,222 (Year 3, 2022)** be provided to **BrAIDS for AIDS** to carry out the following services:

Funding Stream: HIV Prevention through Sexual Transmission

Project Number: 20-3-HIV-07

Project Name: Hair for you (Here for you)

Through this project, **BrAIDS for AIDS** will:

- Employ a Project Coordinator/Facilitator for 1,500 hours annually for 3 years;
- Train and employ a Peer Recruiter for 450 hours annually for 3 years;
- Train 15 hairdressers in North West Toronto each for one 3-hour session over 3 years;
- Provide 100 check in sessions to the hair dressers over 3 years to assess progress, client referrals, and video showcase;
- Conduct 5 workshops series at each of 15 hair salons to provide HIV prevention and sexual health promotion information to at least 75 ACB women;

- Host 9 hairdresser-informed community events including 7 Braidathons and 2 Community Partner testing events, reaching 910 individuals, to increase knowledge and leadership skills among hair dressers and improve testing uptake by participants;
 - Host 15 hairdresser-led in hair salon video showcases to increase awareness of HIV testing and treatment reaching 125 ACB women
-

8. That funding in the amount of \$72,176 (Year 1, 2020), \$ 72,176 (Year 2, 2021) and **\$72,176 (Year 3, 2022)** be provided to **Butterfly (Asian and Migrant Sex Workers Support Network)** to carry out the following services:

Funding Stream: HIV Prevention through Sexual Transmission

Project Number: 20-3-HIV-08

Project Name: Reaching the unreached: Migrant sex workers outreach and education project

Through this project, **Butterfly (Asian and Migrant Sex Workers Support Network)** will:

- Employ the Executive Director for 150 hours annually for 3 years;
 - Employ a Project Coordinator for 850 hours annually for 3 years;
 - Employ 5 Peer Outreach Workers for 300 hours each annually for 3 years;
 - Provide monthly training workshops to 5 peer outreach workers to increase their knowledge of HIV and STI prevention, and increase their capacity to conduct outreach and training;
 - Conduct 44 outreach sessions to 50 migrant sex workers at their workplace annually to increase knowledge of HIV/STI prevention, and access to sexual health supplies and health and social service agencies;
 - Provide monthly workshops to 144 migrant sex workers annually to increase their knowledge of sexual health and HIV/STI prevention; and
 - Host 12 informal gatherings for 120 participants annually to increase access to supportive environments, problem solving and negotiation skills and to decrease isolation
-

9. That funding in the amount of \$40,346 (Year 1, 2020), \$ 40,346 (Year 2, 2021) and **\$40,346 (Year 3, 2022)** be provided to **Casey House** to carry out the following services:

Funding Stream: Harm Reduction

Project Number: 20-3-HR-01

Project Name: Peer Support Program at Casey House

Through this project, **Casey House** will:

- Employ a Peer Program Manager for 230 hours annually for 3 years;
- Employ 5 Peer Support Workers for 436 hours each annually for 3 years;
- Provide 10 hours of In-kind peer training for 5 Peer Support Workers annually to provide one-on-one and group support skills, and knowledge on substance use and harm reduction;
- Conduct Self-Care Management Training Program twice per year for three years, reaching 22 clients annually, to increase medication adherence, increase utilization of harm reduction tools, improve regulation of behavior and moods, and improve decision-making
- Conduct one-on-one peer support sessions reaching 70 Casey House clients, over three years, to increase knowledge about the harms caused by the use of substances, and increase the use of harm reduction strategies; and
- Provide peer supervision and support group meetings for 5 peers, once per month, for 10 months each year to increase confidence in peers in providing support and addressing the issues that may arise.

-
10. That funding in the amount of \$68,014 (Year 1, 2020), \$ 69,754 (Year 2, 2021) and **\$70,237 (Year 3, 2022)** be provided to **Christie Ossington Neighbourhood Centre** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 20-3-RES-02

Project Name: 2SLGBTQ+ Youth West-End Drop-in

Through this project, **Christie Ossington Neighbourhood Centre** will:

- Employ an LGBTQ2S!+ Coordinator for 1,500 hours (Year 1); 1,250 hours (Year 2); and 1,050 hours (Year 3);
- Employ a Project Supervisor for 250 hours (Year 1); 225 hours (Year 2); and 150 hours (Year 3);
- Train and employ a Peer Leader (Trans and Gender Diverse) for 235 hours (Year 1), and 350 hours (Year 2); and 2 Peer Leaders (Trans and Gender Diverse) each for 350 hours (Year 3);

- Conduct outreach to 40 youth to recruit members for a Youth Advisory Committee to support the development and evaluation of sexual health and substance use information;
- Hold 38 LGBTQ2S!+ Advisory Committee meetings to build leadership and information evaluation skills pertinent to sexual health and substance use;
- Conduct 141 weekly LGBTQ2S!+ Youth Drop-in sessions reaching 150 youth, over 3 years, to promote community engagements and sexual health and substance use information and support;
- Conduct 141 weekly Trans and Gender Diverse Drop-in sessions reaching 60 youth over 3 years to promote community engagements and sexual health and substance use information and support; and
- Conduct weekly individual support sessions for 3 years to 100 youth to improve problem-solving skills, and access to relevant resources and referrals.

