

**Attachment 4 – Compliance Certificates and Reports
(April 2022 – June 2022)**

Compliance Statement

The undersigned confirms that, throughout the 1-month period ending April 30th, 2022:

The portfolio managed by Fiera Capital Corporation for The City of Toronto Investment Funds - Merge (the "Account") was in compliance with the investment guidelines and restrictions applicable to the Account.

The undersigned confirms that, to the best of his knowledge, no investigation or disciplinary action has been commenced against Fiera Capital Corporation during the period by any securities regulatory authority.

Dated May 6th, 2022

Thomas Di Stefano, CFA
Head of Compliance – Canada

Compliance Report

City of Toronto - Master account Sinking Fund - Liability Driven Investments (A1327)

For Your Information

- This report is subject to the parameters as defined in Schedule 'A'.
- All security characteristics and market indices are sourced from Bloomberg LLP and Rimes Technology.
- Bonds with a maturity of less than one year are classified as short term securities.
- All evaluations are treated as if the pooled or mutual funds units held within the fund are in compliance as we do not evaluate the underlying assets of those funds.
- FX rates: WM Company London Close.
- This report is for reporting purposes only and in no way provides specific advice in the evaluation or allocation of your fund.
- This report has been produced on a best effort basis using the information made available at the time of production.
- ✓ = results are within the defined rules.
- ✗ = results are not within the defined rules.

Compliance Statement

The undersigned confirms that, throughout the 1-month period ending June 30th, 2022:

The portfolio managed by Fiera Capital Corporation for The City of Toronto Investment Funds - Merge (the "Account") was in compliance with the investment guidelines and restrictions applicable to the Account.

The undersigned confirms that, to the best of his knowledge, no investigation or disciplinary action has been commenced against Fiera Capital Corporation during the period by any securities regulatory authority.

Dated July 6th, 2022

A handwritten signature in blue ink, appearing to read "Thomas Di Stefano".

For Your Information

- This report is subject to the parameters as defined in Schedule 'A'.
- All security characteristics and market indices are sourced from Bloomberg LLP and Rimes Technology.
- Bonds with a maturity of less than one year are classified as short term securities.
- All evaluations are treated as if the pooled or mutual funds units held within the fund are in compliance as we do not evaluate the underlying assets of those funds.
- FX rates: WM Company London Close.
- This report is for reporting purposes only and in no way provides specific advice in the evaluation or allocation of your fund.
- This report has been produced on a best effort basis using the information made available at the time of production.
- ✓ = results are within the defined rules.
- ✗ = results are not within the defined rules.