11. That funding in the amount of \$66,880 (Year 1, 2020), \$ 71,149 (Year 2, 2021) and **\$71,777 (Year 3, 2022)** be provided to **Davenport-Perth Neighbourhood and Community Health Centre** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 20-3-RES-03

Project Name: Young Men & Women Paving Ways

Through this project, **Davenport-Perth Neighbourhood and Community Health Centre** will:

- Employ a Program Worker for 945 hours annually for 3 years;
- Train and employ 3 Peer Leaders for 615 hours each, annually, for 3 years;
- Conduct twice monthly Life Skills Workshops in Year 1 reaching 288 youth to increase their life and social skills, critical thinking, decision-making, self-awareness and problem-solving skills;
- Hold 48 cooking sessions, over 3 years, reaching 240 youth per year, to increase their cooking skills and access to healthy foods;
- Hold 96 Friday night open gyms, over 3 years, reaching 544 youth per year to increase their access to health resources and increased health;
- Develop apprenticeship and internship employment training creation and development plan in Year 2, through collaboration with at least 5 local businesses who will offer placement opportunities to at least 10 youth;
- Support at least 10 youth to obtain and complete apprenticeships or internship training placements with at least 5 businesses in Year 3, to increase their employment, career skills and development opportunities; and

- Conduct 16 Anti-Black Racism/Resiliency Workshop Series, in Years 2 and 3, reaching 144 youth per year, to increase their life and social skills, critical thinking, decision-making, self-awareness and problem-solving skills.
-

12. That funding in the amount of \$87,918 (Year 1, 2020), \$ 89,313 (Year 2, 2021) and **\$91,164 (Year 3, 2022)** be provided to **Eva's Initiatives for Homeless Youth** to carry out the following services:

Funding Stream: Harm Reduction

Project Number: 20-3-HR-02

Project Name: Satellite Peer Outreach Training Program (SPOT)

Through this project, **Eva's Initiatives for Homeless Youth** will:

- Employ a Peer Program Coordinator for 2,000 hours annually for 3 years;
 - Employ 8 Peers for 192 hours each annually for 3 years;
 - Conduct 6-week Peer Training Workshop Series four times per year reaching 8 peers each series to increase knowledge and skills around harm reduction, confidence in engaging and educating of youth in the shelter and in the community on harm reduction and wellness/coping activities;
 - Provide 60 peer-facilitated education sessions reaching 200 youth annually to increase knowledge and skills in accessing health care, risk reduction, sexual health literacy, stress reduction strategies, youth leadership and mentoring skills;
 - Conduct peer street outreach 35 times annually to increase supplies and support and to increase the outreach skills and confidence of applying harm reduction theory into the practices of peers;
 - Provide 100 recreation and self-care programs reaching 135 peers and participants annually to increase coping skills and stress reduction tactics, and increase knowledge of life skills;
 - Host weekly harm reduction kit making sessions to increase understanding of kit making, and increase understanding of safer use tools and materials;
 - Participate in 10 community-based educational events to youth annually to increase the understanding of community members on harm reduction theories and practices, and increase access to supplies and resources;
 - Host 10 harm reduction drop-in sessions reaching approximately 75 youth annually to increase access to harm reduction and sexual health supplies, resources, and services.
-

13. That funding in the amount of \$73,256 (Year 1, 2020), \$ 81,586 (Year 2, 2021) and **\$84,953 (Year 3, 2022)** be provided to **Family Service Toronto** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 20-3-RES-05

Project Name: Queer and Connected: LGBTQ2SS Youth in the Village

Through this project, **Family Service Toronto** will:

- Employ a Project Coordinator for 1,288 hours in Year 1, and 1,456 hours in Years 2 & 3;
 - Employ a Queer Peer Worker and a Trans Peer Worker for 259 hours in Year 1 and 364 hours each in Years 2 & 3;
 - Provide training to 2 peer workers to provide group facilitation, peer support and health promotion;
 - Provide twice monthly peer support groups for 6 - 8 queer youth per session to reduce social isolation;
 - Provide twice per month educational workshops for 6 -8 queer youth per session to increase knowledge of safer sex and harm reduction skills;
 - Host an annual LGBTQ2S+ social event to reduce social isolation, build a sense of community and provide positive role modeling for 35 LBGTQ2S youth per event;
 - Set up a social media portal reaching approximately 10,000 LGBTQ2S youth to conduct outreach, event promotion, and health promotion information to enhance engagement on queer youth issues;
 - Conduct monthly street level outreach to engage approximately 1,000 youth to participate in programming;
 - Refer 25 LGBTQ2S youth to programs and services to enhance inter-agency collaborative service provision; and
 - Convene an advisory committee to meet quarterly to guide project design, implementation and evaluation.
-

14. That funding in the amount of \$82,825 (Year 1, 2020), \$ 81,825 (Year 2, 2021) and **\$85,825 (Year 3, 2022)** be provided to **Lakeshore Area Multi Service Project (LAMP) Community Health Centre** to carry out the following services:

Funding Stream: Harm Reduction
Project Number: 20-3-HR-04
Project Name: LAMP Harm Reduction Services

Through this project, **Lakeshore Area Multi Service Project (LAMP) Community Health Centre** will:

- Employ a Harm Reduction Outreach Lead for 1,400 hours annually for 3 years;
- Employ 2 Harm Reduction Peer Workers for 500 hours each annually for 3 years;
- Provide 36 annual workshops to 180 participants to increase knowledge and use of safer drug use practices and overdose prevention;
- Conduct peer street outreach 94 times each year reaching 200 people to increase access to harm reduction supplies and resources;
- Host 108 harm reduction drop-in sessions reaching 900 people annually to increase access to harm reduction supplies and resources; and
- Hold 7 community needle clean-up events led by peers in collaboration with the South Etobicoke Harm Reduction Coalition to increase knowledge of safe needle disposal practices.

15. That funding in the amount of \$104,693 (Year 1, 2020), \$ 104,693 (Year 2, 2021) and **\$104,693 (Year 3, 2022)** be provided to **Native Canadian Centre of Toronto** to carry out the following services:

Funding Stream: Indigenous
Project Number: 20-3-IND-01
Project Name: N'dodemnaanik Naandwechigegamig – Healing Our Community

Through this project, **Native Canadian Centre of Toronto** will:

- Employ a Community Health Navigator for 2,000 hours annually;
- Provide 6 training sessions annually to 7 Peer Council members to address cultural disconnection, low self-esteem, and mental and/or addiction issues;
- Hold 24 Peer Council meetings annually to provide guidance for the project;
- Provide 40 harm reduction workshops annually for 50 unique participants to increase Indigenous adult community holistic wellness; and
- Hold 30 traditional healing circles annually reaching 35 unique people to build stronger cultural connections, better harm reduction and safer-sex negotiation skills and better knowledge of access points for health services.

16. That funding in the amount of \$114,818 (Year 1, 2020), \$ 114,837 (Year 2, 2021) and **\$139,355 (Year 3, 2022)** be provided to **Native Canadian Centre of Toronto** to carry out the following services:

Funding Stream: Indigenous

Project Number: 20-3-IND-02

Project Name: Mino Maadziwin: Strengthening Cultural Connections for Urban Indigenous Youth

Through this project, **Native Canadian Centre of Toronto** will:

- Employ a Mino Maadziwin Coordinator for 2,000 hours annually;
- Employ an Addictions Circle Facilitator for 450 hours annually;
- Employ an Oshkaabewis Peer Worker for 700 hours annually;
- Recruit 10-20 youth to conduct 40 hours of outreach and distribute 300 posters annually to promote the project;
- Deliver 46 Culture Exchange sessions to reach 60-70 youth annually to improve cultural connections and access to harm reduction services;
- Deliver two five -day ceremony/land-based activities annually for 60 youth participants to enhance connection to Indigenous culture;
- Provide twice per week mental health and addiction circles for 50 youth participants to increase knowledge of harm reduction practices, emotional regulation skills and decrease substance use;
- Conduct 11 supervised visits to health agencies for 80 youth participants to improve access to health services; and
- Provide 150 hours of traditional counselling for 60 youth to enhance cultural knowledge and connection, and decrease high risk behaviours

17. That funding in the amount of \$58,890 (Year 1, 2020), \$ 58,890 (Year 2, 2021) and **\$58,890 (Year 3, 2022)** be provided to **Native Women s Resource Center of Toronto INC.** to carry out the following services:

Funding Stream: Indigenous

Project Number: 20-3-IND-03

Project Name: Healing Paths

Through this project, **Native Women s Resource Center of Toronto INC.** will:

- Employ an Oshkabaywis for 175 hours annually;
- Engage the services of two Traditional Healers for 44 weeks each year;
- Provide 48 traditional counselling sessions/ceremony sessions in the community annually to increase at least 20 women's connection to culturally appropriate support and ceremony; and

- Provide 24 workshops on harm reduction and sexual health reaching 20 women each year to increase knowledge of safer sex practices, safer use practices and access to community services.
-

18. That funding in the amount of \$108,313 (Year 1, 2020), \$ 106,813 (Year 2, 2021) and **\$108,313 (Year 3, 2022)** be provided to **Parkdale Queen West Community Health Centre** to carry out the following services:

Funding Stream: Harm Reduction

Project Number: 20-3-HR-05

Project Name: Trip! Project

Through this project, **Parkdale Queen West Community Health Centre** will:

- Employ a Project Coordinator for 1,750 hours annually for 3 years;
 - Employ 4 Youth Outreach Peers for 500 hours each annually for 3 years;
 - Recruit, train and support 30 new volunteers annually through 30 training sessions per year to increase knowledge around harm reduction and use of harm reduction practices in their own life, and to develop their facilitation skills;
 - Provide 20 workshops annually to 20 youth agencies, high schools, post-secondary schools and venue/event health & safety teams reaching 100 youth to increase knowledge on safer nightlife, drug trends, overdose prevention, consent in the party community, and suicide prevention;
 - Conduct 10 hours per week of social media and SMS outreach annually reaching 300 youth to increase knowledge of harm reduction skills and increase access to other online resources;
 - Conduct annual outreach to nightlife events 4 times per month reaching 250 youth to increase the use of harm reduction supplies, risk knowledge, and overdose prevention;
 - Hold 24 arts-based or mental health workshops, 12 kandijam workshops, 5 community cares workshops and 12 kit making drop-ins reaching 208 participants annually to increase harm reduction knowledge and skills including sexual negotiation, drug-use decision-making, safety planning, boundary setting, and mindfulness;
 - Conduct bi-monthly community engagement sessions by peers reaching 6 community agencies to increase peer connections to a wider harm reduction network; and
 - Engage peers and volunteers for 3,100 hours over three years to design new resources on harm reduction strategies to increase their harm reduction knowledge, and sense of community.
-

19. That funding in the amount of \$96,496 (Year 1, 2020), \$ 96,496 (Year 2, 2021) and **\$102,810 (Year 3, 2022)** be provided to **Parkdale Queen West Community Health Centre** to carry out the following services:

Funding Stream: Harm Reduction

Project Number: 20-3-HR-06

Project Name: West End Harm Reduction Satellite Program: Integrated HIV, HCV and overdose prevention among PWUD

Through this project, **Parkdale Queen West Community Health Centre** will:

- Employ a Satellite Program Coordinator for 1,750 hours annually for 3 years;
- Employ 5 Satellite Workers for 200 hours each annually to manage drop-in services at five satellite sites for 3 years;
- Employ 2 Satellite Leads for 100 hours each annually for 3 years;
- Employ 2 Overdose Response Trainers for 135 hours each annually for 3 years;
- Operate 5 peer-run satellite sites in high needs buildings reaching 75 new contacts annually to increase access to and use of harm reduction supplies, naloxone and information on bad drugs and dates;
- Provide overdose-specific education and training reaching 300 people at 2 peer-run satellite sites in shelter/respice centres or other high needs residential settings to increase knowledge of overdose risk reduction strategies;
- Conduct 44 residential outreach sessions reaching 220 individuals annually to increase access to harm reduction and overdose prevention supplies;
- Deliver 10 training sessions for 5 individuals annually to increase workforce capacity;
- Conduct quarterly Community Advisory Group meetings annually with 8 advisory members to address emerging issues and barriers to accessing services; and
- Conduct weekly individual supervisory meetings and case management support with 7 Satellite Peer Workers to increase job competency skills and increase support for psychosocial issues.

20. That funding in the amount of \$59,747 (Year 1, 2020), \$ 57,465 (Year 2, 2021) and **\$57,465 (Year 3, 2022)** be provided to **Parkdale Queen West Community Health Centre** to carry out the following services:

Funding Stream: Harm Reduction

Project Number: 20-3-HR-07

Project Name: Niiwin Wendaanimak (Four Winds) Indigenous Cultural Wellness Program

Through this project, **Parkdale Queen West Community Health Centre** will:

- Employ a Traditional Knowledge Keeper for 750 hours annually for 3 years;

- Employ 2 Indigenous Health Promoters, 1 for 250 hours, and 1 for 125 hours each, for 3 Years, respectively (Years 1 and 2 In-Kind);
- Employ an Indigenous Counselor for 25 hours annually for 3 Years (Years 1 and 2 In-Kind);
- Employ a Director of Health Promotion for 100 hours annually for 3 Years (Years 1 and 2 InKind);
- Train and employ a Program Peer for 51.5 hours annually for 3 years;
- Train and employ a Peer Shkaabewis for 450 hours in Year 1; and 328 hours annually in Years 2 and 3;
- Conduct 36 Indigenous harm reduction workshops, reaching 360 participants with access to culturally safe harm reduction and HIV and HEP-C knowledge, education, and materials that promote healthy behaviours;
- Conduct 36 monthly Indigenous cultural wellness workshops, reaching 360 participants to provide reconnections for Indigenous community members to their culture, community, identity, traditional medicines and understandings of health and holistic wellness;
- Conduct 18 bi-monthly traditional healing ceremonies each year for 3 years reaching 270 participants with culturally responsive supports for Indigenous substances users;
- Conduct 36 monthly traditional Knowledge Keeper sessions, for 3 years, reaching 1,800 Indigenous persons who use substances to provide support, cultural reconnections and access to traditional supports and teachings; and
- Conduct 36 monthly Indigenous traditional art workshops for 3 years reaching 10 participants per session to engage them in traditional Indigenous skills-building.

21. That funding in the amount of \$64,443 (Year 1, 2020), \$ 66,201 (Year 2, 2021) and **\$67,701 (Year 3, 2022)** be provided to **Planned Parenthood of Toronto** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 20-3-RES-06

Project Name: Supporting Healthy Relationships, Sexual Health, and Resiliency Among Underserved Young Men

Through this project, **Planned Parenthood of Toronto** will:

- Employ a Community Health Promoter for 375 hours annually for 3 years;
- Employ a Volunteer Support Worker for 1,312.5 hours annually for 3 years;
- Convene and provide training to 2 Cohorts of a 10-member Youth Advisory Committee, each lasting 18 months to increase knowledge, decision-making and interpersonal skills and engagement with peers and community;

- Conduct 52 drop-in sessions, with workshops and activities, over 30 months, reaching 60 people, to increase knowledge and decision-making about sexual health and relationships and increase access to sexual health resources, programs and services;
- Conduct peer education and outreach at 18 two-hour community events, reaching 270 people in Year 1 and 2, to disseminate information about sexual health, healthy relationships, and youth friendly sexual health programs and services; and
- Conduct 10 three-hour Youth-led resource creation sessions with the Youth Advisory Committee in Years 2 and 3, focusing on sexual health, healthy relationships and positive masculinity resources.

22. That funding in the amount of \$61,475 (Year 1, 2020), \$ 62,378 (Year 2, 2021) and **\$65,966 (Year 3, 2022)** be provided to **Prisoners with HIV/AIDS Support Action Network** to carry out the following services:

Funding Stream: Harm Reduction

Project Number: 20-3-HR-08

Project Name: Toronto Prison Inreach and Education Project

Through this project, **Prisoners with HIV/AIDS Support Action Network** will:

- Employ a Regional Prison Inreach Coordinator for 1,875 hours annually for 3 years;
 - Conduct 48 HIV/HCV prevention group education workshops for 192 prisoners in the Toronto South and Toronto East Detention Centres annually to increase HIV/HCV transmission and harm reduction knowledge and decrease needle sharing and tattooing in prison;
 - Conduct 48 HIV/HCV prevention one-on-one sessions for prisoners annually to increase HIV/HCV transmission and harm reduction knowledge;
 - Conduct 80 health promotion sessions with 13 HIV and/or HCV positive prisoners annually to increase prevention knowledge and connect HIV and HCV positive prisoners with community resources and treatment;
 - Provide phone support to 150 prisoners annually to increase HIV and HCV transmission knowledge; and
 - Conduct 4 meetings with Prison Healthcare and 2 meetings with Prison Volunteer Services Coordinator to ensure continuity of care and support for HIV+ prisoners and those at risk.
-

23. That funding in the amount of \$73,394 (Year 1, 2020), \$ 73,394 (Year 2, 2021) and **\$77,038 (Year 3, 2022)** be provided to **Regent Park Community Health Centre** to carry out the following services:

Funding Stream: Harm Reduction

Project Number: 20-3-HR-09

Project Name: Sex Worker Empowerment and Education Project (SWEEP)

Through this project, **Regent Park Community Health Centre** will:

- Employ a Project Manager (in-kind) for 600 hours annually for 3 years;
 - Employ a Project Coordinator for 1,050 hours annually for 3 years;
 - Employ 4 Peer Harm Reduction Workers for 500 hours annually;
 - Provide training within the first six months of the project to 4 peer workers on harm reduction, sex worker safety, outreach strategies, workshop facilitation and effective crisis management and referral pathways;
 - Conduct 4 overdose prevention workshops annually to 60 women, trans and non-binary people who engage in sex work and/or drug use to increase knowledge of harm reduction and overdose prevention techniques;
 - Hold 4 peer-led grief and loss support groups for 60 participants annually to provide support regarding the impact of overdose grief and loss, reduce social isolation and increase connection to health services;
 - Hold 50 sex worker drop-ins annually, reaching at least 15 women, trans and non-binary people who engage in sex work and/or drug use each session to increase knowledge of harm reduction and overdose prevention, and access to harm reduction supplies, and health services;
 - Conduct outreach shifts twice per week for 50 weeks annually to provide 4,500 contacts with sex workers and/or women, trans and non-binary people who use drugs in the downtown east to increase knowledge of harm reduction and social services, and access to harm reduction supplies; and
 - Develop and deliver 4 training workshops for 100 community workers at community agencies and groups looking to enhance their capacity to work with women, trans and non-binary people who use drugs and or/engage in sex work.
-

24. That funding in the amount of \$68,760 (Year 1, 2020), \$ 69,526 (Year 2, 2021) and **\$70,292 (Year 3, 2022)** be provided to **Scadding Court Community Centre Incorporated** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 20-3-RES-07

Project Name: HeARTwork

Through this project, **Scadding Court Community Centre Incorporated** will:

- Employ a Project Coordinator for 960 hours annually for 3 years;
- Employ 4 Peer Leaders for 240 hours each annually for 3 years;
- Employ a Program Director (in-kind) for 96 hours annually for 3 years;
- Convene a nine-member Advisory Committee to meet quarterly each year to direct project activities, create stronger bonds and positive relationships with peers and their community;
- Conduct a two-day peer training session for 4 peers annually to increase the peers' knowledge, skills and confidence in providing peer support;
- Hold 15 peer-led group discussions reaching 17 youth annually to enhance their life and social skills, increase knowledge around substance use prevention and harm reduction, and increase access to community resources and services;
- Hold 15 arts-based workshops reaching approximately 20 participants annually to increase community connections and emotional well-being; and
- Host a community showcase event annually reaching 30 youth to increase youth presenters' sense of belonging and self-confidence.

25. That funding in the amount of \$48,222 (Year 1, 2020), \$47,722 (Year 2, 2021) and **\$48,222 (Year 3, 2022)** be provided to **Scarborough Arts Council** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 20-3-RES-08

Project Name: EAST H.E.A.R.T - (Health, Education, Art, Resilience, Together)

Through this project, **Scarborough Arts Council of Toronto** will:

- Employ a Youth Coordinator for 840 hours annually for 3 years;
- Employ 2 Youth Mentors for 288 hours each annually for 3 years;
- Provide 32 hours of training to the Youth Coordinator and Youth Mentors each year to increase their knowledge of HIV/STI prevention, LGBTQ2S+ specific sexual health and self-care and increase their confidence in relaying this information to peers;

- Conduct outreach 2 times per week for 4 weeks reaching 200 youth in-person and 1000 online annually to recruit 30 LGBTQ2S+ youth participants from target NIAs;
 - Conduct 36 art and health workshops for 20 LGBTQ2S+ youth per year to increase knowledge of LGBTQ2S+ specific sexual health issues, HIV/ AIDS prevention, and ability to relay this knowledge to their peers; and
 - Host a final exhibition/ performance/screening showcasing at least 20 participants work reaching 200 community members each year.
-

26. That funding in the amount of \$ 102,098.41 (Year 1, 2020), \$ 102,098.41 (Year 2, 2021) and **\$ 102,098.41 (Year 3, 2022)** be provided to **Seventh Generation Midwives of Toronto** to carry out the following services:

Funding Stream: Indigenous

Project Number: 20-3-IND-04

Project Name: Baby Bundle Program

Through this project, **Seventh Generation Midwives of Toronto** will:

- Employ a full time and quarter time Community Birth Worker for 1,875 hours in total annually;
 - Conduct 40 Generations Groups each year reaching 400 participants to increase feelings of connectedness and belonging;
 - Conduct 100 Mobile Practical Support sessions over three years to 40 women to increase access to basic needs and supplies, as well as increasing feeling of trust with the service team;
 - Provide 40 clients access to culturally tailored resources/tools by the end of three years to increase their ability to self-navigate health and social service systems; and
 - Provide 100 clients over three years system navigation and coordination support to increase awareness of and access to community services.
-

27. That funding in the amount of \$92,071 (Year 1, 2020), \$ 92,071 (Year 2, 2021) and **\$92,071 (Year 3, 2022)** be provided to **Sistering- A Woman's Place** to carry out the following services:

Funding Stream: Harm Reduction

Project Number: 20-3-HR-10

Project Name: Women & Trans Inclusive Harm Reduction Program

Through this project, **Sistering- A Woman's Place** will:

- Employ a Project Coordinator (In-kind) for 150 hours annually for 3 year;
 - Employ one full time and one part-time Harm Reduction and Peer Support Worker for 1875 hours annually for 3 years;
 - Employ 6 Harm Reduction Peer Workers for 600 hours each annually for 3 years;
 - Provide 10 peer training and support sessions annually to increase peer's knowledge and practice of overdose prevention and HIV/ Hep. C testing;
 - Host 10 women and trans education and support breakfasts reaching 240 participants annually to increase knowledge on safer sex, safer substance use, and opioid overdose prevention;
 - Hold 80 kit making sessions annually to increase use of harm reduction and overdose prevention supplies amongst kit-making participants;
 - Host 40 sex workers breakfast and Bad Date information sessions annually to increase knowledge and use of safer sex and substance use strategies and supplies, including overdose prevention and HIV/ Hep C testing;
 - Conduct 10 arts-based risk reduction evening drop-ins reaching 120 participants annually to increase knowledge of healthy relationships, harm reduction and opioid overdose prevention;
 - Host 6 harm reduction 101 workshops reaching 72 participants annually to increase knowledge of safer substance use, opioid overdose prevention, and Naloxone administration;
 - Conduct 100 peer street outreach sessions reaching 600 contacts annually to increase access to harm reduction supplies and gain information on HIV/ Hep. C testing and overdose prevention; and
 - Hold 3 annual HIV/ Hep. C testing events.
-

28. That funding in the amount of \$76,427 (Year 1, 2020), \$ 76,427 (Year 2, 2021) and **\$76,427 (Year 3, 2022)** be provided to **SKETCH Working Arts for Street Involved and Homeless Youth** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 20-3-RES-10

Project Name: SKETCH Connections Project

Through this project, **SKETCH Working Arts for Street Involved and Homeless Youth** will:

- Employ 3 Project Arts Coordinators for 720 hours each annually for 3 years;
- Employ a Program Host/Youth Referral Liaison (In-Kind) for 720 hours annually for 3 years;
- Employ a Program Director & Supervisor (In-Kind) for 240 hours annually for 3 years;
- Train and employ 4 Peer Leaders/Associate Artists (In-Kind) for 720 hours each, annually for 3 years;
- Conduct arts program sessions 3 days per week, for 30 weeks each year, for 3 years, reaching at least 400 youth/year to build awareness of community health/resources, provide access to wrap-around services and inter-agency referrals, and develop youth art
- Provide wrap-around services 3 days per week for 3 years reaching 600 youth per year including reception, guidance/counselling and referral sessions, integrated with Arts Programs, for youth at risk of substance use and other risky social behaviours.

29. That funding in the amount of \$60,000 (Year 1, 2020), \$ 60,000 (Year 2, 2021) and **\$60,000 (Year 3, 2022)** be provided to **SKETCH Working Arts for Street Involved and Homeless Youth** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 20-3-RES-09

Project Name: Young Parents Connect

Through this project, **SKETCH Working Arts for Street Involved and Homeless Youth** will:

- Employ a Program Director for 200 hours annually for 3 years;
- Employ a Program Coordinator for 1,000 hours annually for 3 years;
- Employ an Evaluation Associate 100 hours annually for 3 years;
- To train and employ 3Creative Arts Peer Facilitators for 90 hours each annually for 3 years;

- Deliver three iterations of 10 creative arts workshop series for 70-100 young parents annually to increase social networks, mental health coping strategies and access to services; and
- Deliver 12 sexual health workshops for 70-100 young parents to increase knowledge and the adoption of safer sex practices.

30. That funding in the amount of \$89,674 (Year 1, 2020), \$ 90,571 (Year 2, 2021) and **\$91,506 (Year 3, 2022)** be provided to **Stella's Place Assessment and Treatment Centre** to carry out the following services:

Funding Stream: Child and Youth Resiliency

Project Number: 20-3-RES-11

Project Name: Reaching the Margins

Through this project, **Stella's Place Assessment and Treatment Centre** will:

- Employ a Clinical Coach for 80 hours annually for 3 years;
- Employ 2 Clinicians for 560 hours each annually for 3 years;
- Employ an Evaluation Lead for 100 hours annually for 3 years;
- Train and employ a Peer Co-Design Facilitator for 16 hours in Year 1;
- Train and employ 2 Peer Group Facilitators for 320 hours each annually for 3 years;
- Train and employ a Peer Coach for 184 hours in Years 1 & 2 and 160 hours in Year 3;
- Train and employ 2 Peer Black, Indigenous, People of Colour (BIPOC)-Facilitators for 120 hours in Year 1 and 240 hours in Years 2 & 3;
- Train and employ 2 Peer Group Facilitator-Refreshers for 72 hours in Years 1 & 2 and 48 hours in Year 3;
- Conduct 4 weekly co-design sessions involving at least 10 staff, peers and team members in Year 1, to increase their capacity to design and deliver effective programs and knowledge of available resources;
- Hold 20 weekly BIPOC group sessions in Year 2, reaching a total of at least 50 participants to increase knowledge of, and access to available resources;
- Conduct 56 wellness training group sessions in Year 1, to reduce impulsivity and high-risk behaviours among 48 youth participants;
- Conduct 200 one-hour individual coaching sessions reaching 48 participants to reduce impulsivity and high-risk behaviours; and
- Hold 12 two-hour refresh groups reaching 75 participants to improve use of positive coping skills.

31. That funding in the amount of \$76,932 (Year 1, 2020), \$ 77,591 (Year 2, 2021) and **\$78,334 (Year 3, 2022)** be provided to **Street Health Community Nursing Foundation** to carry out the following services:

Funding Stream: Harm Reduction

Project Number: 20-3-HR-12

Project Name: Evening Harm Reduction Drop-in Group

Through this project, **Street Health Community Nursing Foundation** will:

- Employ a Coordinator for 750 hours annually for 3 years;
- Employ a Drop-in Facilitator for 350 hours annually for 3 years;
- Employ an Overdose Crisis Worker for 350 hours annually for 3 years;
- Train and employ a Peer Drop-in Assistant for 250 hours annually for 3 years;
- Train and employ a Peer Support Worker for 250 hours annually for 3 years;
- Engage 5 drop-in helpers annually to increase their skill building activities related to drop-in programming/facilitation and increase their knowledge of harm reduction strategies, skills and practices;
- Hold 50 evening harm reduction drop-in groups annually reaching 550 people to provide harm reduction education, resources and support;
- Hold 50 education and training sessions to increase knowledge around harm reduction, Hep C prevention, coping with stress, grief and loss and promotion of health behaviours; and
- Convene an advisory committee to meet 10 times annually to ensure the effectiveness of project activities, foster joint ownership of project activities, and build the capacity of all committee members to collaboratively engage in project evaluation.

32. That funding in the amount of \$84,691 (Year 1, 2020), \$ 73,928 (Year 2, 2021) and **\$81,303 (Year 3, 2022)** be provided to **The 519 Community Centre** to carry out the following services:

Funding Stream: HIV Prevention through Sexual Transmission

Project Number: 20-3-HIV-09

Project Name: (Trans People of Colour) TPOC 2.0

Through this project, **The 519 Community Centre** will:

- Employ a Project Coordinator for 1,200 hours annually for 3 years;
- Train and employ 4 Peer Leaders for 500 hours each annually for 3 years;
- Conduct weekly peer-led outreach sessions for 50 weeks to reach 250 trans people of colour and Health and Social Service (HSS) providers annually, to foster deeper community ties, and build trusting relationships;

- Provide weekly peer-led cooking and sexual health promotion focused drop-ins for 50 weeks for 10 trans people of colour weekly , to increase their knowledge about HIV and STIs, and enhance community connections; and
- Provide 36 monthly 8.5-hour HIV/Sexual Health Promotion and Mental Healthcare sessions within TPOC drop-in activities, reaching 36 participants, to promote HIV testing, and to improve access to counseling supports, and arts-based group healing.

33. That funding in the amount of \$100,378 (Year 1, 2020), \$ 98,493 (Year 2, 2021) and **\$98,553 (Year 3, 2022)** be provided to **The 519 Community Centre** to carry out the following services:

Funding Stream: Harm Reduction

Project Number: 20-3-HR-13

Project Name: Breaking the Ice 2.0

Through this project, **The 519 Community Centre** will:

- Employ a Project Coordinator for 1,600 hours annually for 3 years;
 - Train and employ 4 Peer Leaders each for 750 hours annually for 3 years to develop, implement and evaluate project activities;
 - Conduct 250 (50 in Year 1 and 100 each in Years 2 and 3) peer-led outreach sessions to 8 people who use crystal meth (PWUCM) per week for 3 years to provide harm reduction substance use information, make warm referrals and build relationships with 1000 PWUCM in total in the Church-Wellesley
 - Provide peer support within 250 (existing) drop-in program sessions (Sunday Drop-In & Meal Trans) reaching 20 participants who use drugs per week and 2,500 target in total for three years;
 - Provide 48 (16 per year, for 3 years), peer-led counselling sessions for people who use drugs, to occur within talking/sharing circles, arts-based and music-based group meetings, and meditation sessions to increase social connections with this population;
 - Display the Letters to Meth art installation, within 3 external community agencies to be viewed by 500 community members to increase community awareness about challenges experienced by PWUCM.
-

34. That funding in the amount of \$72,768 (Year 1, 2020), \$ 75,284 (Year 2, 2021) and **\$76,211 (Year 3, 2022)** be provided to **The John Howard Society of Toronto** to carry out the following services:

Funding Stream: Harm Reduction

Project Number: 20-3-HR-14

Project Name: Just Outside the Door: John Howard Society of Toronto's Harm Reduction Reintegration Services Trailer

Through this project, **The John Howard Society of Toronto** will:

1. Employ a team lead for 618.75 hours annually for 3 years;
 - Employ a Reintegration Counsellor (in-kind) for 1,875 hours annually for 3 years;
 - Employ 2 Reintegration Support Workers for 975 hours each annually for 3 years;
 - Provide 20 hours of training and support to each Reintegration Support Worker every month, annually, to increase their knowledge and skills related to overdose prevention and harm reduction methods;
 - Provide harm reduction and overdose prevention training to 40 new clients at the Toronto South Detention Centre each month annually for 3 years;
 - Provide harm reduction support and community accompaniment to 1,000 people annually who are homeless/have substance use issues following their release from custody to increase safer use practices and access to harm reduction and housing/homelessness;
 - Participation of the Reintegration Support Workers in stakeholder meetings and coalitions at least once per month annually to increase their confidence in networking skills, and to inform policy and program discussions.

35. That funding in the amount of \$133,906 (Year 1, 2020), \$ 126,868 (Year 2, 2021) and **\$128,228 (Year 3, 2022)** be provided to **Women's Health in Women's Hands Community Health Centre** to carry out the following services:

Funding Stream: HIV Prevention through Sexual Transmission

Project Number: 20-3-HIV-11

Project Name: African, Caribbean and Black Women+ Taking Control over HIV/AIDS and Sexual Health

Through this project, **Women's Health in Women's Hands Community Health Centre** will:

- Employ a Community Health Worker for 1,875 hours annually for 3 years;
- Employ 20 Community Health Ambassadors for 128.5 hours each annually for 3 years;
- Employ 10 Peer Testers for 40 hours each annually for 3 years;

- Provide 2 trainings to 10 Community Health Ambassadors annually to increase knowledge of HIV prevention tools and technologies, facilitation skills, outreach and engagement strategies, and peer support skills;
- Provide 9 Peer Testers with 20 hours of HIV testing clinical shadowing training annually in order for them to attain their testing certification;
- Provide 2 trainings to 20 Community Health Ambassadors annually on emerging issues and trends;
- Deliver targeted outreach in community-based settings and events to reach 3,000 women and trans identified women annually to increase access to HIV prevention information and testing resources;
- Deliver 40 workshops to 600 participants led by Community Health Ambassadors in community based and social settings to increase access to HIV prevention information and resources;
- Deliver 10 capacity-building workshops for 200 service providers within organizational settings annually to increase the understanding of service providers on the unique factors impacting ACB women;
- Hold 10 HIV-testing clinics annually reaching 450 ACB women to improve access to HIV testing, knowledge of HIV status and risk behaviour, and improve attitudes towards HIV-testing; and
- Organize one Knowledge Dissemination/Translation & Exchange fora in Year 3 to 200 ACB women, service providers and researchers to share information on the Peer-Driven POC Testing Model and to increase knowledge and awareness on the scientific evidence informing HIV prevention.
